Divisible Expenditure at Aden 1931-32:
disallowance by Colonial Office
of pay etc. issued to
Lieut.Col.B.R.Reilly.

Sir,

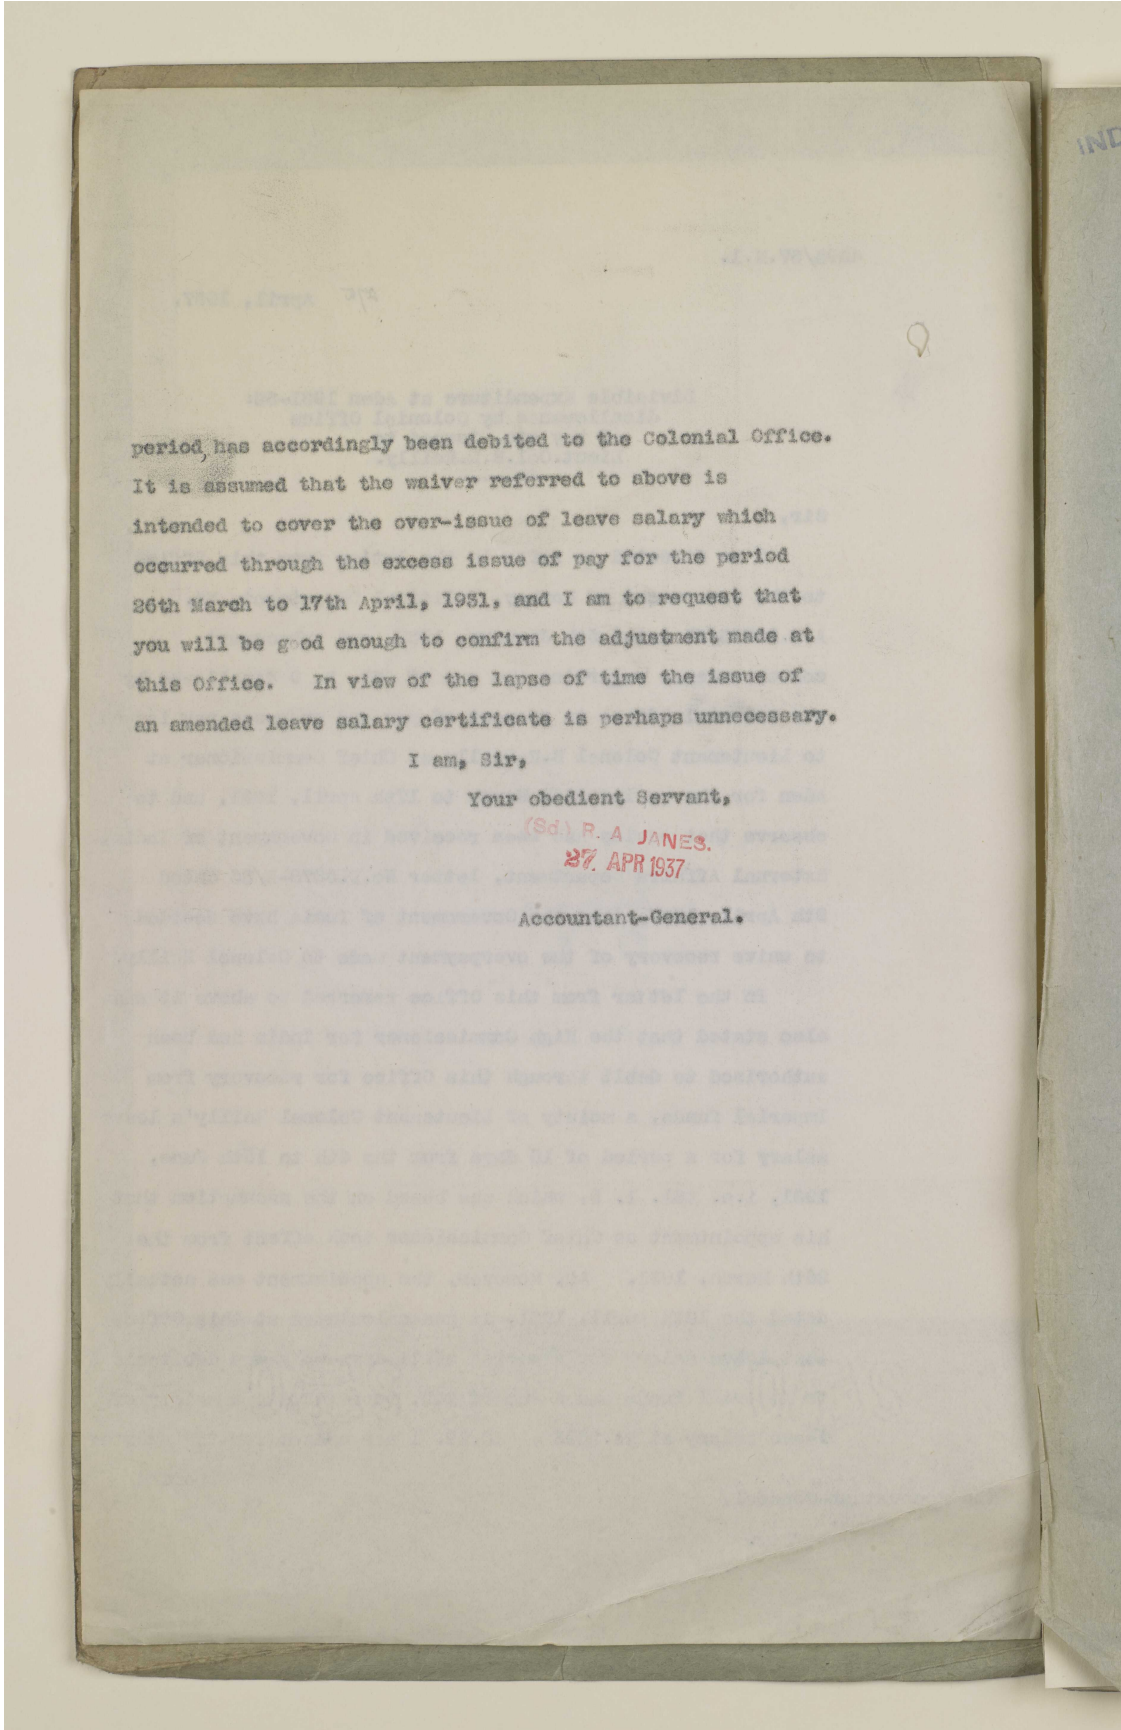

I am directed to refer to the letter from this Office to the Government of Bombay, Political Department, No. A.G.15733/31 dated 5th January, 1932, and subsequent correspondence regarding the sum of £79. 8. 9 disallowed by the Colonial Office in respect of pay and overseas pay issued to Lieutenant Colonel B.R.Reilly as Chief Commissioner at Aden for the period 26th March to 17th April, 1931, and to observe that advice has been received in Government of India, External Affairs Department, letter No.D.3878-E/36 dated 9th April, 1937, that the Government of India have decided to waive recovery of the overpayment made to Colonel Reilly.

In the letter from this Office referred to above it was also stated that the High Commissioner for India had been authorised to debit through this Office for recovery from Imperial funds, a moiety of Lieutenant Colonel Reilly's leave salary for a period of 16 days from the 4th to 19th June, 1931, i.e. £61. 1. 9, which was based on the assumption that his appointment as Chief Commissioner took effect from the 26th March, 1931. As, however, the appointment was actually dated the 18th April, 1931, it was calculated at this Office that leave salary for a period of 11 days only was debitable to Imperial funds and a sum of £42, representing a moiety of leave salary at Rs.2695 + £26.19. 1 per mensem for the shorter period/

The disallowance by the Colonial Office of the claim based on the full pay as Resident of Col. Reilly for the period 26th March to 17th April 1931 discussed in the reference at A.G. 3645/32 flagged A below has not yet been adjusted. It appears from the Political Department file returned herewith that no report of the action taken by the Government of India has reached this Office. Can steps be taken to ensure that the matter is regularised at an early date?

Dear Boyd,

Will you please refer to my letter of 3rd March about Sir Bernard Reilly's extension at Aden.

