This roll has been prepared from the Muster Rolls of the several Vessels for the period of the Persian Expedition, and from the Medal Rolls received from the Commander in Chief Indian Navy.

The names of Claimants who may have served on board of more than one Vessel will be found on the List of only one Vessel... A reference to the alphabetical List of each is therefore necessary to trace them.

This Roll embraces all unclaimed shares up to the 16<sup>th</sup> September 1861 inclusive, subsequent to which dates no claims will be paid in India, save for those shares borne on the regular complement, who are indicated by the red-ink mark &c.

1. We have received several applications from Seamen lately serving in the Indian Navy, for payment of their Shares of the Batta granted to the Forces employed in the late Poonjeh War, but although the Rolls for the preparation of the Medals have long since been received, and the Medals themselves have been in course of distribution for some considerable time, we are still without any information regarding the unclaimed Shares of the Mooltan Batta.

2. John Chandler one of the Claimants, who served on board the Steam Vessels "Napier" and "Planet" having renewed his application, we desire that the amount of this share be forthwith remitted to us for payment.

The Govt. of India in Financial Letter No. 147 of 1878  
 bring notice that this payment was erroneous, as  
 D<sup>r</sup>. Ballantine had received in 1850 the sum of  
 Rs. 730. 8 - the Donation Batta of a Lieut. to which  
 he was entitled as a Military Officer.

As an Aft. Surg<sup>n</sup> serving with The Indian Flotilla  
 he was entitled to the Batta of a Captain Rs. 1095. 12.

The difference between the two sums is all that  
 should have been paid to his widow in any case.

Nominal Roll of Officers and Sailors of the Indian Navy entitled to Prizant Donations  
Batta whose claims remain unadjusted. (See note on opposite page)

This "Extract" cannot be found in the Building Dept. & # 461. Also, Ballantyne's name is written instead in the index to a book containing Prizant, Batta Rolls & papers - for copy expression against the name is to the Marine Letter from Bombay, No. 9 of 1856 transmitted by the Dept. - 17th May 1856
