To,  
Mr. Makloun bin Hasher,  
The Post: Resident P. Gulf.

Sir,

The object of writing this letter is (to convey to you the news of) the departure from this world of your friend and my father (uncle) Rasheed bin Makloun the Chief of Dehaya. His death is a great misfortune to me because he was a good father; but there is no remedy in our hands since the decrees of the Lord - whose name be exalted - suffer no reversal nor is their execution adjournable.

I, your friend, have  
assumed the government of  
Debye and hope that  
that the ties of friendship  
and amity which subsisted  
between Debye and the  
Imperial Government ~~with the~~  
~~maintained~~ in the time of  
the late Sheikh Maktoom will  
be maintained uninterrupted,  
and that you will regard  
me with such views.

Whatever service may be  
required will be performed  
by me.

have been unopposed and quite in accordance with the wishes and choice of the people of Debye.

A letter may be <sup>written</sup> to the new Chief in reply to his first expressing sympathy with him for the loss he has sustained, and then congratulating him on his accession to power.

A report of these occurrences will ~~have~~ have to be made to <sup>Govt.</sup> forwarding copies of the new Chief's letter and of the Residents' reply thereto.

In precedent please see at slips from A. to B.

The facts were brought to my notice on my recent visit to Debye when I saw the new chief. The succession seems perfectly regular - and was effected with out opposition or remark - I expressed my regret - but perhaps the family will value a written expression of condolence & if this is usual it sh<sup>d</sup> be sent.

Clear the Line

At a private conference recently held at Dabai by Majlis consisting of merchants and cousins of Shaikh a cousin of Shaikh Saied was proclaimed as Shaikh. This man wrote to the Residency Agency that as Shaikh Saied had resigned he was now Shaikh. It has been ascertained that Shaikh Saied is still at (Dabai ?) and that in order to avoid trouble he ~~sought~~ is desirous of support from British Government. It is believed that reasons for attempt to eject him are his general submission to the wishes of the British Government and his enforcement of payment of debts. It is also understood that Shaikh Saied has the support of the majority of the population, and of the Bedouins. Considering the number of persons and properties entitled to British protection in Dabai I submit that strongest support consistent with policy be afforded Shaikh Saied and that Commanding Officer should be authorised to inform Majlis through Residency Agent that ejection of the Ruling Shaikh would incur His Majesty's Govt's strong disapproval with consequent serious effect on the trade of Dabai.

Dated the 17th April 1929.

Priority

Although policy is one of non-interference in internal affairs of Trucial Chiefs Government would not be prepared to recognise new Shaikh coming forward in circumstances so unsatisfactory as those detailed in your telegram.

Majlis may therefore be informed that Government cannot recognise any change of this nature unless and until effected by will of the people and that very serious view will be taken of any disturbance affecting British subjects. Shaikh ~~shaid~~ should be able to reassert his position if he really has majority behind him. Otherwise to bolster him up would be against the policy of Government.

A.C.

I beg to state that on 15th April 1929 when the Senior Naval Officer on board H.M.S. "Lupin" was in Shargah news was received in Dabai at 7 o'clock Arabic that the Shaikh of Dabai Said bin Maktum, was deposed from the Chiefship by his cousins Shaikh Mania bin Rashid and his brothers Hashar; Said and Maktum and the sons of Buti bin Suhail, Said bin Buti and Rashid and Suhail and their followers Al Bu-Falsah, and Shaikh Mania bin Rashid was appointed as Chief of Dabai, that Shaikh Said was not agreeable to this and that there was a dispute between them. I therefore informed the Senior Naval Officer of the said news, who sailed at once for Dabai. The ship anchored off the port; one hour passed but none of the Shaikh visited the man of war. The Senior Naval Officer and myself therefore landed. On our entering the creek we met with a jolly boat sent off to the man of war to intimate that Shaikh Said was deposed and the said Shaikh Mania was appointed as Chief. The S.N.O. and myself reached just opposite the house of Shaikh Mania, who visited and informed us that Shaikh Said has relinquished the charge of Shaikhship himself and that he is now the Shaikh of Dabai. There is no harm, I said, we had better go to Shaikh Said. and hear the deposition from his own tongue; we all went to the house of Shaikh Said bin Maktum. The Interpreter to the S.N.O. questioned Shaikh Said about what was expressed by Shaikh Mania bin Rashid and he (Shaikh Said) replied that he has not deserted himself from the Shaikhship and he is still Shaikh himself. The S.N.O. will order the Government subjects, the B.I. Agents and other Foreign subjects to go

