حول هذا السجل

يتضمن الملف مراسلات متبادلة بين المقيم السياسي في الخليج العربي (المقدم تشارلز جيفري برايور)، والوكيل السياسي في البحرين (هيرو وايتمان)، وممثل الحكومة البريطانية في جدة، ومسؤولين في حكومة الهند ومكتب الهند في لندن، وتتعلق بنتائج رحلة قام بها هاري سانت جون بريديجر فيليبي من المملكة العربية السعودية، ماراً بالظهران والبحرين وكراتشي، إلى بومباي. تركز المراسلات على اللحظة التي قد تكون مناسبة لإلقاء القبض على فيليبي، لكن يكون بالإمكان ترحيله إلى بريطانيا. التخلی عن مقترفات باعتقال فيليبي في البحرين، وكان المعتقد أنه يحمل رسائل ومقالات مناهضة لبريطانيا مخبأة في أمتعته، وتم التراجع عن اعتقاله نتيجة الغموض الذي يكتنف ما إذا كان قانون الدفاع في الخليج العربي يتضمن ما يكفي من السلطة القانونية لجعل الترحيل ممکناً (ص. ١١). مراسلات من وزارة الخارجية في حكومة الهند تبلغ عن اعتقال فيليبي عند وصوله إلى كراتشي (ص. ١٦). يحتوي الملف على إخطار من ج و ستافورد، كبير موظفي الجوازات في

مكتب الجوازات في وزارة الخارجية، بتاريخ ٢٧ يونيو ١٩٤٠، يتضمن تفاصيل عن مظهر فيليبي، ومعلومات أساسية عنه، وتعليمات بمصادر جواز سفره (ص. ٢٠).

2. Your telegram No. 2567 dated July 17th addressed to Bahrain and Political Resident's telegram No. 545 dated July 17th. Object being to avoid discouraging Philby from completing his journey to India it would be better that any action in respect of his passport should be left to Indian authorities (despatch paragraph No. 3 of my telegram dated July 16th). Action to arrest and deport him should be taken only if he gives trouble in Bahrain or attempts to slip away to another destination.

3. Your telegram No. 2564 dated July 17th. His Majesty's Government have no objection to Philby being sent to United Kingdom provided precautions can be taken to ensure that he does not slip away en route. I will telegraph further as regards your paragraph No. 2. We must be careful to avoid any justifiable criticism of the treatment of him and despite Ibn Saud's opinion I would hesitate to say his conduct hitherto warrants his being treated as a mental patient immediately on arrival in India. Might it not be wiser to wait and see how he behaves? Under which Defence of India Rule would you propose to arrest him?

Your telegram No.545 dated July 17th.

In view of instructions contained in last sentence
of paragraph 3 of Secretary of State's telegram No.3918 of
July 16th Government of India trust that Political Agent,
Bahrain will take no action to invalidate Philby's passport
in the manner proposed. It is important that nothing
should be done which might cause him to bolt back into
Arabia.

2. Ibn Saud's estimate of mental derangement, if con-
veyed in right quarters, should reduce Philby's capacity for
mischief in Bahrain.

2. Ibn Saud has sent me a message to the effect that he has reason to believe that Philby has in his luggage letters and articles of anti-British tone which he will try to smuggle out at Bahrain through friends. He feels that His Majesty's Government may think it wise to have his luggage searched.

Philby he says is a friend of his but interests of Great Britain take precedence with him before his personal friendships.

2. If Philby's luggage is searched at Bahrain without his being arrested we consider it likely that he will take fright and remain in Arabia. In view of facts now disclosed we consider subject to His Majesty's Government's concurrence that he should be arrested on arrival at Bahrain cf. paragraph No.2 of our telegram No.2467 dated July 17th and his luggage seized. He should then be sent to India on first available British ship directions being given to master to ensure that he does not disembark en route. If necessary Political Agent, Bahrain could perhaps find an escort to accompany him.

Government of India telegram No.2681 dated July 14th
I am advised that it is doubtful whether under
powers _____ Persian Gulf Defence Regulation 6 of 1939
a deportee could be compelled to go to a particular
destination if he elects to go elsewhere. In these
circumstances it is in any case preferable that no
action should be taken against Philby till he reaches
India. Consequently it is desirable to avoid any act
that might deter him from his intention of proceeding
of his own accord to India and we should therefore refrain
from searching his luggage in Bahrain even at the risk
that he may dispose of some of his papers there.

