Copy Marine Despatch to Bombay
dated 15th November 1854. No. 77.

1. We have received several applications from Seamen lately serving in the Indian Navy, for payment of their Shares of the Batta granted to the Forces employed in the late Punjab War, but although the Rolls for the preparation of the Medals have long since been received, and the Medals themselves have been in course of distribution for some considerable time, we are still without any information regarding the unclaimed Shares of the Mooltan Batta.

2. John Chandler one of the Claimants, who served on board the Steam Vessel "Napier" and "Planet" having renewed his application, we desire that the amount of this share be forthwith remitted to us for payment

INDIA OFFICE

Referred to *The Accountant* 8 day of *Oct* 1876

Will the Accountant be good enough to state whether payment of the undermentioned amount appears on the Books in Dep^t?

£ 105.--.2
Rs. 1095.12. - (payable in the Rupee) being the cash donation of the 1st Battalion of the 1st Army, attached to the Indian Navy -

Careful search has been made in the Books of this Department and no trace found of any such payment as that referred to.

J. G. Canmore,
Acting Accountant

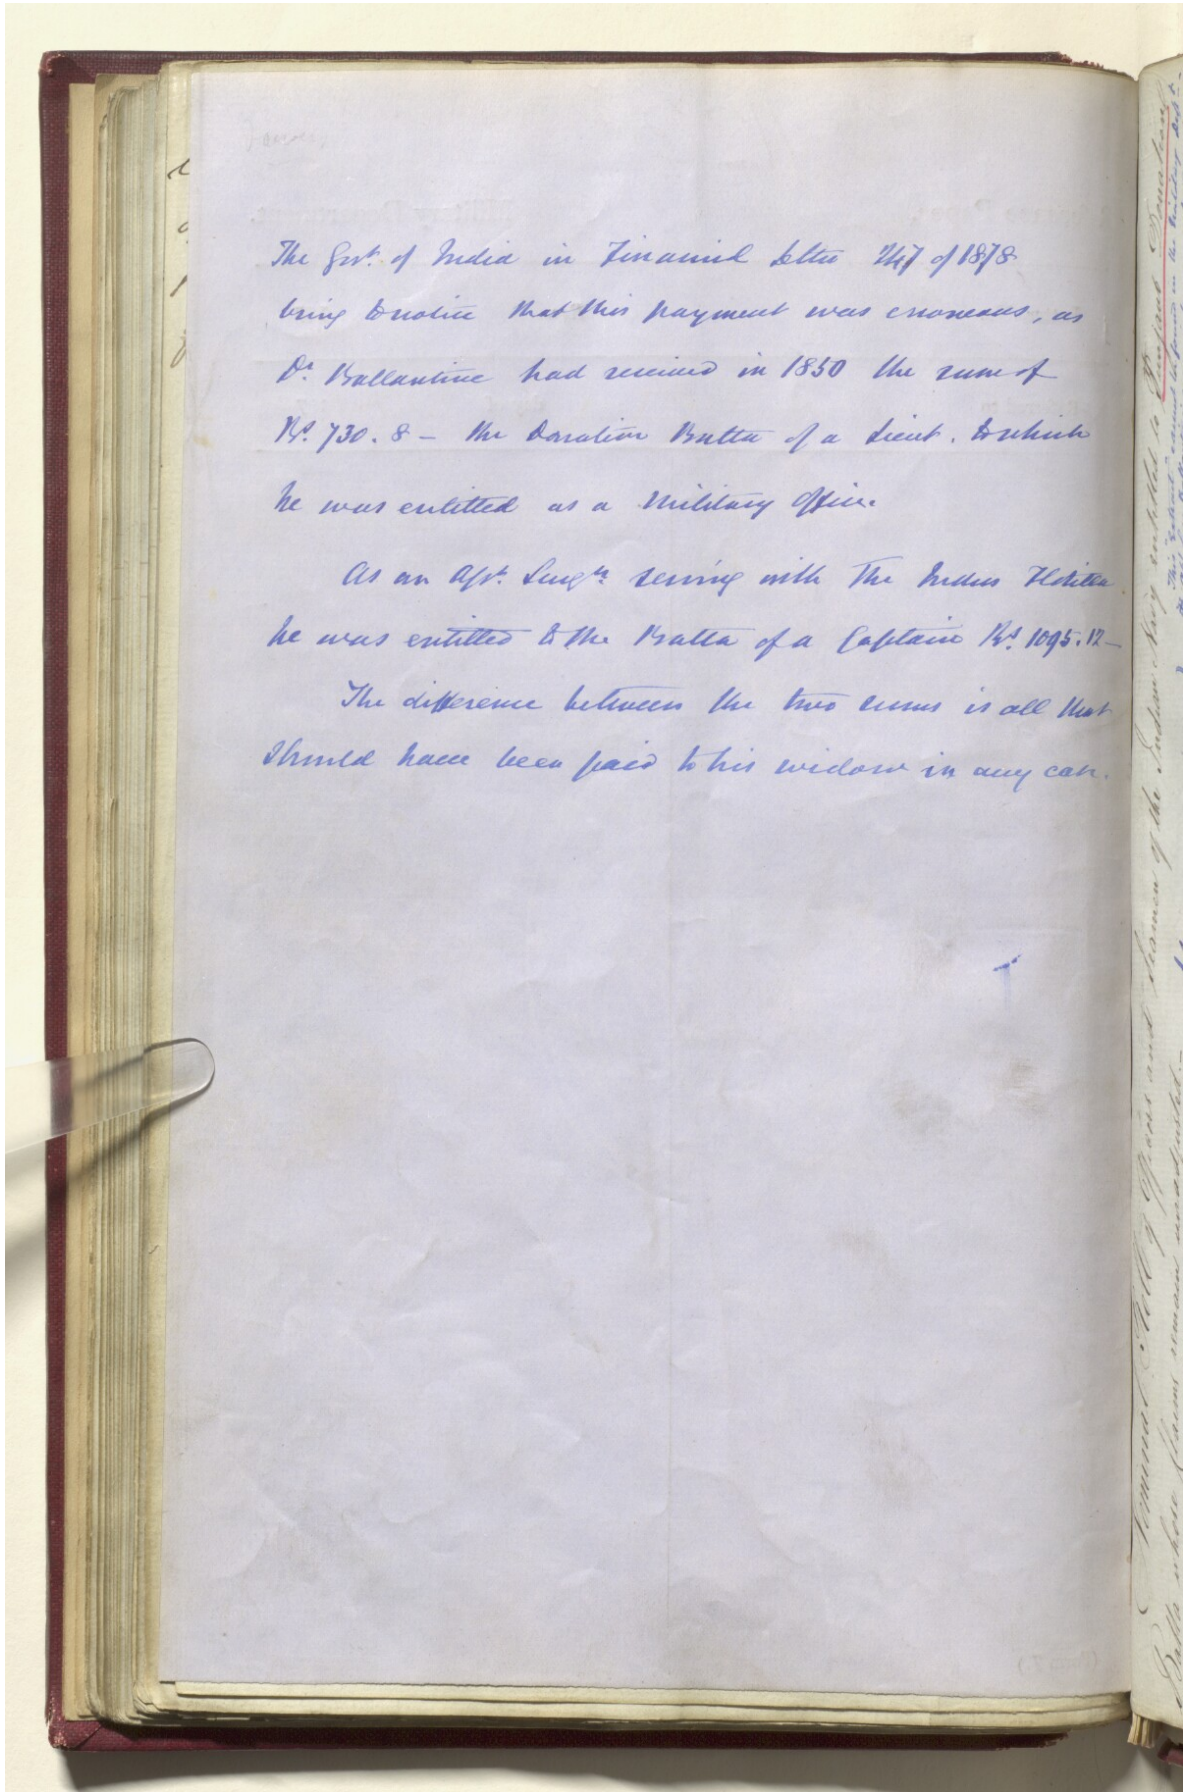

The Roll in which App^t Ballantine's name appears transmitted with Marine from Bombay No. 9 16 Feb. 1855 -

29th October 1875

J. G. Canmore

(Form 7.)

The Govt. of India in Financial letter No. 117 of 1878
bring to notice that this payment was erroneous, as
Dr. Ballantine had received in 1850 the sum of
Rs. 730. 8 - the Gratiation of a Lieut. to which
he was entitled as a Military Officer.

As an Asst. Surgⁿ serving with The Indian Flotilla
he was entitled to the Gratia of a Captain Rs. 1095. 12 -

The difference between the two sums is all that
should have been paid to his widow in any case.

Dr. Ballantine's bill of Rs. 1095. 12 is correct and should be paid to his widow. The balance of Rs. 730. 8 is to be paid to the Government of India.