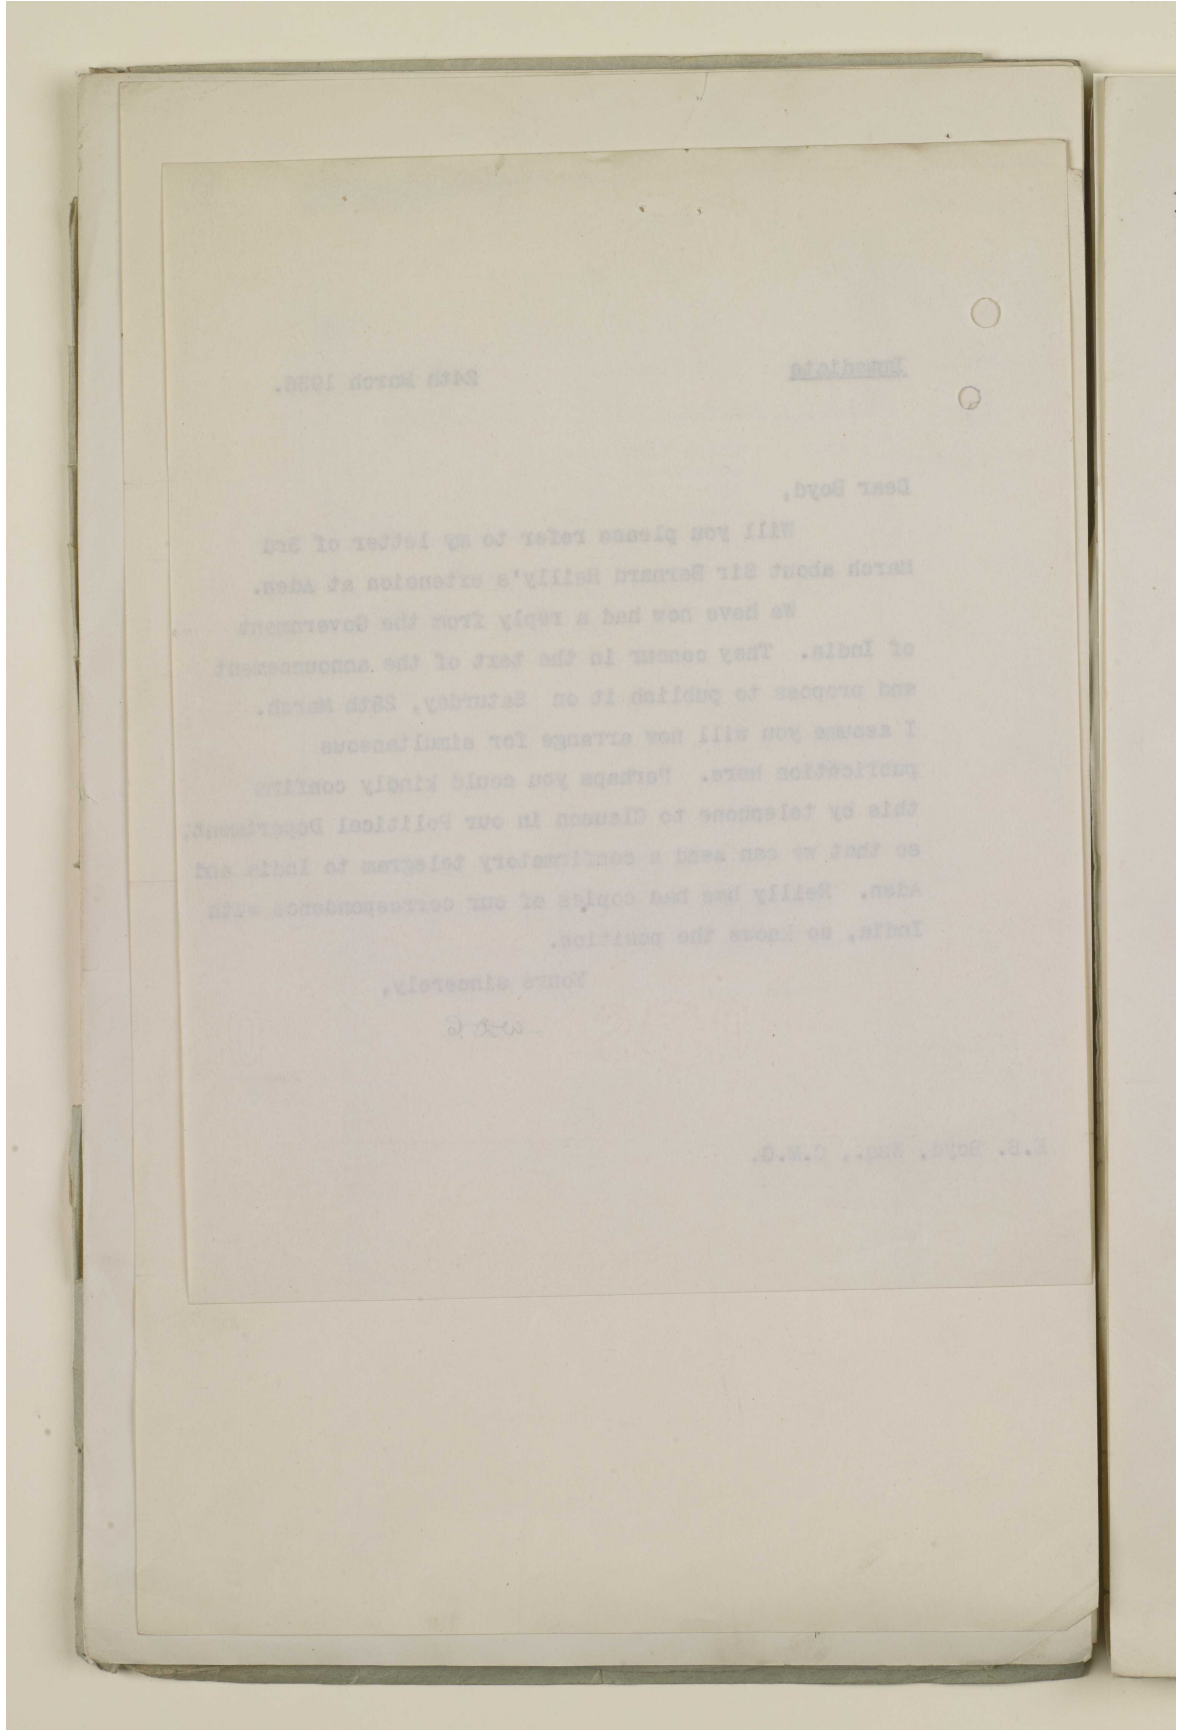

We have now had a reply from the Government of India. They concur in the text of the announcement and propose to publish it on Saturday, 28th March. I assume you will now arrange for simultaneous publication here. Perhaps you could kindly confirm this by telephone to Clauson in our Political Department, so that we can send a confirmatory telegram to India and Aden. Reilly has had copies of our correspondence with India, so knows the position.

Yours sincerely,

My dear Reilly,

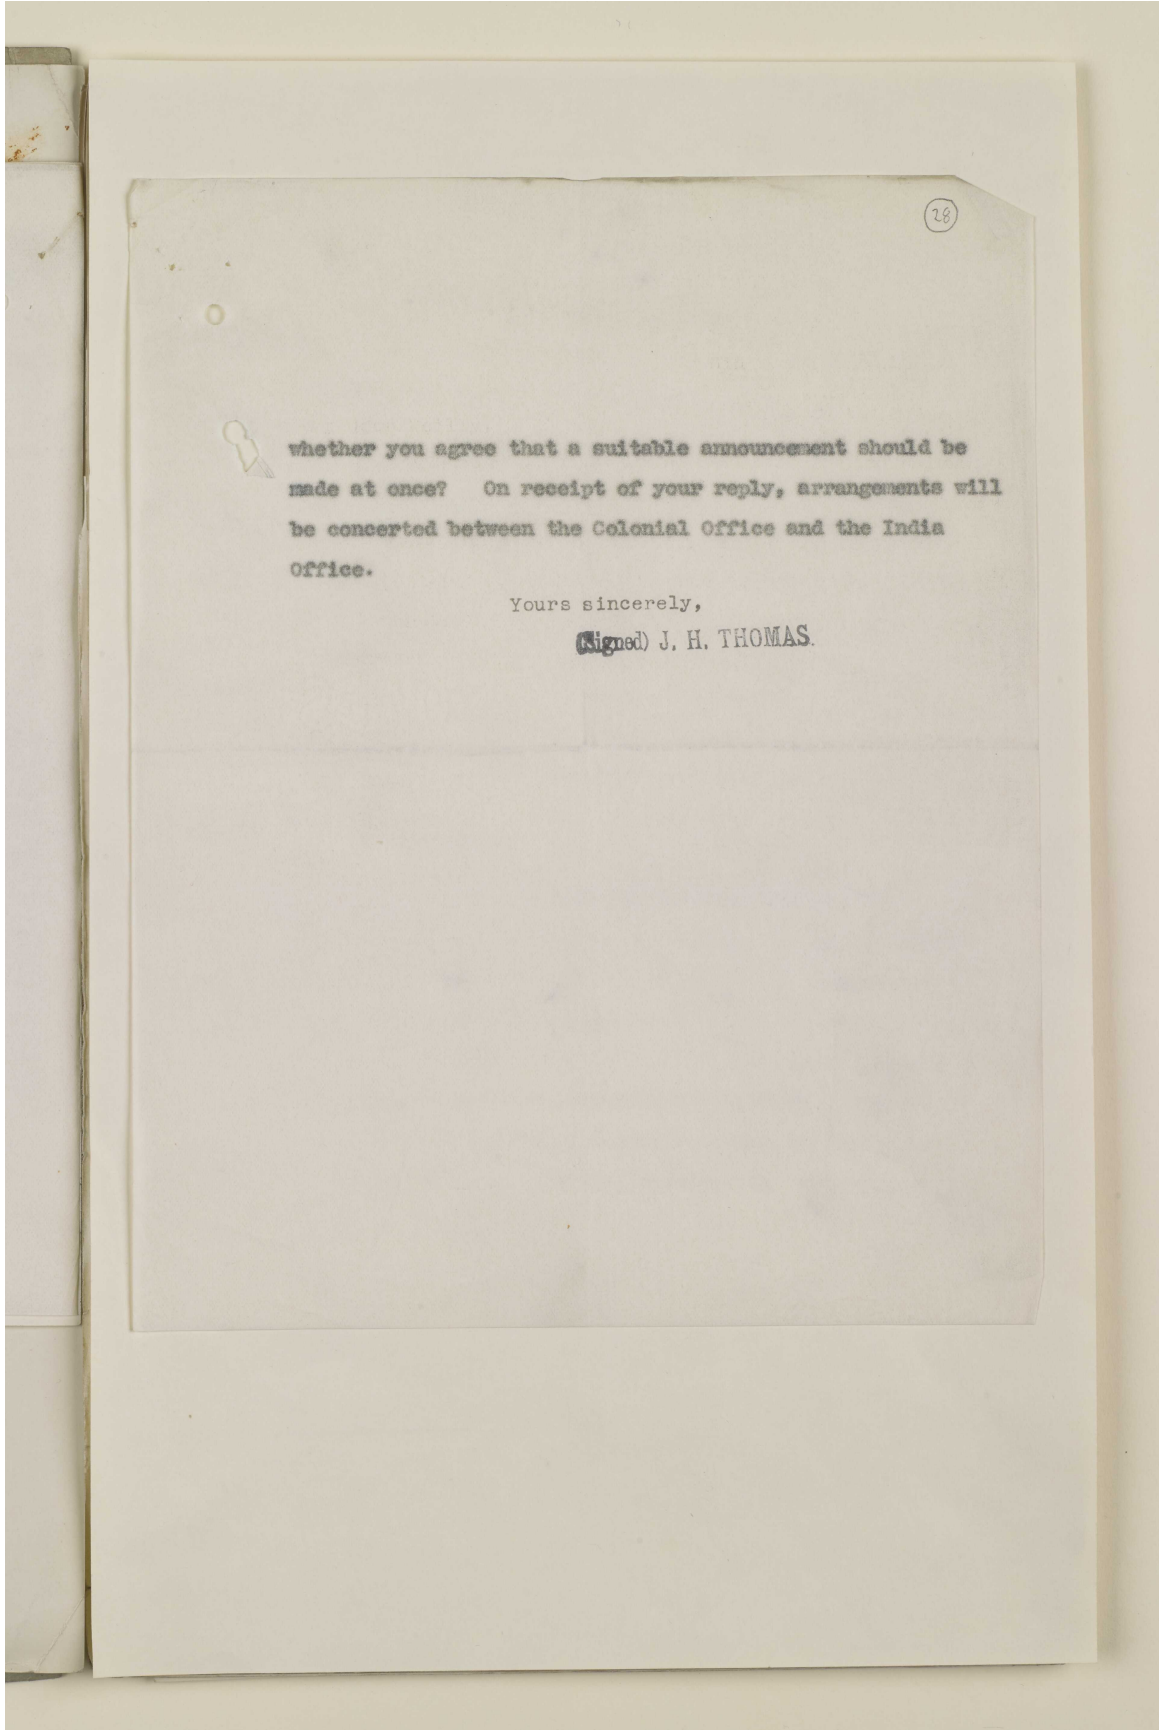

When you were on leave last summer discussions took place regarding the extension of your appointment as Resident and Chief Commissioner to cover the transitional period before and after the transfer of the Aden Settlement from the Government of India to His Majesty's Government. I understand that you will be pleased to remain as Resident and Chief Commissioner for this period and my predecessor welcomed the proposal. It has now been ascertained that the Government of India are also agreeable to the suggestion and His Majesty the King has given his approval for the extension of your appointment.

