### حول هذا السجل

يبدأ الملف بنشرة سرية (برقم مرجعي S-279 لعام ١٩٣٩) من ترنشارد كرافن وويليام فاو (المقيم السياسي في الخليج)، بتاريخ ٣٠ مارس ١٩٣٩ من المقيمة البريطانية والقنصلية العامة ببوشهر. النشرة موجهة إلى الوكلاء السياسيين بالبحرين والكويت ومسقط وتطلب منهم إرسال ملخصات أسبوعية لأي مواد إخبارية تتعلق بمناطقهم تكون قد وردت في البث العربي لمحطات الإذاعة الأجنبية.

يتكون الجزء الأكبر من الملف من عدد من الملخصات الإخبارية باللغة الإنجليزية لنشرات عربية تعبر في أغلبها عن آراء مناهضة لبريطانيا، وكان قد تم بثها من محطات إذاعة أوروبية وشرق أوسطية إلى المستمعين في دول الخليج. معظم الملخصات مأخوذة عن راديو برلين وتتضمن أخبار عن هجرة اليهود إلى فلسطين الواقعة تحت السيطرة البريطانية، وأخبار عن برقية سلام من الرئيس روزفلت إلى هتلر في ١٤ أبريل ١٩٣٩. يوجد أيضاً ملخصان موجزان عن فلسطين من وجهة النظر

البريطانية وقد أخذنا عن إذاعة إمباير سيرفيس (أو راديو دافينتري) المنتمبة لهيئة الإذاعة  
البريطانية (البي بي سي) بانجلترا.

يظهر الرقم المرجعي 'a/25.1' على برقيتين في الملف (ff.17-18). وهو يعود على ملف ذو صلة في  
نفس السلسلة. توجد أيضًا إشارة إلي جزء بعينه من الملف في ملاحظة بخط اليد على غلاف الملف  
نصها: "رجاء مراجعة ملف a/25-III.1 للمراسلات المستقبلية". ولكن يبدو أن ذلك الجزء من الملف  
قد ضاع أو تلف.

weeks, it was difficult to understand all that was said.

Sensational broadcast and  
in Arabic  
from Berlin

24/4/39

The night before last (24.4.39) when I was sitting at the Radio <sup>struck upon a</sup> ~~of Paris~~ strange, unusual voice broadcasting in Arabic in the vicinity of 31 metre where Germany, Italy & Berlin all come with a slight twist of the wave band. & the voice was never heard before me on the Radio. The accent was new & the delivery quite uncommon to me. ~~Paris~~ I thought that - it - was one of the unauthorised broadcasts <sup>alleged to have been</sup> relayed from Syria some time ago. But it was reported also last night - when it - was revealed that - Berlin "was speaking". I did not - hear the Arabic portion but the summary of what I heard is given below. This morning I enquired from my friends & they informed me that they <sup>also heard</sup> had been hearing Berlin last night & their friends heard even night before last - but they did not - get the news in time & therefore nothing is known about the broadcast - of night before last - (24.4.39). ~~They~~ <sup>They</sup> only heard that - Hitler's reply to President Roosevelt's speech will be broadcast - in Arabic on 24.4.39 simultaneously with the German broadcast.

Berlin began broadcasting in Arabic since the evening of 25th April. On that evening the broadcast was mostly about Palestine and Syria, and most of the messages, about 5 or 6 in number, are to be from Baghdad. An announcement was also made about Hitlers' speech on the 28th as taking place at 12 O'clock and that all German factories and works will stop for 90 minuits to listen to the speech.

Last evening the broadcast was also about Palestine and Syria but in addition a great deal was devoted to the Dubai disturbances which they said were caused by the British.

On both evenings I have missed listening to it but many of those who listened say that they have recognised the voice of the announcer as that of a certain Yunus Bahrai better known as "As-Sayih el-Iraqi" i.e. the Iraqi Traveller who, as his title signifies, is said to have travelled a great deal and is a newspaper correspondent and was some months ago Radio announcer at Baghdad. Mention was made of some Oman Shaikhs by name. Qatar and nine Oman states which were spoken about as being "The ten protectorates" (British Protectorates) were mentioned. P.A's air trip to Dubai was also mentioned as being for the purpose of protecting British Indians. It was also said that great disturbances are expected to happen there

Something like the following was also said:-

"Some newspapers write that Germany has promised Turkey that in the event of war Germany will try to return Syria, Palestine, Iraq and other parts of Arabia to Turkey. These reports are false and have been started by the British to create hatred for Germany in Arab countries."