2. Philby arrived here yesterday and is leaving on Thursday for India by slow mail due Karachi 7th or 8th August.
3. His luggage underwent normal somewhat perfunctory Customs search here and no letters were found.
4. I am informed Philby has been for years and still is on California Arabian Standard Oil Company's pay roll. At his request they have allotted him one of their reservations by S.S. "President Adams" from India (? Ceylon) to United States of America.
5. By arrangement he is staying here in Bapco Manager's house which facilitates surveillance.

Philby sailed by S.S. "Bankura" to-day. Ship probably arrives Karachi August 10th. His behaviour here was harmless.

I gather he intends disembark Karachi with object of going by rail to Bombay to catch S.S. "President Adams".

HARRY ST. JOHN BRIDGER PLILBY

Holds passport No.395768, issued at London on the
27th November 1937.

Born Ceylon, 3rd April, 1885

Height, 5 ft. 8 ins.

Colour of eyes, blue

Colour of hair, brown.

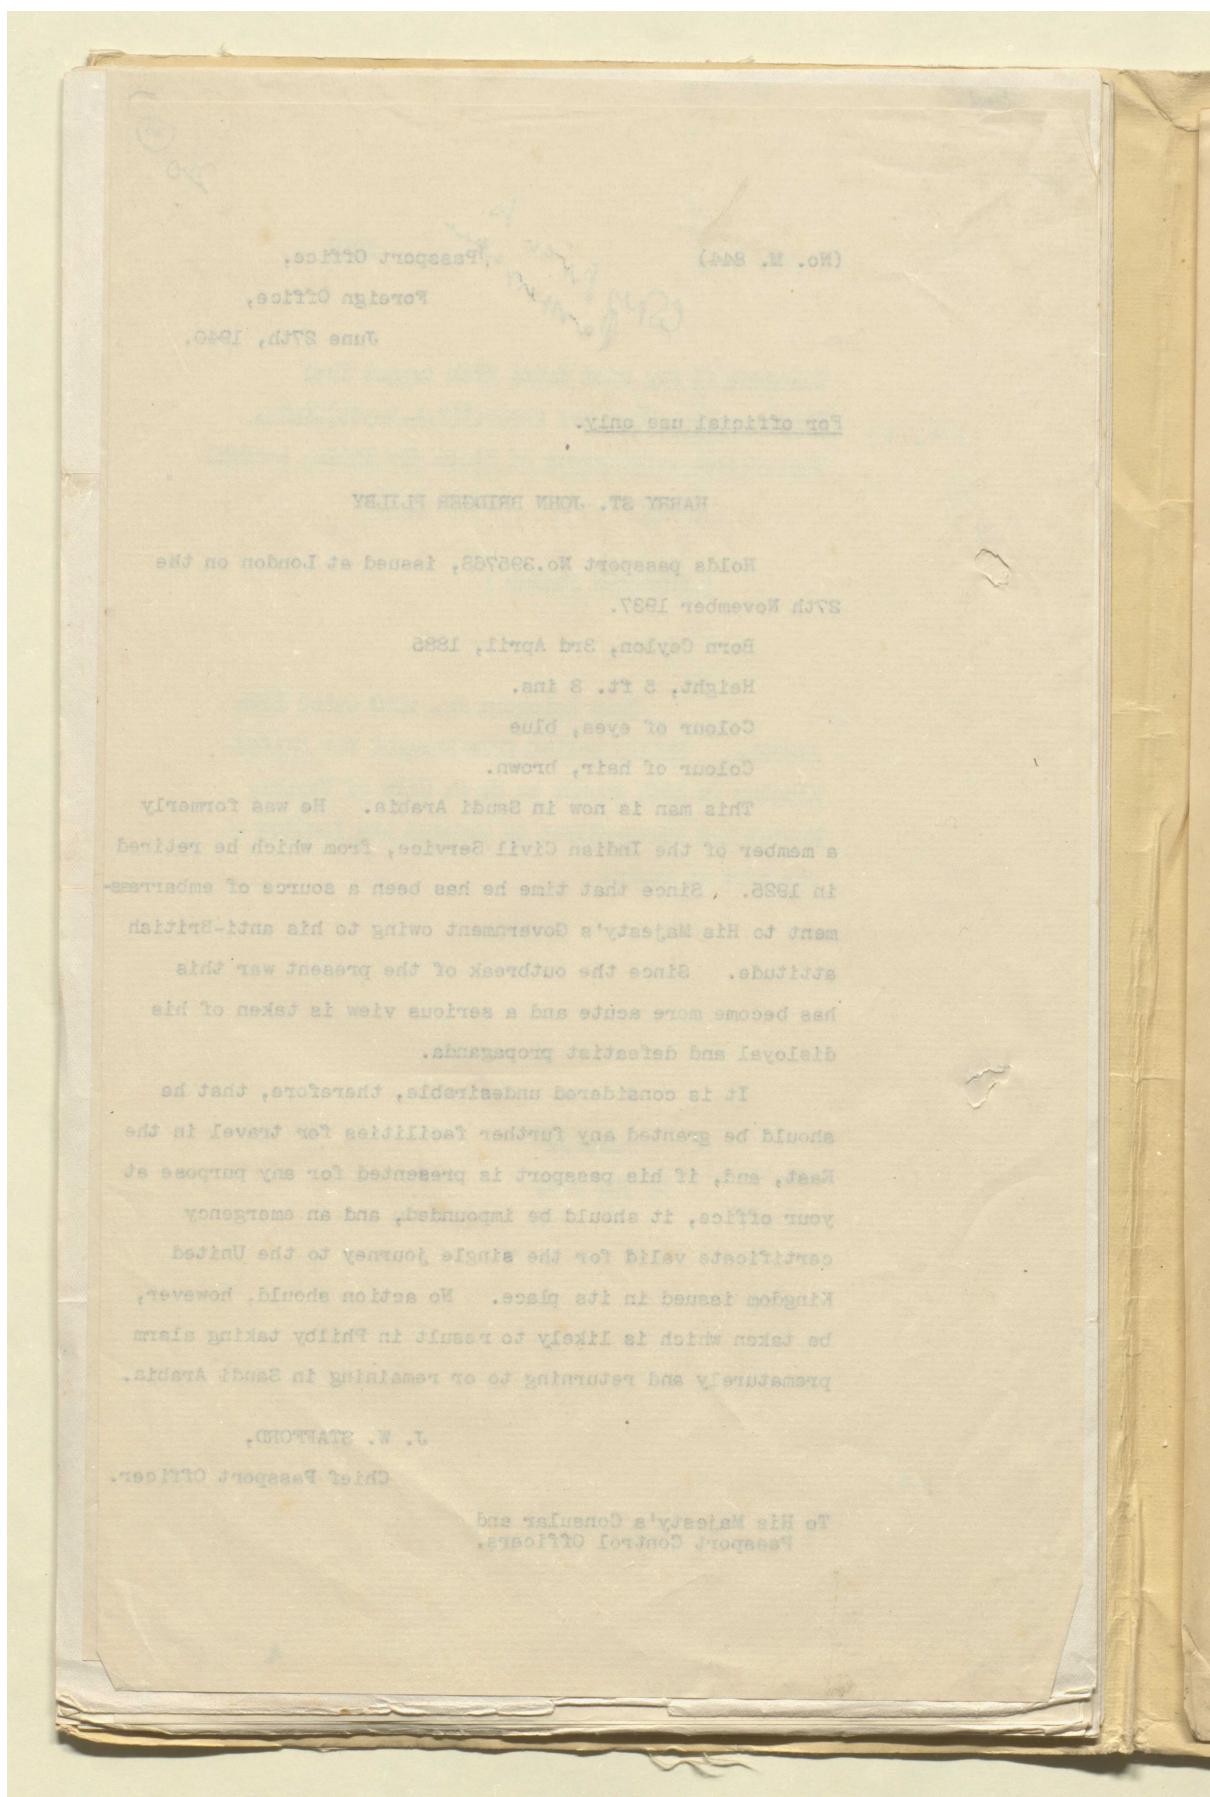

This man is now in Saudi Arabia. He was formerly a member of the Indian Civil Service, from which he retired in 1925. Since that time he has been a source of embarrassment to His Majesty's Government owing to his anti-British attitude. Since the outbreak of the present war this has become more acute and a serious view is taken of his disloyal and defeatist propaganda.

It is considered undesirable, therefore, that he should be granted any further facilities for travel in the East, and, if his passport is presented for any purpose at your office, it should be impounded, and an emergency certificate valid for the single journey to the United Kingdom issued in its place. No action should, however, be taken which is likely to result in Philby taking alarm prematurely and returning to or remaining in Saudi Arabia.