The matter is therefore now settled, and I may say that I am in entire agreement with my predecessor's views that it will be of great assistance to have the benefit of your services at Aden during the transfer period. The next stage is for a public announcement to be made regarding the extension of your appointment. This announcement would be made simultaneously in India, Aden and this country. Will you be good enough to let me know whether

INDIA OFFICE,
WHITEHALL, S.W. 1.
29th August, 1935.

My dear Acheson,

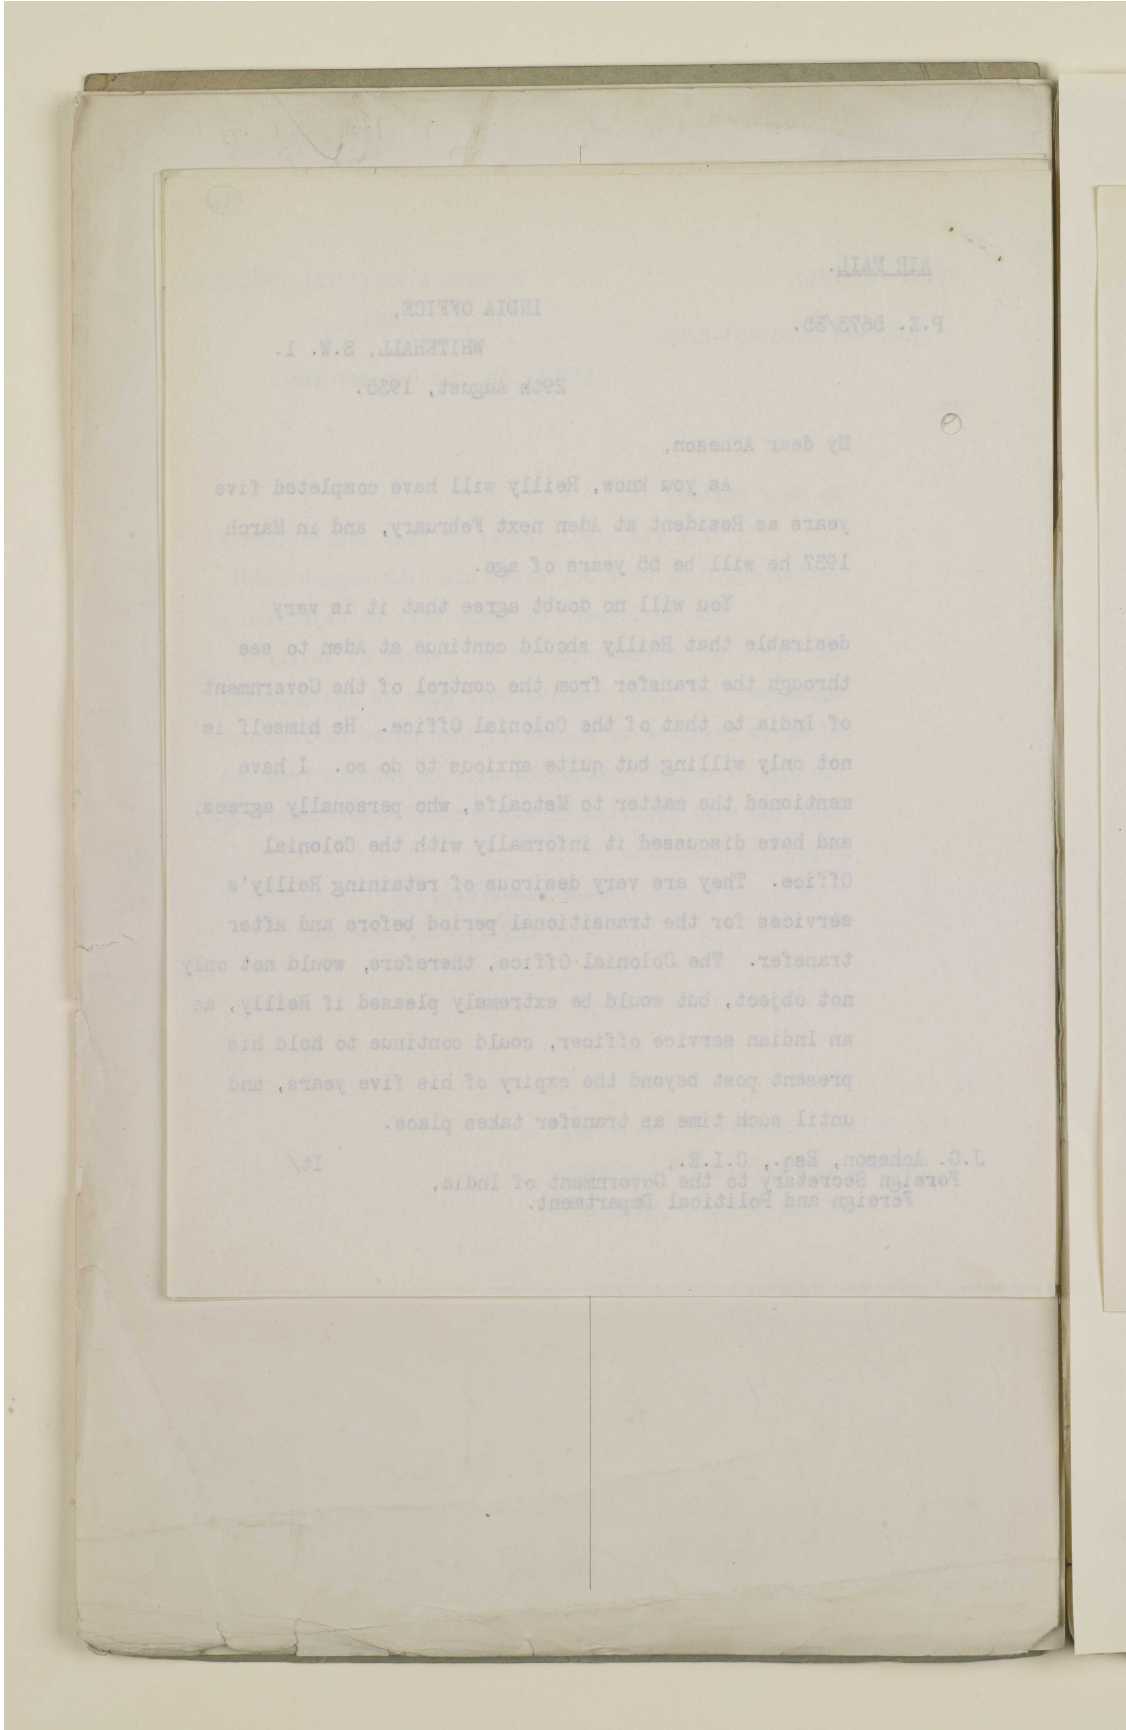

As you know, Reilly will have completed five years as Resident at Aden next February, and in March 1937 he will be 55 years of age.

You will no doubt agree that it is very desirable that Reilly should continue at Aden to see through the transfer from the control of the Government of India to that of the Colonial Office. He himself is not only willing but quite anxious to do so. I have mentioned the matter to Metcalfe, who personally agrees, and have discussed it informally with the Colonial Office. They are very desirous of retaining Reilly's services for the transitional period before and after transfer. The Colonial Office, therefore, would not only not object, but would be extremely pleased if Reilly, as an Indian service officer, could continue to hold his present post beyond the expiry of his five years, and until such time as transfer takes place.

J.G. Acheson, Esq., C.I.E.,

It is expected, I understand, that provincial autonomy will come into being about April 1937, and this would seem to be the most convenient date also for the transfer of Aden. You will remember that Sir Samuel Hoare stated in the House of Commons on 9th April 1935 that "it is our intention to bring the change into operation at or about the same time as provincial autonomy". If for any reason the date of provincial autonomy, and consequently of transfer, were retarded for a brief period beyond the end of March 1937, it might be necessary to relax the 55-year rule for a month or two in Reilly's favour, but presumably this does not constitute a serious obstacle. On transfer taking place the Colonial Office would appoint Reilly as the first Governor. He would thus be in charge both before and immediately after transfer to supervise the manifold practical arrangements, small and great, which have to be made to ensure a smooth transition.

Could you very kindly let me know as soon as possible whether you agree, so far as the Government of India are concerned, to Reilly remaining at Aden until the date of transfer?

August, there will apparently be plenty of time to consider the practical details of the administrative change, if it does not take place till the date of provincial autonomy. The Colonial Office, I understand, contemplate consideration of these details, perhaps by a small committee, when Reilly is at home next summer and this would appear to be the best procedure. Meanwhile we can go on preparing the material for such consideration. In a letter to Fraser-Tytler of 25th August 1933 I enclosed a note of an earlier tentative discussion. Perhaps you could let me have in due course the information which will be required from the Government of India on two points (Nos. 2 and 4) in that note.