out of Dabai then the Shaikhdom will either be his or Shaikh Mania's because as long as the Government subjects are in the Town, he will not be able to take any action upon the Town. The S.N.O told Shaikh Said that he will report to you and act according to instructions received from you, the S.N.O. and myself returned to the Man of War. The S.N.O. and myself therefore <sup>was</sup> exchanging views with regard to Government as well as to Foreign subjects as if disputes arise between Shaikh Said, his cousins and Al Bu-Falaseh, then the Government and Foreign subjects shall sustain losses of souls and property. The S.N.O anticipated disturbance in the Town, so he wrote to the two Shaikhs to refrain from instigation until a reply is received from Your Honour and whoever makes mischief shall be held responsible.

I beg to enclose herewith a copy of the two letters sent to the two Shaikhs. On receipt of letters by them respectively, each of them refrained from quarreling against his friend.

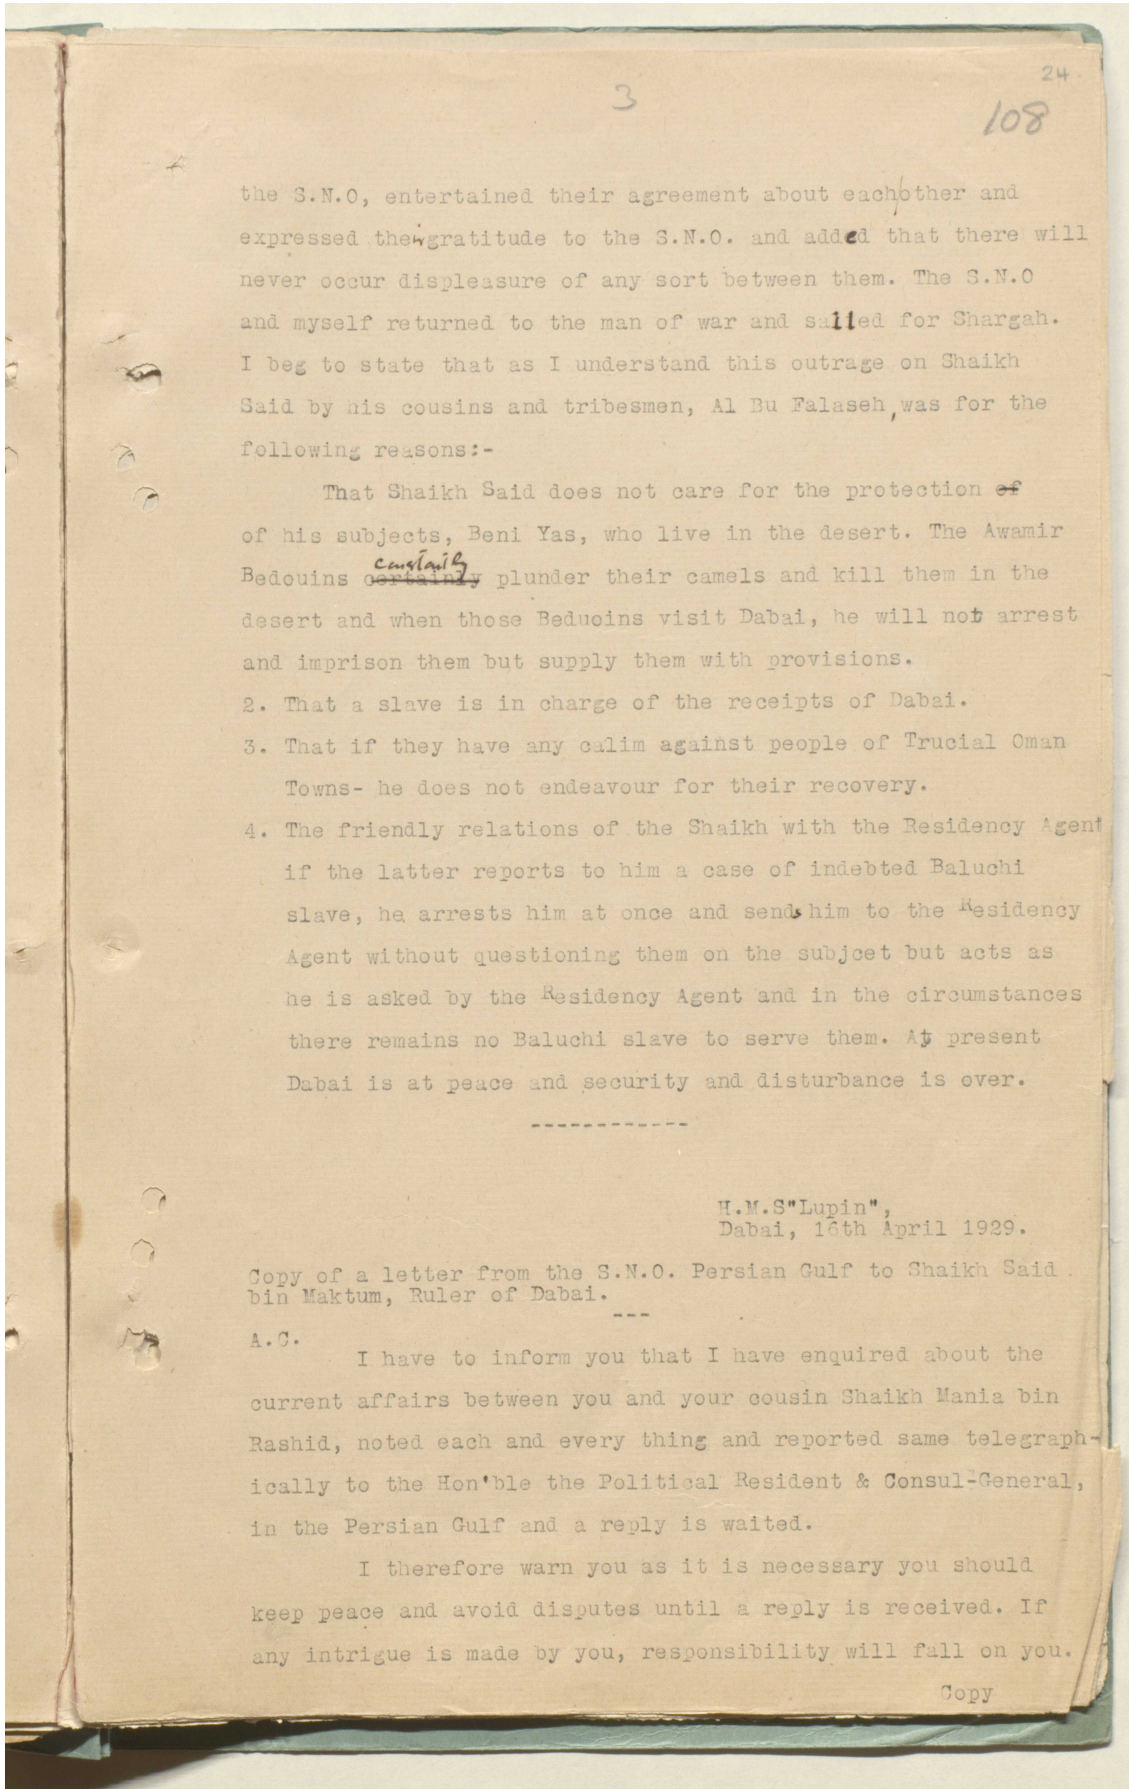

On the 17th April the S.N.O intimated to me about Your Honour's visit and I should inform the two Shaikhs accordingly. Myself and the Interpreter of the Man of War, therefore, went ashore. Firstly we went to Shaikh Mania bin Rashid and those with him and began to give the good advice and that they should make peace with Shaikh Said bin Maktum and that dispute and instigation between them is not advisable. Shaikh Mania replied that he will think over the matter with Al.Bu Falaseh and they will be nothing but good. They therefore assembled and exchanged views among themselves and then decided to make peace with Shaikh Said. They sent the wise man Shaikh Muhammad bin Ahmad Dalmuk to Shaikh Said in connection with the peace between him, his cousin and al Bu falaseh tribesmen. On 18th April 1929, there appeared in the house of Shaikh Muhammad bin Ahmad Dalmuk, Shaikh Said and his brothers where Shaikh Mania and the said tribesmen and myself were also present. They effected a peace among themselves and the peace and security was restored in the Town. Then Shaikh Said and Shaikh Mania's brother named Hashar bin Rashid and some of Al Bu Falaseh paid their respects to