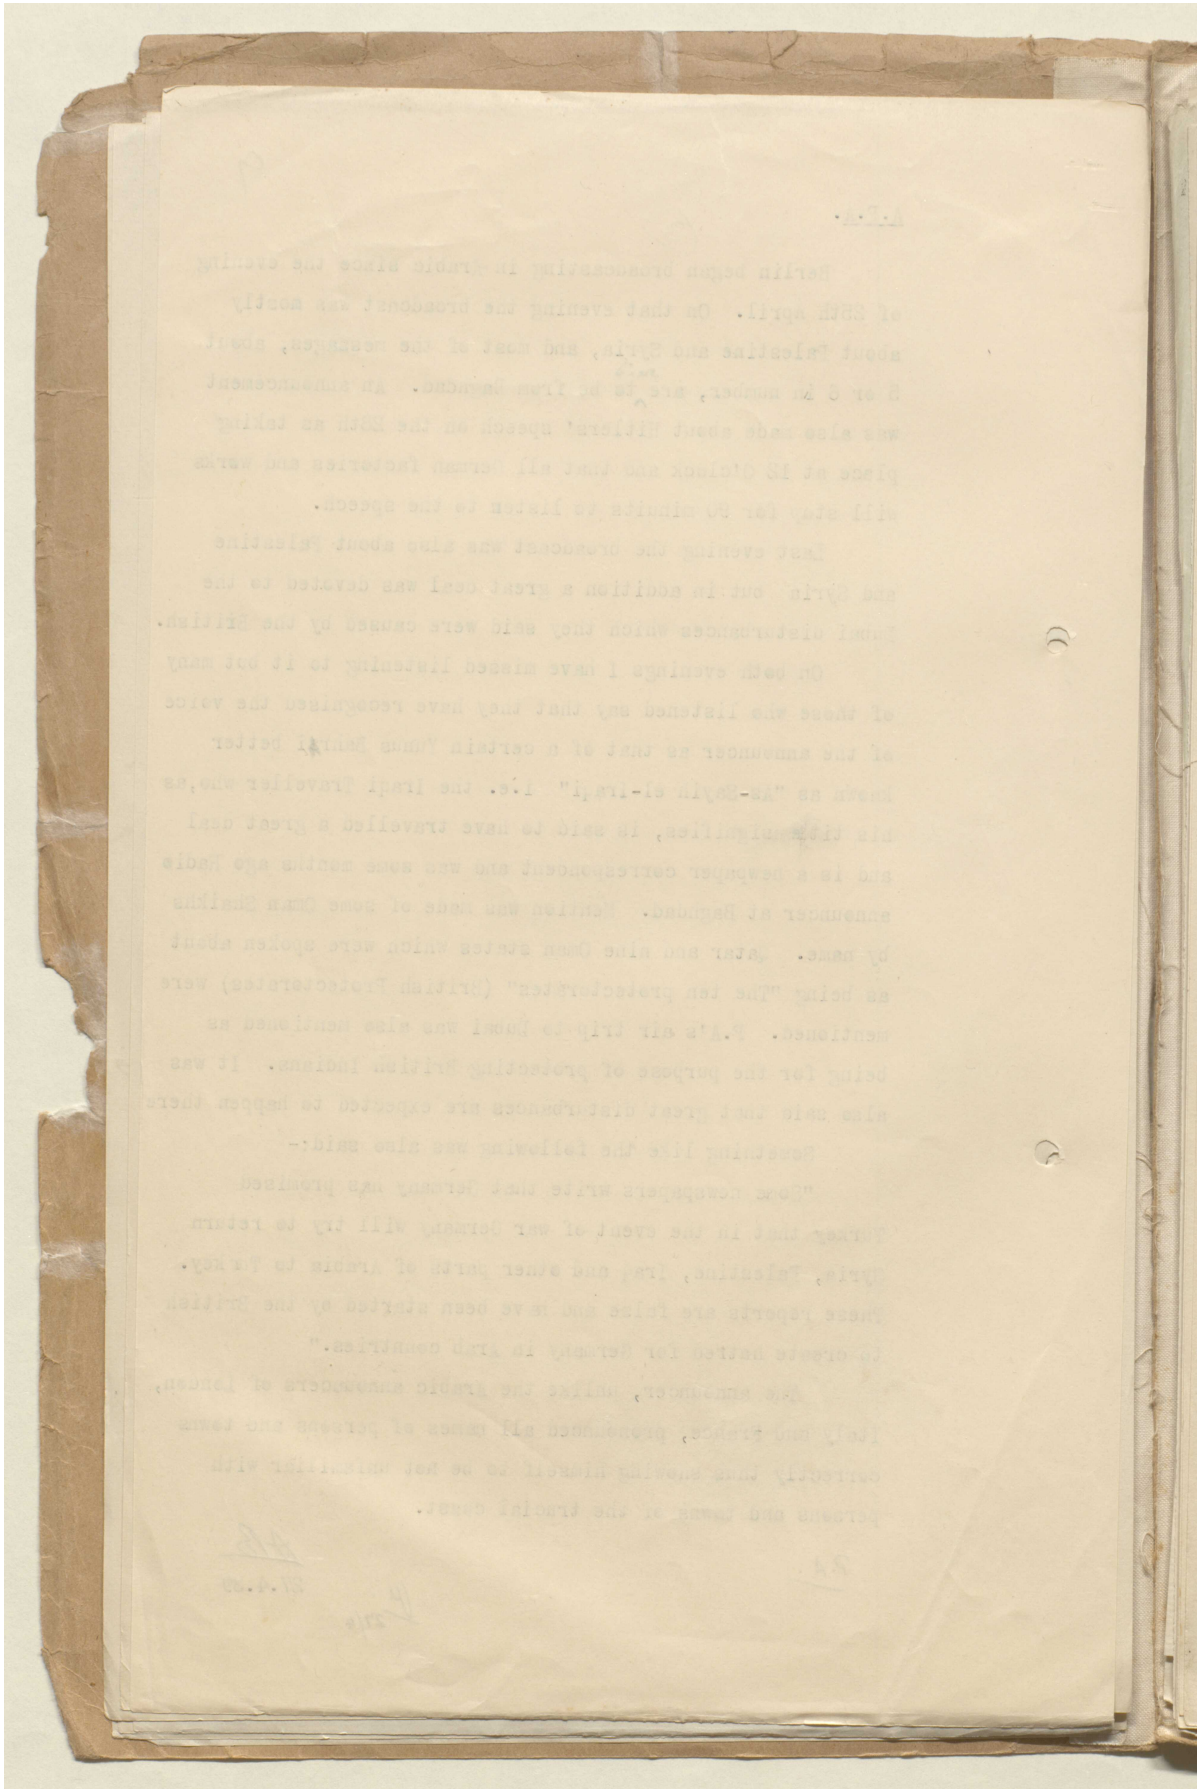

The announcer, unlike the Arabic announcers of London, Italy and France, pronounced all names of persons and towns correctly thus showing himself to be not unfamiliar with persons and towns of the trucional coast.

Report on foreign Arabic broadcasts  
for the week ending 29th April 1939.  
.....

No. 2 of 1939

BAGHDAD :-

Indistinct reception on the 23rd April, to the effect that as in the days of Turkish rule the Gulf States were attached to Iraq the Iraqi Home Minister is seeking means of taking action against the Shaikh of Kuwait for killing three persons and imprisoning members of the Majlis in "Iraqi" Kuwait.

BERLIN :-

(i) On the 25th April the announcer made a statement rejecting President. Roosevelt's "interference" in European politics, and attacking British policy in Palestine and India, and French policy in Syria.

(ii) He refuted a rumour that Germany intended to restore Syria, Palestine, Iraq and other Arab countries to Turkish rule, as having been started by the British to create hatred for Germany in Arabic countries.

(iii) On the 26th April, he spoke of the Dubai troubles as having been fermented by the British. He said that the Political Agent's visit was on the pretext of protecting British Indian subjects, and that by such methods the British were extending their protectorate over the Trucial Coast States (from a list of which he omitted Abu Dhabi) and Qatar.

(iv) He said that "Sir" Sultan bin Saqr had agreed to return Shaikh Mani' to Dubai, and that Shaikh Mani' had done so, his followers having been killed by Shaikh Sa'id.

Note

The announcer pronounces local names correctly - unlike the announcers from London, Italy and France - and is said to be one Yunus Bahri, an Iraqi newspaper correspondent, who was for some time an announcer on Baghdad Radio.