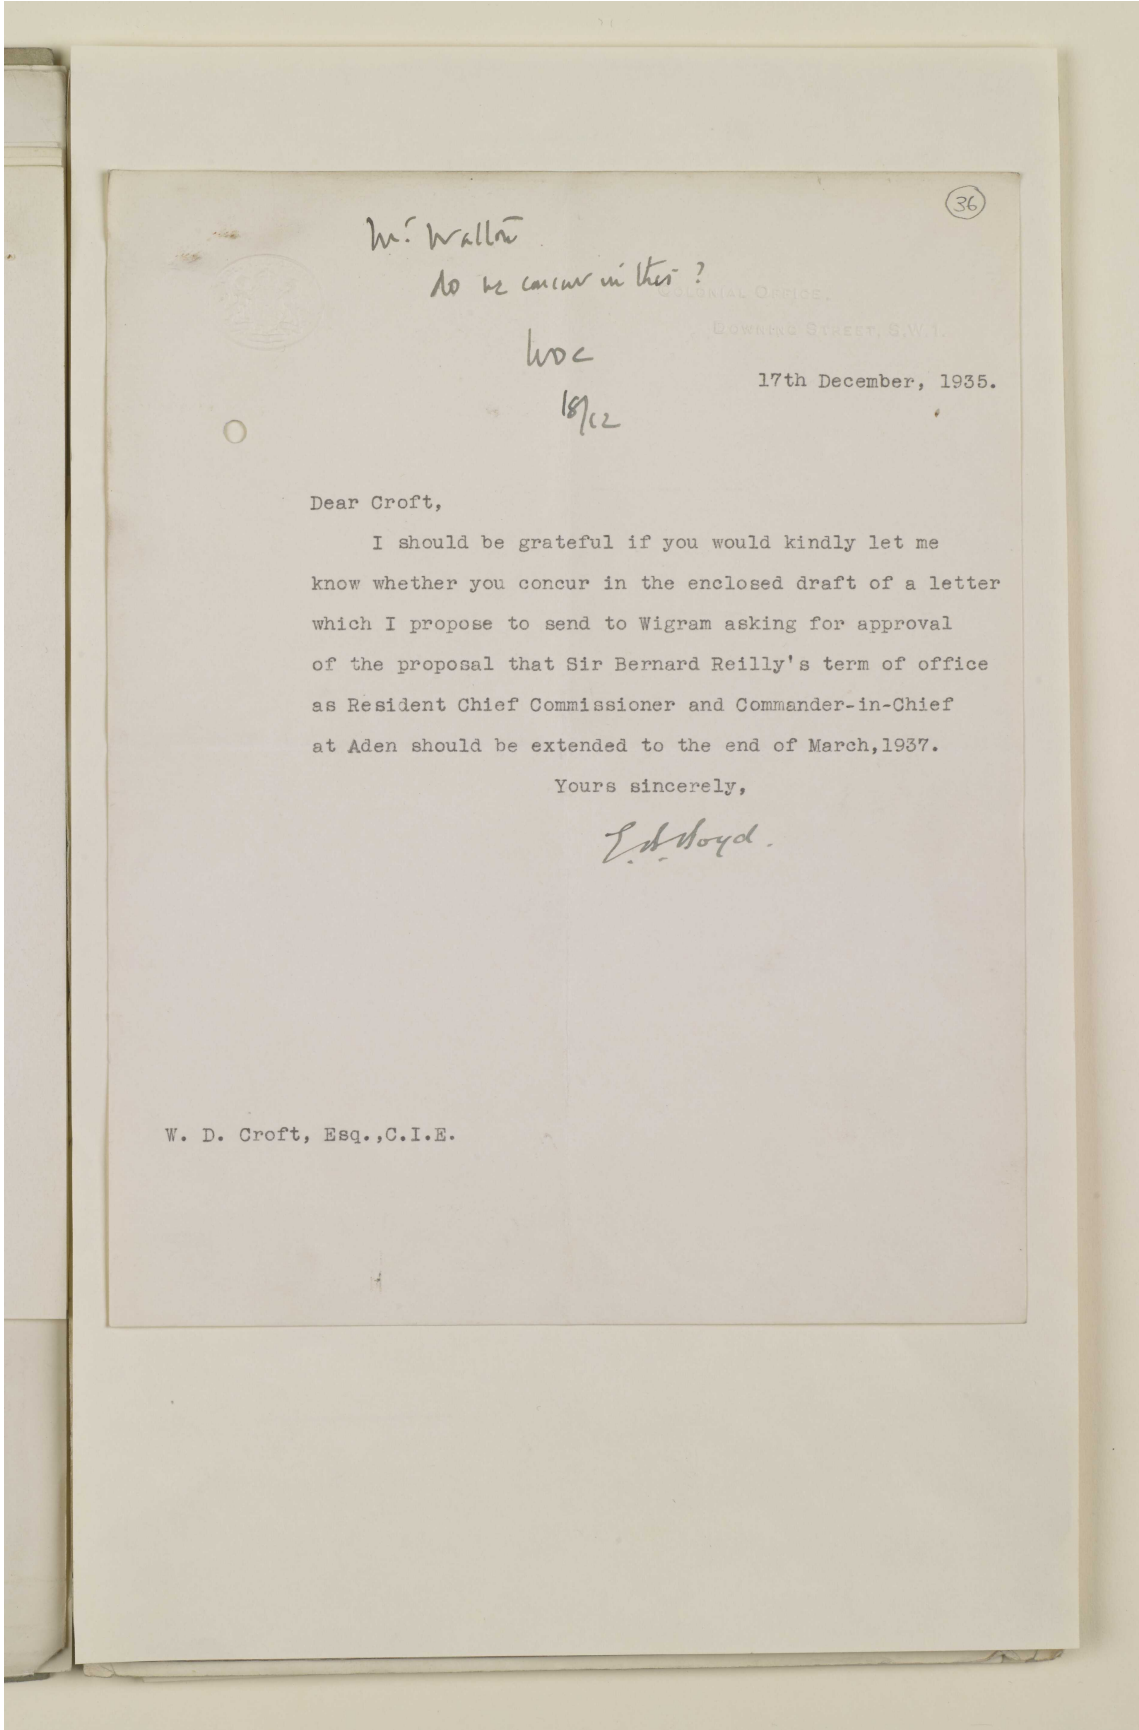

Yours sincerely,

December, 1935.

Dear Wigram,

In February, 1931, the King approved the appointment of Lieutenant-Colonel B.R. Reilly, C.I.E., O.B.E., (now Lieutenant-Colonel Sir Bernard Reilly, K.C.M.G., C.I.E., O.B.E.) as Resident Chief Commissioner and Commander-in-Chief at Aden. The normal term of appointment for this post is five years and Sir Bernard Reilly's tenure will terminate on the 17th April, 1936.

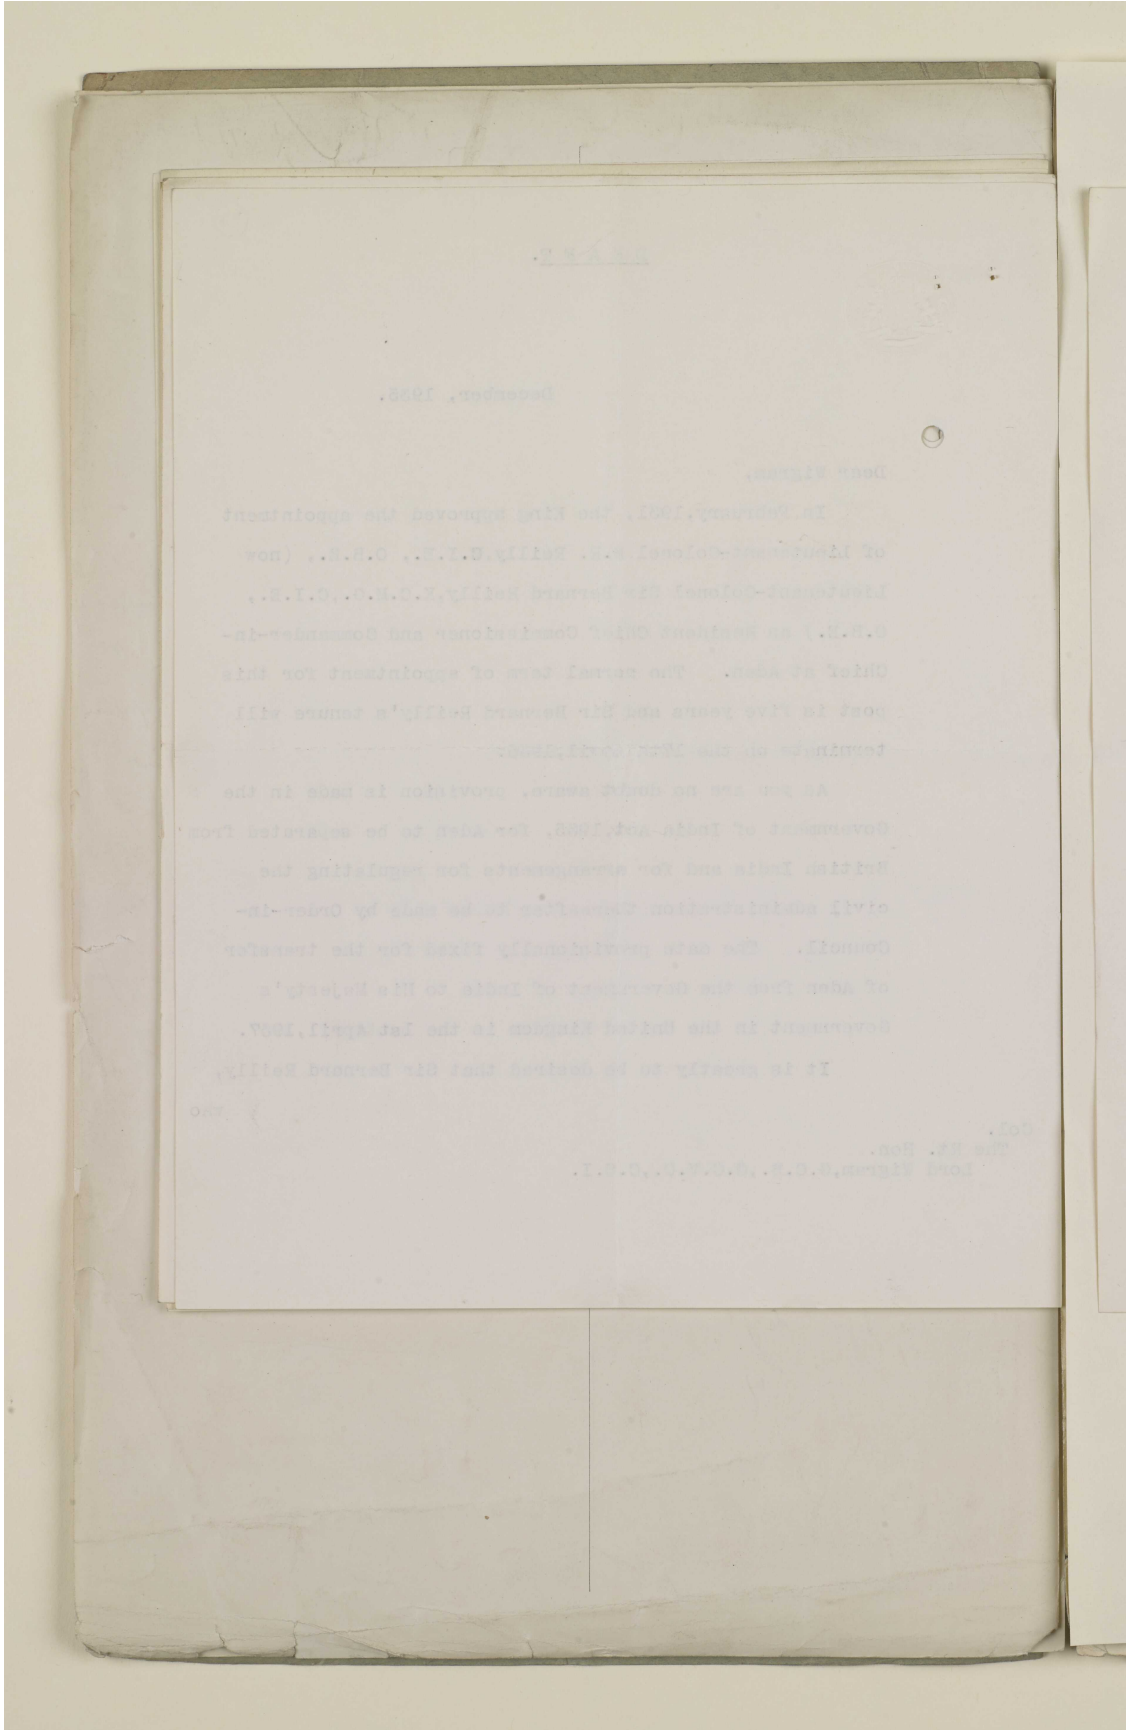

As you are no doubt aware, provision is made in the Government of India Act, 1935, for Aden to be separated from British India and for arrangements for regulating the civil administration thereafter to be made by Order-in-Council. The date provisionally fixed for the transfer of Aden from the Government of India to His Majesty's Government in the United Kingdom is the 1st April, 1937.

It is greatly to be desired that Sir Bernard Reilly,

who has given excellent service in Aden and has the most intimate knowledge of the territory and its administration, should continue to be in charge of affairs at Aden during the transitional period, that is, both before and after the transfer is effected.

