IN YOUR REPLY PLEASE QUOTE No. C/4448/3 DATED 3rd January 1933.

Dear Colonel Fowle,  
H A S A.  
We have received instructions from our London Principals to approach H.M. King Ibn Saud for an option over the Hasa territory similar in terms to that obtained by us in Qatar (Vide our letter GM/811 of 1st September 1932).

As this does not constitute a Concession, I trust we shall be in order in going ahead with whatever arrangements can be made to accomplish this. Chisholm was here recently and returned to Kuwait yesterday. I have asked him to consult Col. Dickson as to whether Ibn Saud's agent in Kuwait is a reliable and bona fides representative and if he is, to convey a message through him to Ibn Saud requesting the opportunity of an interview either with him personally or his accredited Representative. If this request met with a favourable reception we should send our small party (consisting probably of Haji Williamson and another) to the place nominated by Ibn Saud.

It has occurred to us that it might be as well to work through Ibn Saud's Kuwait representative as we have reason to believe that his Bahrein Agent has already been approached by Major Holmes on behalf of his Syndicate. It may be, however, that his Agents in the two places are of the same family or ~~the same~~ and that our precautions will serve no useful purpose.

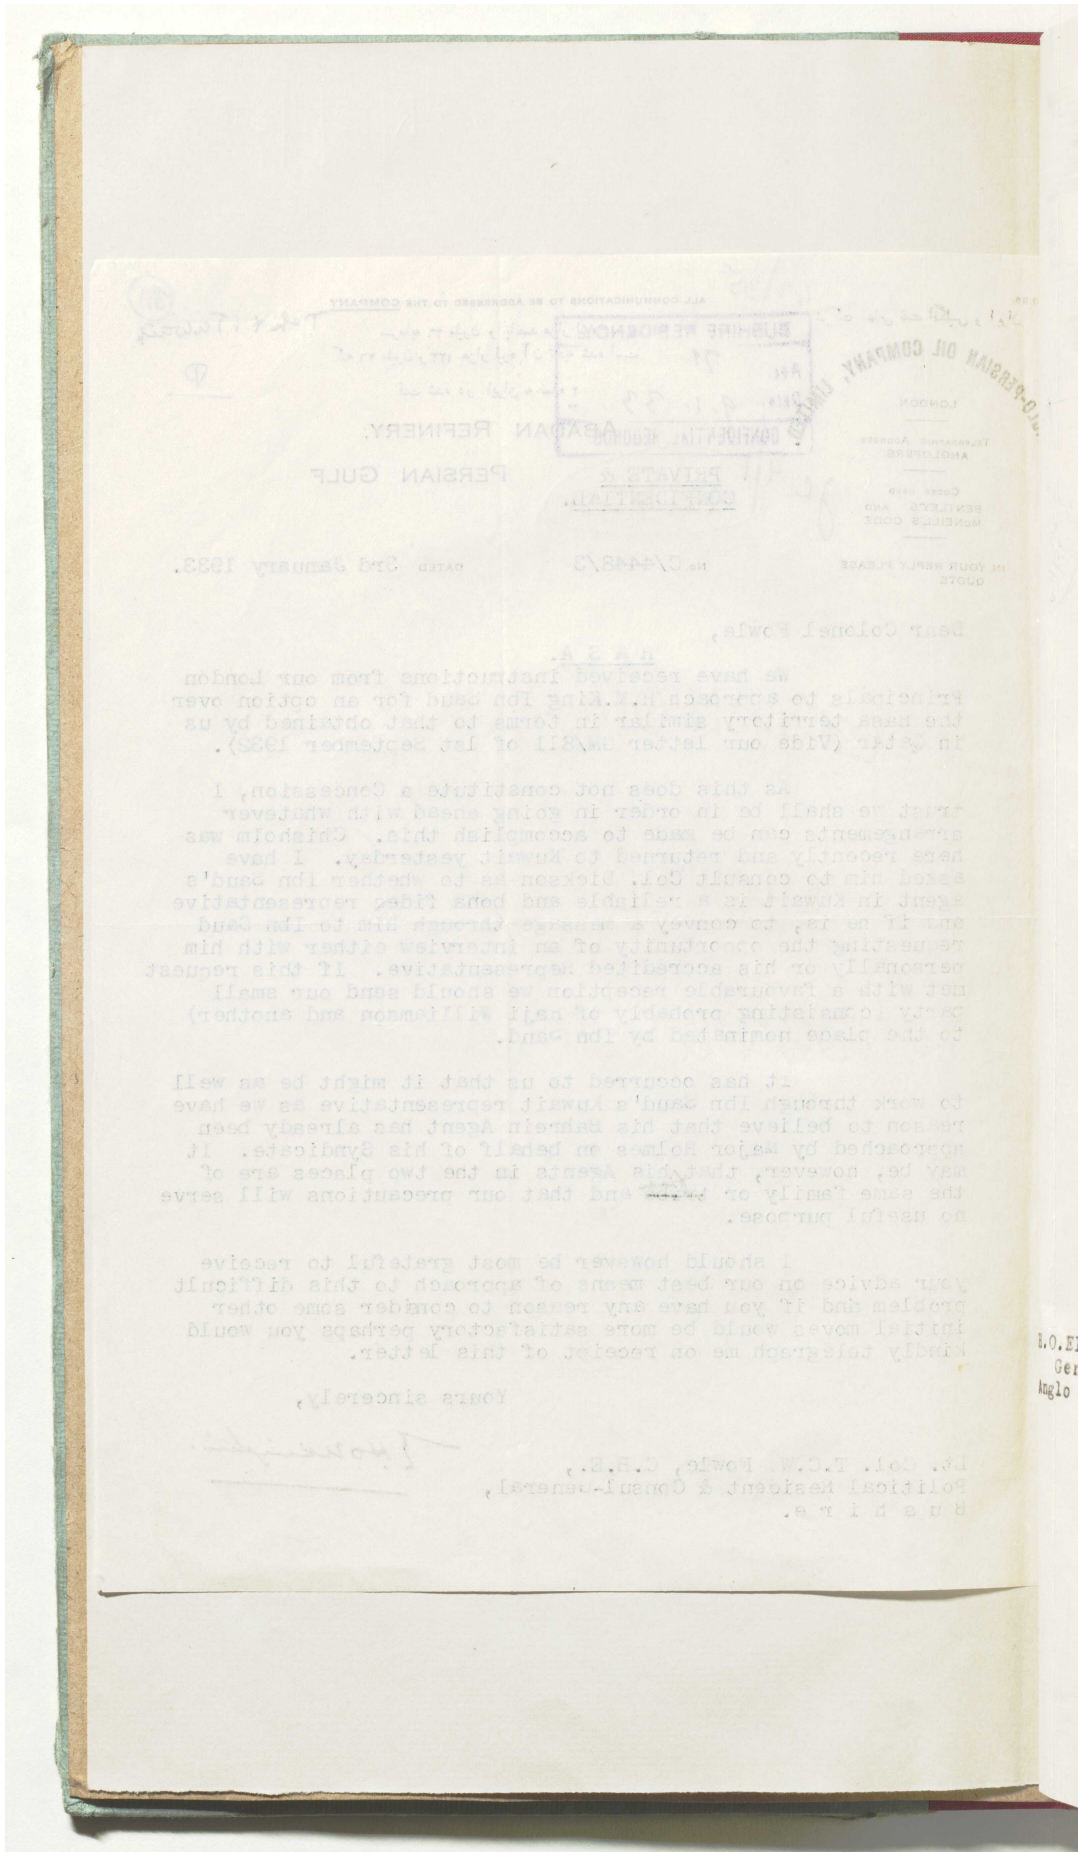

I should however be most grateful to receive your advice on our best means of approach to this difficult problem and if you have any reason to consider some other initial moves would be more satisfactory perhaps you would kindly telegraph me on receipt of this letter.