2. In this particular case the India Office have asked for a special telegraphic report on the reaction to German broadcasts in Arabic. It will however be useful for the India Office and the Government of India and myself to have regular reports on the effect of Arabic broadcasts from foreign stations on local public opinion in your area. You already (vide paragraph 3(a) of my Chancery letter No.388-S of 22nd April 1939 to Cairo) report fortnightly on the local effect of B.B.C. broadcasts. You should now include in this report a section on the effect of foreign broadcasts. You can use for this purpose the same local organization, i.e. the Listeners Committee, as you have for the B.B.C. broadcasts.

Radio news report for 1.5.39.

Berlin.

1. Usual news about Palestine.
2. The Jerusalem correspondent of the Times, London, reports that the Berlin Arabic broadcast did not in the least interest the Arabs in Palestine. His message was on Monday whilst the Arabic broadcast from Berlin only began on Tuesday. The broadcast has so annoyed the British that there is no wonder we find them in such confusion. The Berlin Arabic broadcast has been opened with the purpose of telling the whole world what is really going on in the Arabian countries and not as is shown through British binoculars.
4. A message from Cairo says that the French have offered the district of Aleppo in Syria to Turkey to induce her to join the democratic powers in case of war.

Italy.

1. Same as No. 4 above with the addition of the British and French instead of the French, and also "but Turkey is sympathetic with the Arabs".
2. Much resentment is felt in Egypt about the romours started by the British, French and Jews in Egypt against Italy and Germany. The Egyptian paper "Al-Misri" says that we have nothing against Italy and Germany for which we may be in enmity with them. Egypt has been asked by her ally before to make sacrifices which she did, and now she is being asked to sacrifice the blood of her youth in a war in which she has no interest. Our friendship with Britain is not that of one Government with another but of one people and another. Egypt will not agree to plunge herself into the fire of a volcano in eruption.