As a first step it is necessary to make arrangements covering the period up to the end of March, 1937, and Mr. Thomas will be grateful if you will be so good as to ascertain whether the King approves the extension of Sir Bernard Reilly's appointment as Resident Chief Commissioner and Commander-in-Chief at Aden from the 18th April, 1936, to the 31st March, 1937. Both the Government of India and the Secretary of State for India agree to this proposal.

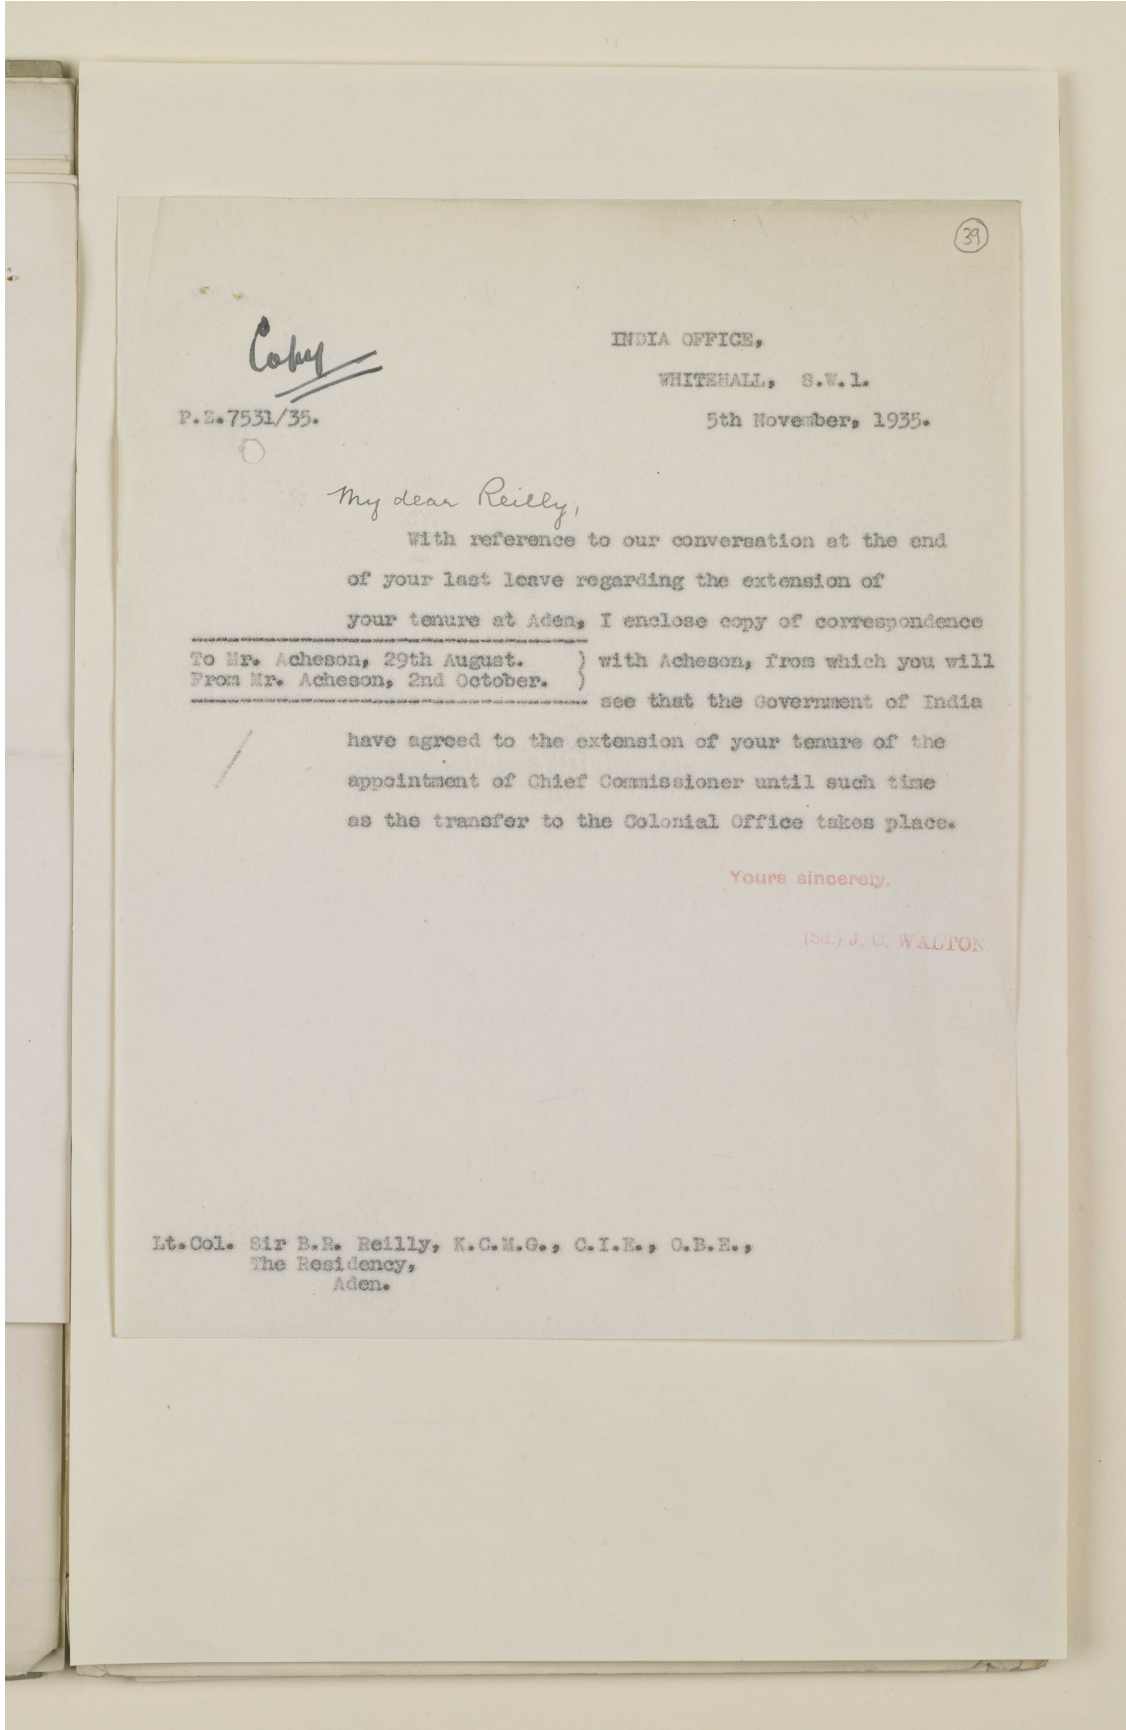

It is the Secretary of State's intention to propose Sir Bernard Reilly's appointment as the first Governor of Aden when it has become a Colony on transfer, but this is a matter which will be taken up at the appropriate time.

Yours sincerely,

Draft Paper. P.Z.1741/32 Department.

Foreign Secretary to the Government of India.

APR 1932
APR 1932

Sir,

With reference to the correspondence ending with the Secretary of State's telegram of the 23rd April 1931, No.1343, I am directed to enclose a copy of correspondence exchanged between the Government of Bombay, the Accountant General, India Office, and the Colonial Office on the subject of the emoluments paid to Lieut.-Col. Reilly for the period from 26th March to 17th April 1931.

To C.O.d/- 29.9.31 (para.1) (w.encls)
From " " 11.12.31 (paras.1 & 2 & encl.)

To G. of Bom. d/- 5.1.32 (para.1)
From G. of Bom. d/- 26.2.32 (para.1)

2. It will be observed that the Secretary of State for the Colonies is not prepared to accept liability for £79.3.9 in respect of the pay drawn by Col.Reilly as Resident during this period, on the ground that his substantive appointment took effect from 18th April, 1931, and that until that date he should have drawn officiating pay. The Government of Bombay however contest the Colonial Office view on the ground that Col. Reilly did in fact perform the duties of Resident alone from March 26th and that Lieut.-Col. Wightwick received charge of the duties of First Assistant Resident from the same

مجموعة ١/١ "المقيم البريطاني في عدن: تعيين خليفة للسير ج. س. سايمز"
[٤٨ظ] (٢١٢/٩٦)

same date.

3. Whatever arrangements were actually made locally at the time it appears to the Secretary of State impossible to avoid the conclusion that in view of the terms of the Colonial Office Despatch to the Resident dated the 13th April, 1931, (of which a copy was sent to you in the weekly letter dated 16th April), as amended by Colonial Office telegram of the 21st April No.17 (copy sent in the weekly letter dated 30th April), Lieut.Col. Reilly was only entitled to draw pay as Resident on and from April 18th 1931. If any local arrangements were made before the receipt of definite information as to the date of Sir Stewart Syme's vacation of the post, they should have been adjusted on receipt of the Despatch and amending telegram.

4. In these circumstances the Secretary of State assumes that the Government of India will agree with him that it would be fruitless to contest the matter further with the Colonial Office, and would be glad to learn in due course the action taken by them in the matter.

A.G. No. 3645/32.

Referred to Political Secretary. 17th March, 1932.

For observations on the first paragraph of the attached letter from the Govt. of Bombay dated 26th February. The point seems to be not what Lt. Col. Reilly was actually doing but rather what he should have been doing, and when the Colonial Office letter vide flag A was received it appeared that that Department's view was incontestable. If Sir S. Symes was entitled to enjoy leave from the appointment up to 17th April, 1931, the appointment of Lt. Col. Reilly prior to and including that date ought presumably to have been on an officiating basis only. This Department's letter to the Govt. of Bombay is flagged B.