Yours sincerely,

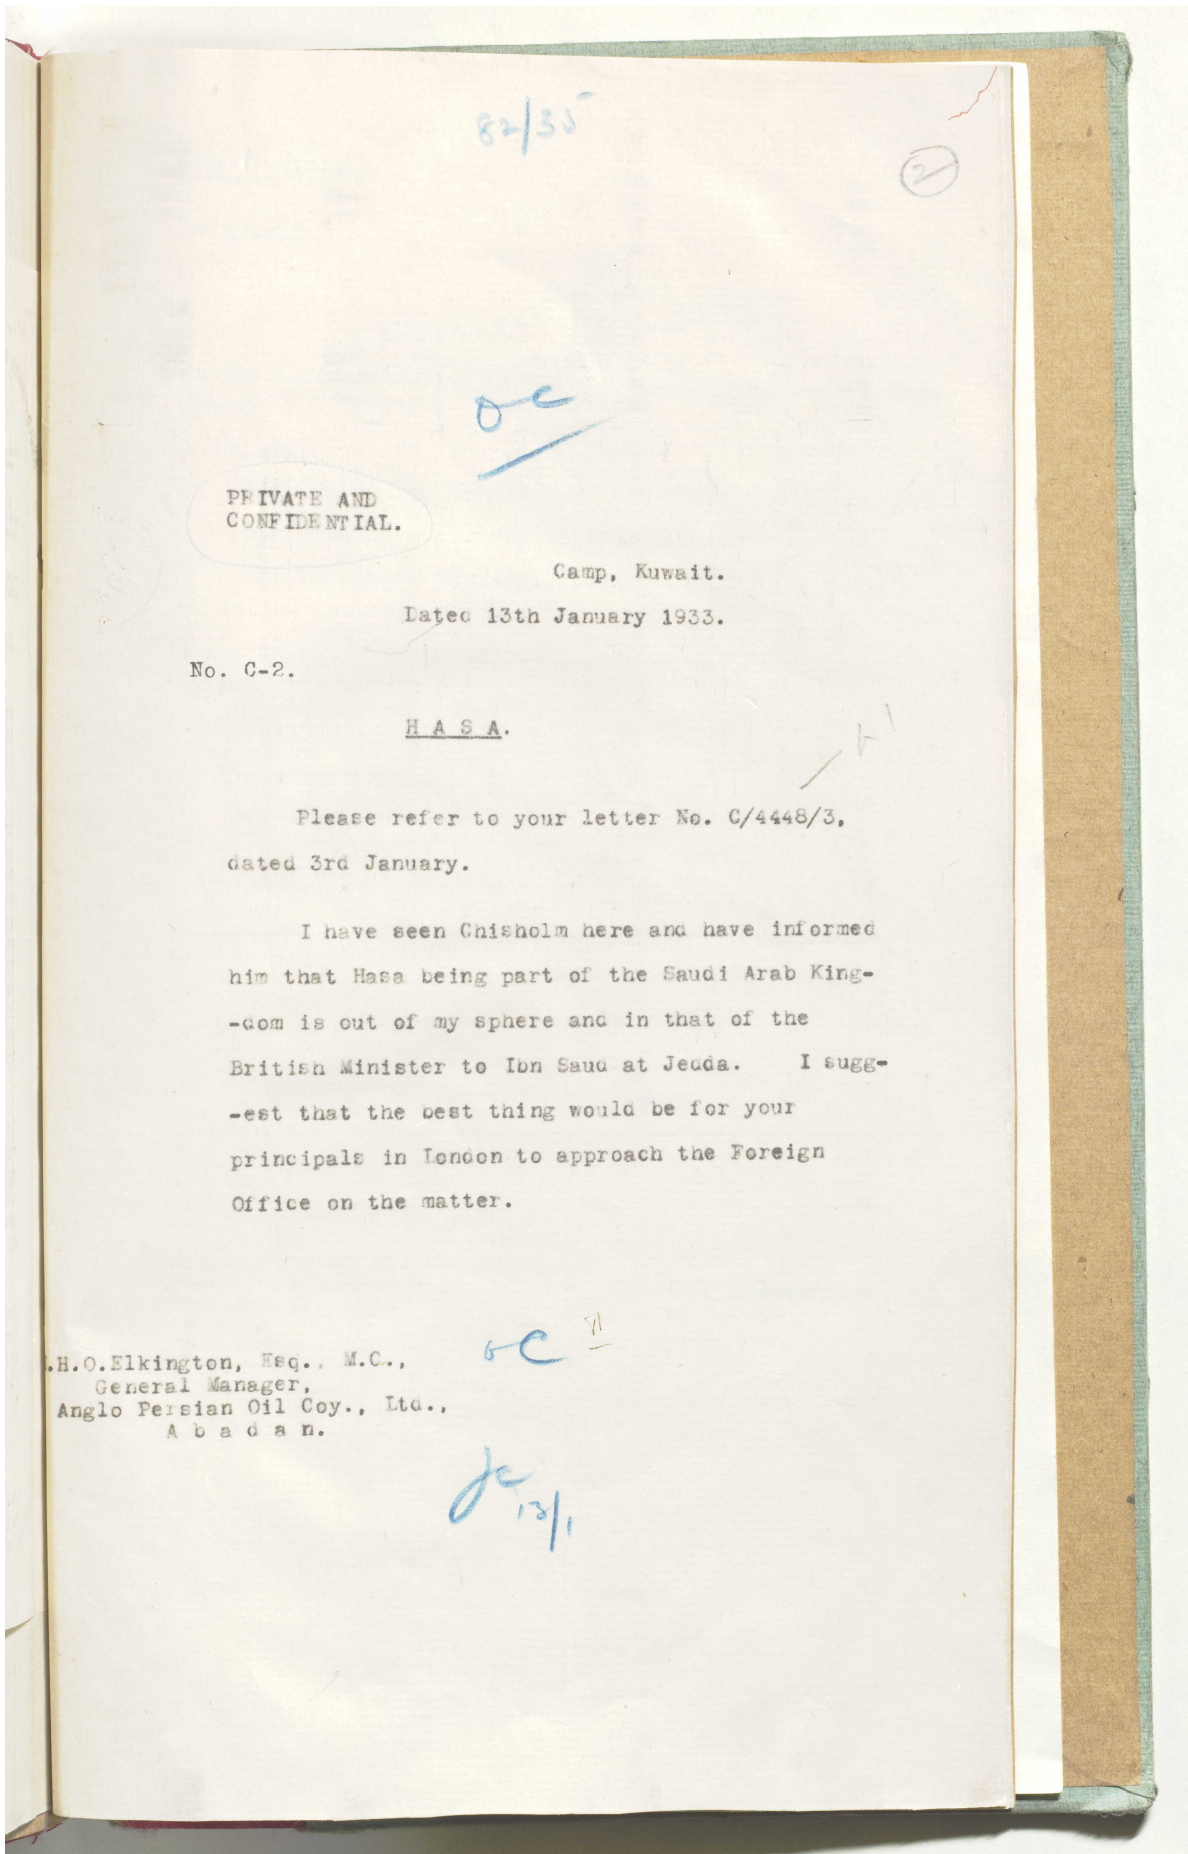

Lt. Col. T.C.W. Fowle, C.B.E.,  
Political Resident & Consul-General,

I have seen Chisholm here and have informed  
him that Hasa being part of the Saudi Arab King-  
-dom is out of my sphere and in that of the  
British Minister to Ibn Saud at Jeddah. I sugg-  
-est that the best thing would be for your  
principals in London to approach the Foreign  
Office on the matter.