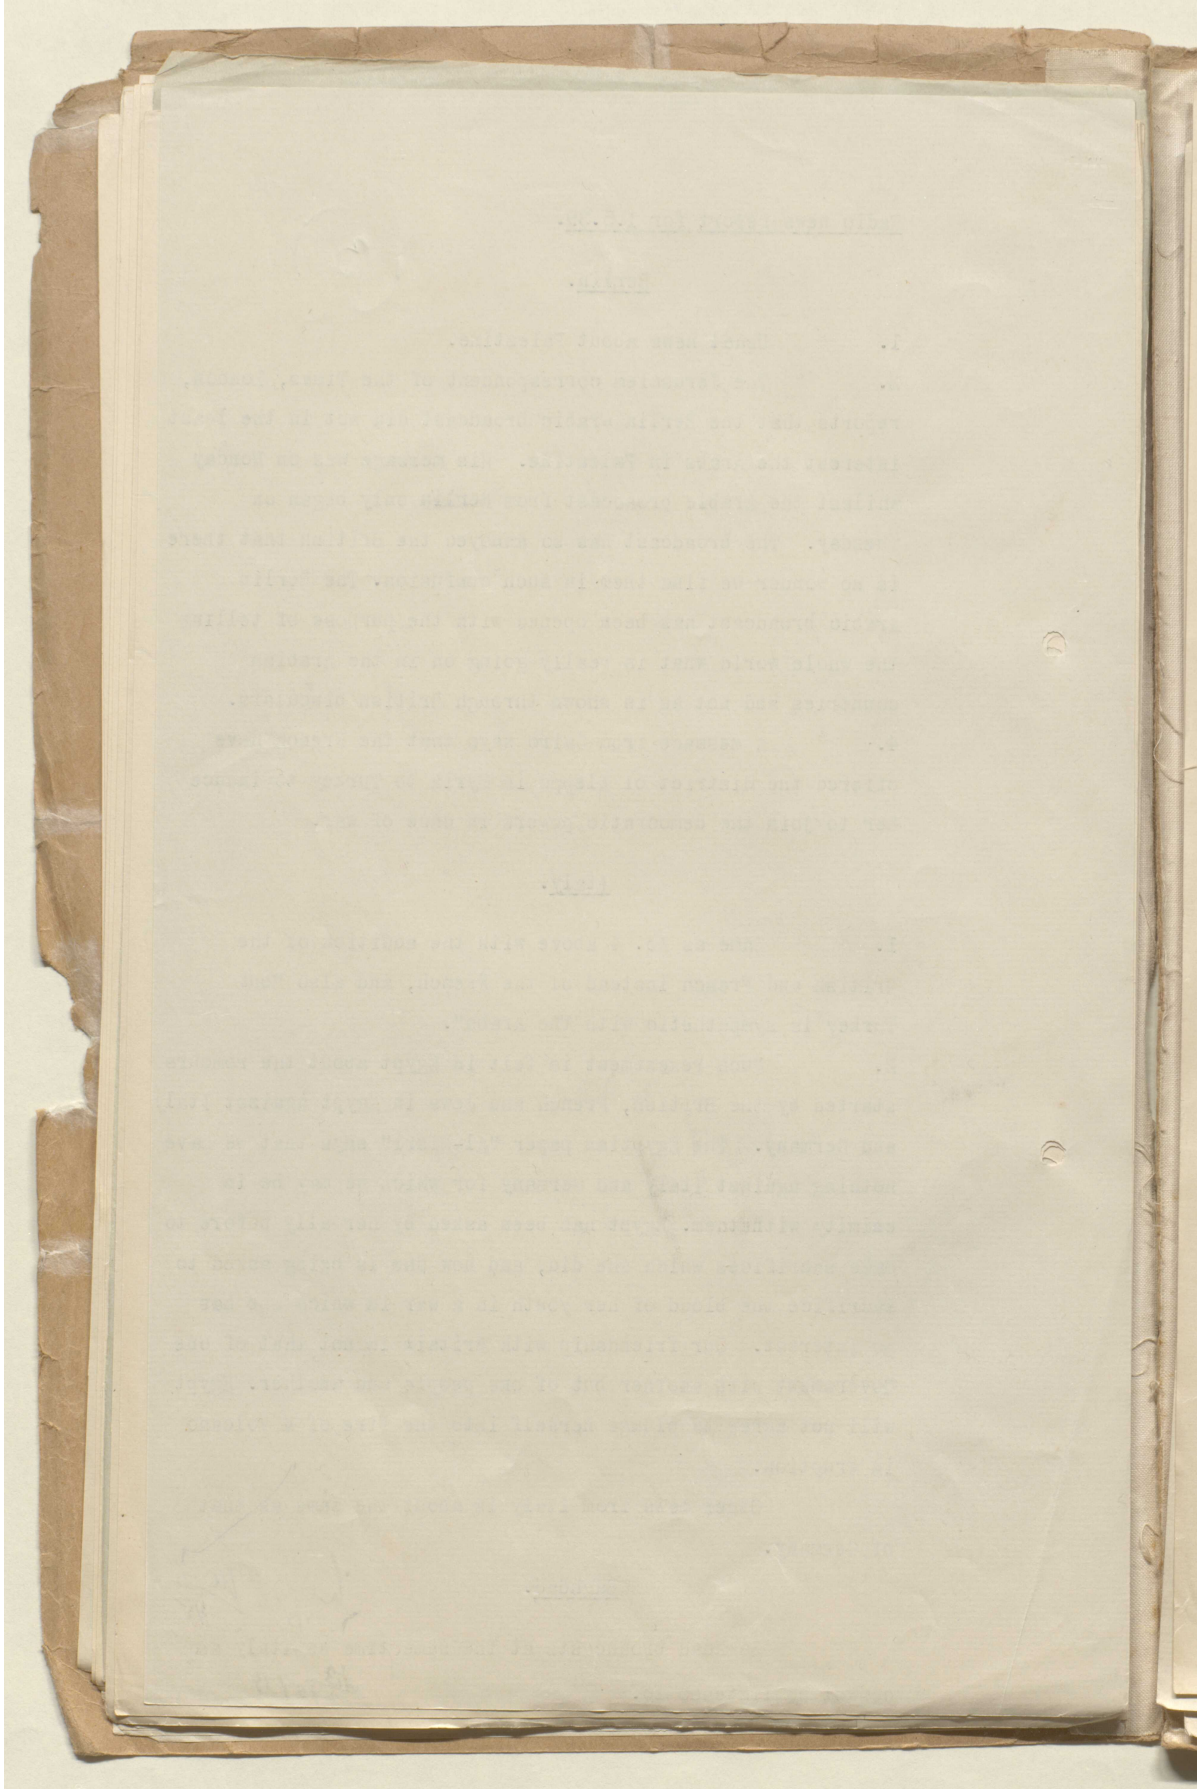

Other news from Italy is about the same as that of Germany.

Baghdad.

Baghdad broadcasts at the same time as Italy and cannot be listened to.

The announcer quoted an extract from the Turkish newspaper "Jamhuriyyat" which say that it has received a message from America saying that when the time arrived for Hitler's speech President Roosevelt went to sleep and woke up only after the speech has ended. The announcer commented that whilst history is being made in the world Rulers of democratic countries go to sleep.