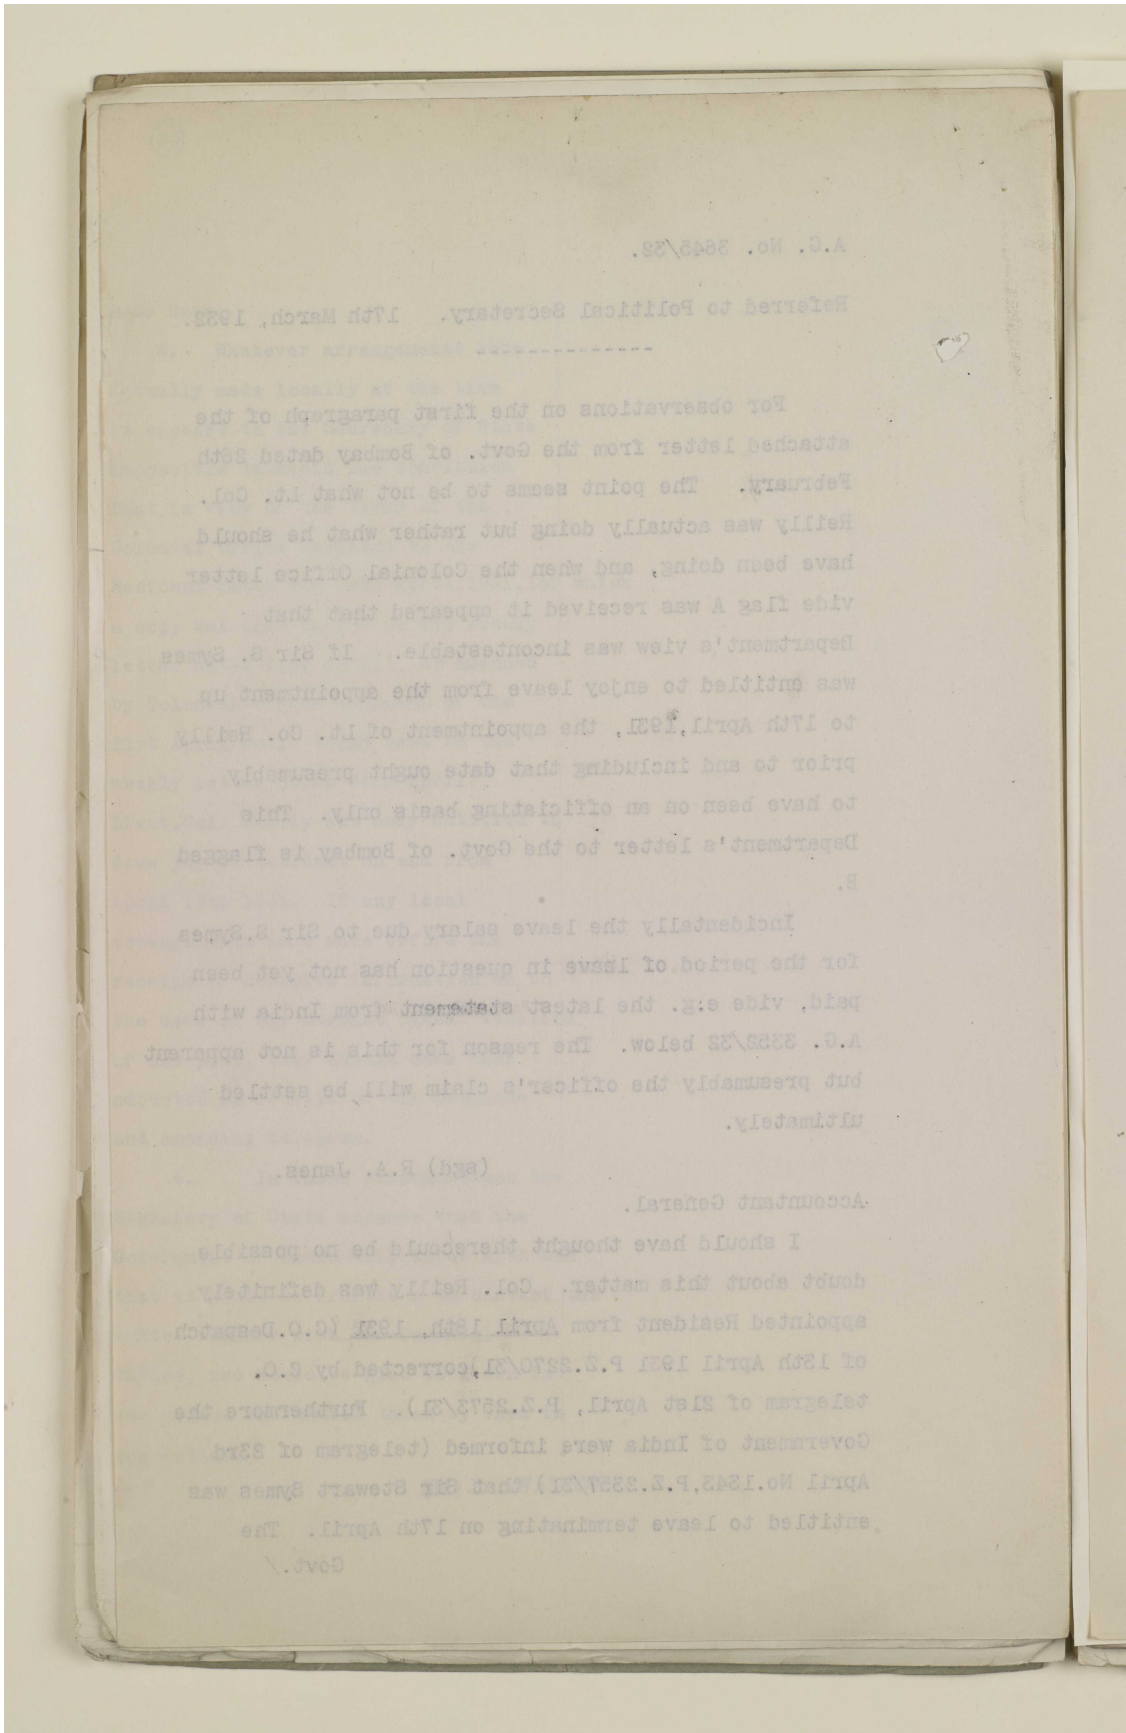

Incidentally the leave salary due to Sir S. Symes for the period of leave in question has not yet been paid, vide e.g. the latest statement from India with A.G. 3352/32 below. The reason for this is not apparent but presumably the officer's claim will be settled ultimately.

(sgd) R.A. Jenes.

Accountant General.

I should have thought there could be no possible doubt about this matter. Col. Reilly was definitely appointed Resident from April 18th, 1931 (C.O. Despatch of 13th April 1931 P.Z. 2270/31), corrected by C.O. telegram of 21st April, P.Z. 2573/31). Furthermore the Government of India were informed (telegram of 23rd April No. 1343, P.Z. 2357/31) that Sir Stewart Symes was entitled to leave terminating on 17th April. The
Govt./

Govt. of Bombay do not explain why Col. Wight^{wick}~~inch~~ received charge on the 26th March, but it would seem that a mistake was made, or that action was taken prematurely, and that the matter should now be adjusted. Presumably, in practice, ~~the taking over~~ charge was a mere formality, and that from the time when Sir S.Symes went on leave Col. Reilly was in fact doing the Resident's job and Col. Wight^{wick}~~inch~~ was in fact doing the 1st Assistant's job.

There does not seem to be any case for pressing the Colonial Office to revise their view - as presumably it is not possible to pay two Residents at the same time. It seems hard on Col. Reilly, if it means that a recovery would be made from him, but there is no doubt that he was informed definitely of the date of his appointment.

(sgd) J.C. Walton.

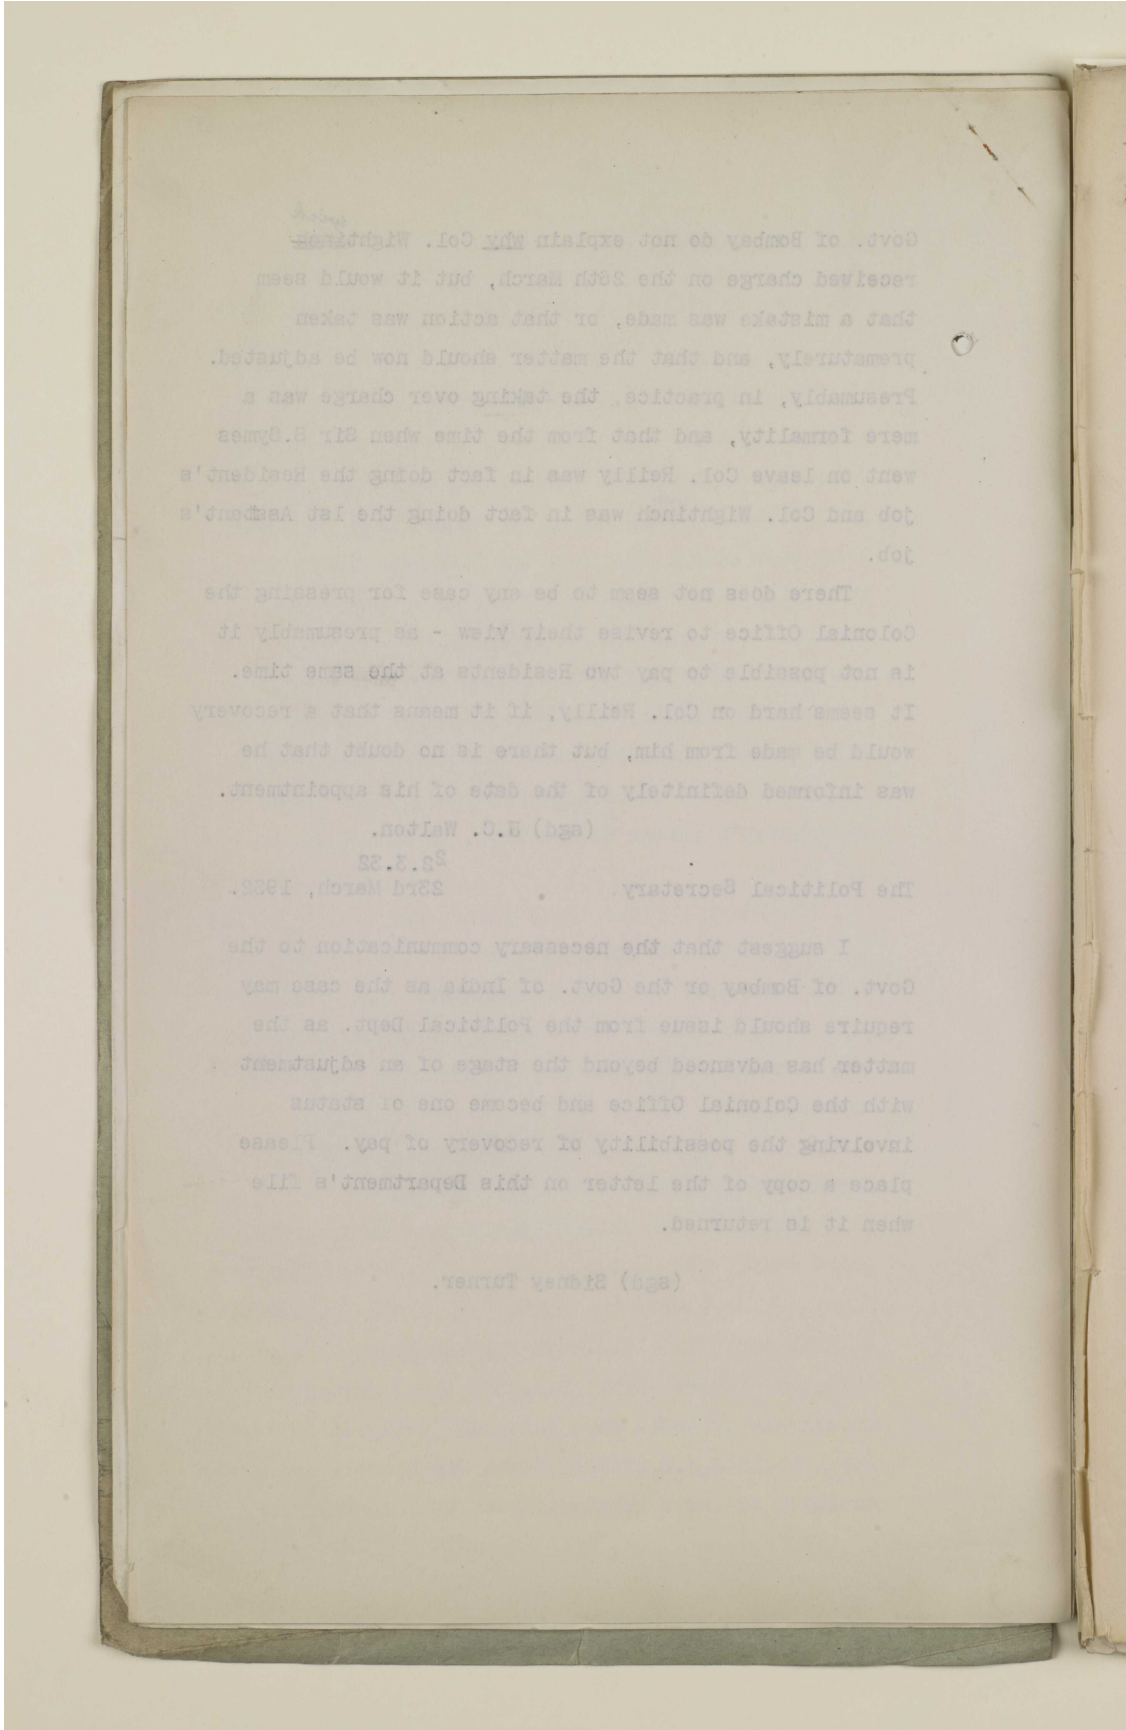

The Political Secretary.

22.3.32
23rd March, 1932.

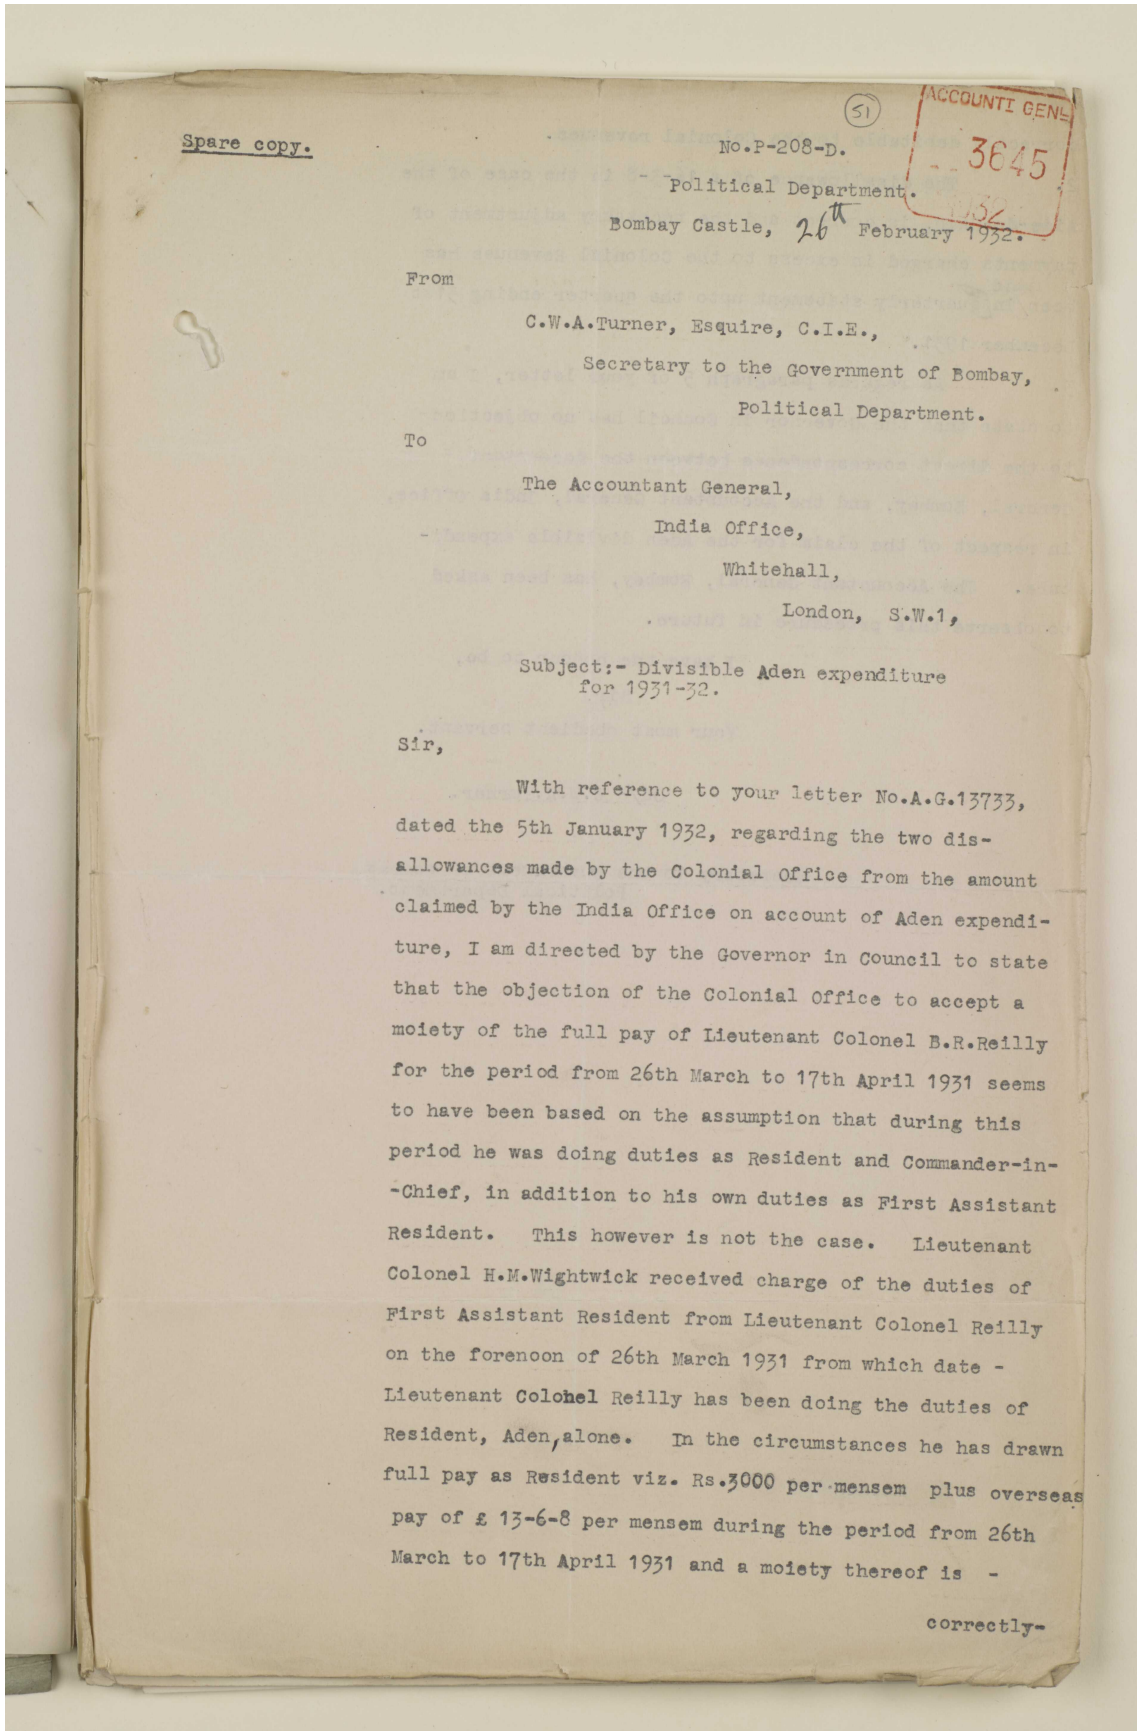

I suggest that the necessary communication to the Govt. of Bombay or the Govt. of India as the case may require should issue from the Political Dept. as the matter has advanced beyond the stage of an adjustment with the Colonial Office and become one of status involving the possibility of recovery of pay. Please place a copy of the letter on this Department's file when it is returned.

(sgd) Sidney Turner.

2. The disallowance of £ 16-3-8 in the case of the Aide-de-Camp, is correct and the necessary adjustment of payments charged in excess to the Colonial Revenues has been ^{made} in quarterly statement upto the quarter ending 31st December 1931.

3. Dear Shipway,

I enclose a redraft of the letter of appointment to Reilly which you left with me. Would you confirm the correctness of the reference to liability to British income tax? I hardly think it necessary to go into further detail (e.g. about the furnishing of the Residency, the allowance admissible for maintenance of a motor car, etc.). If you will let us have copies when it has issued, we will send them to the Government of India who will thus be in a position to suggest any amendment or supplement they may think desirable.

Yours sincerely,

Dear Wilson,

Please refer to your letter of the 17th February about Archer's application for the Aden Residency.

You have no doubt now seen our official letter of 14th February - P.Z.735 - in which we supported the Government of India's recommendation in favour of Reilly. The next step lies with you, the appointment being in every case made by the King on the recommendation of the Secretary of State for the Colonies.

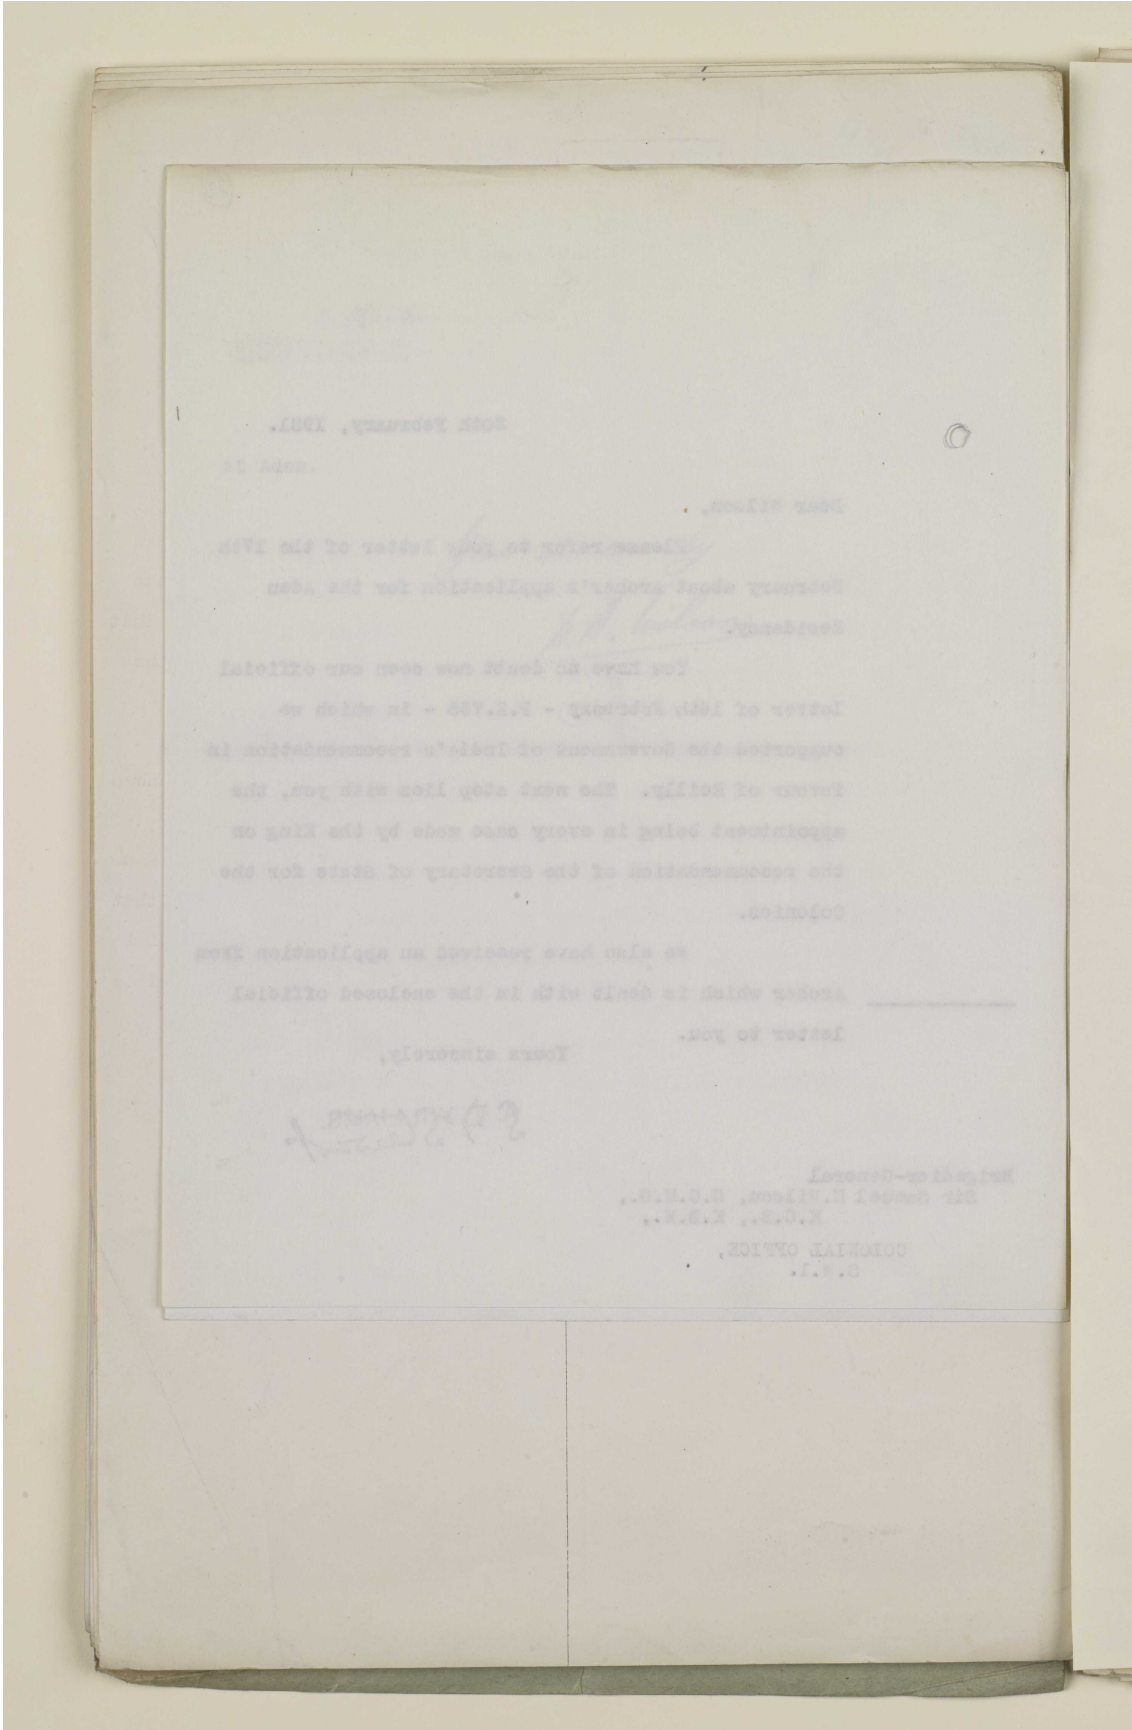

We also have received an application from _____ Archer which is dealt with in the enclosed official letter to you.

Parliamentary Debates

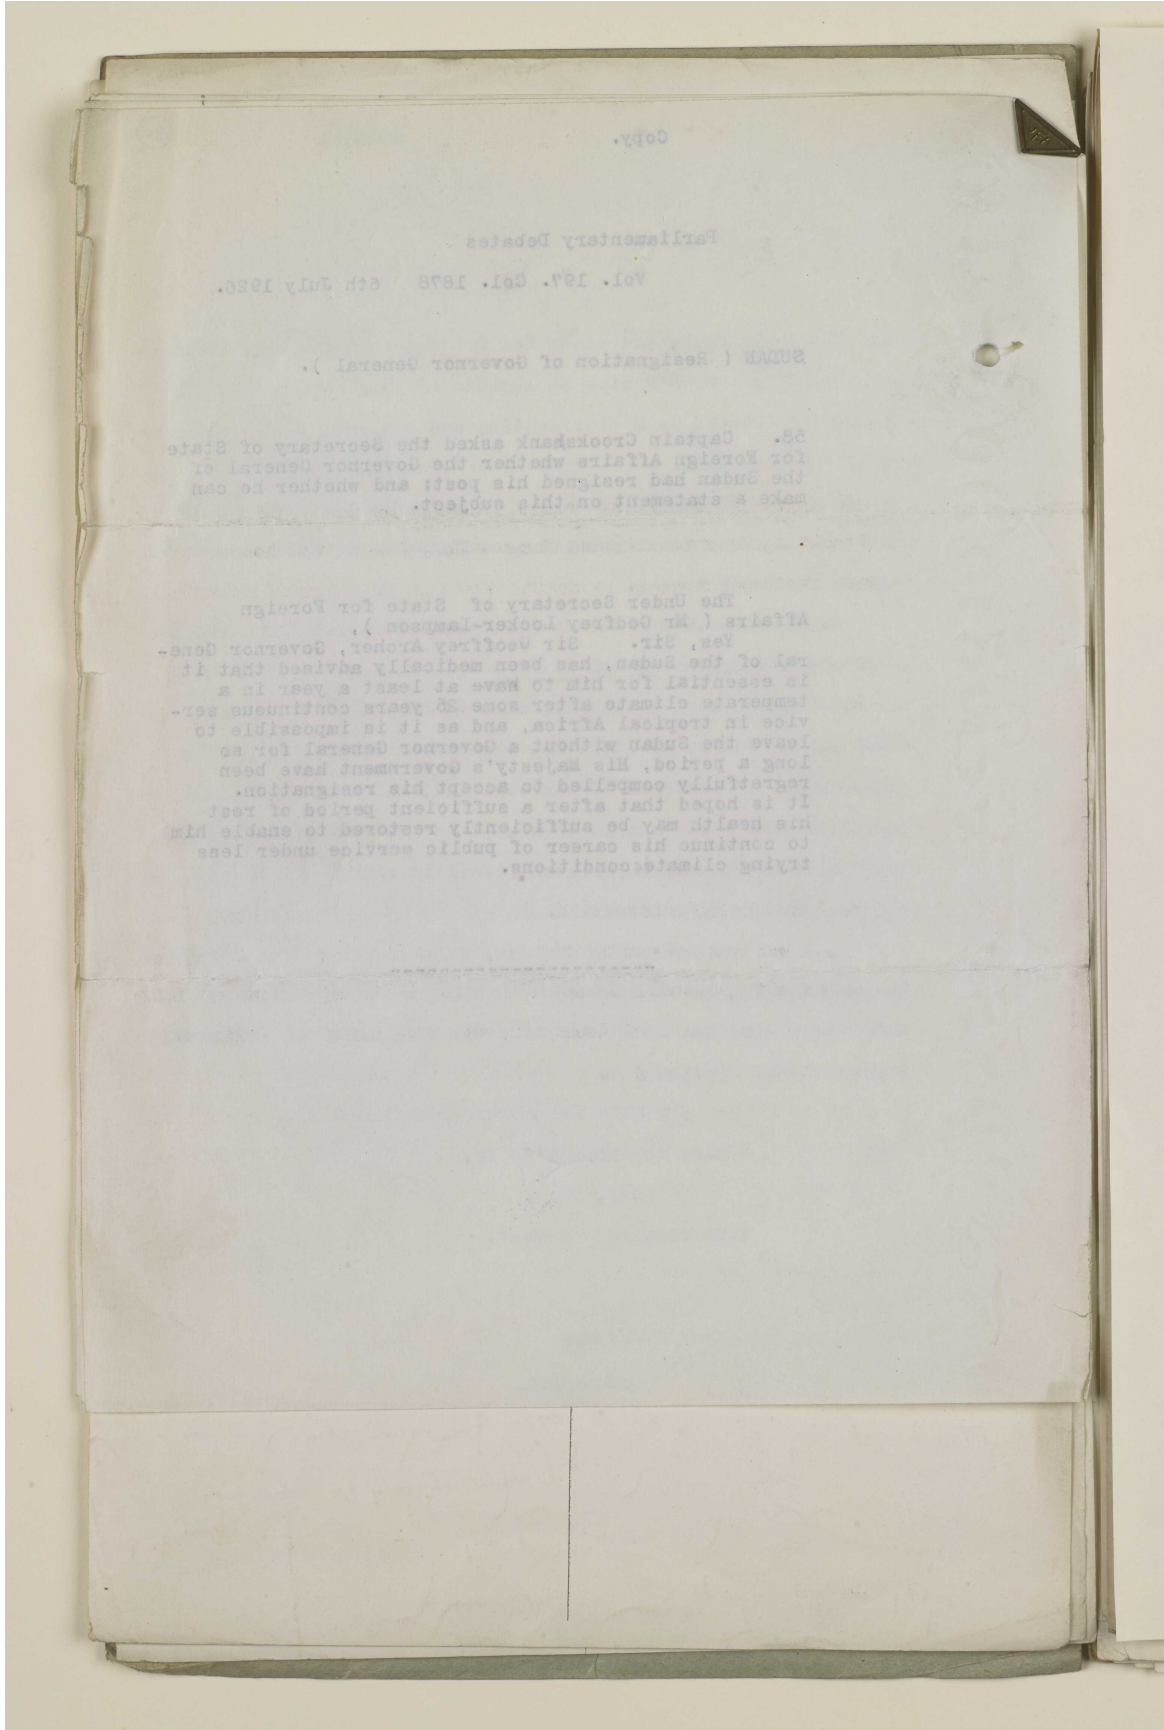

Vol. 197. Col. 1878 6th July 1926.

SUDAN (Resignation of Governor General).

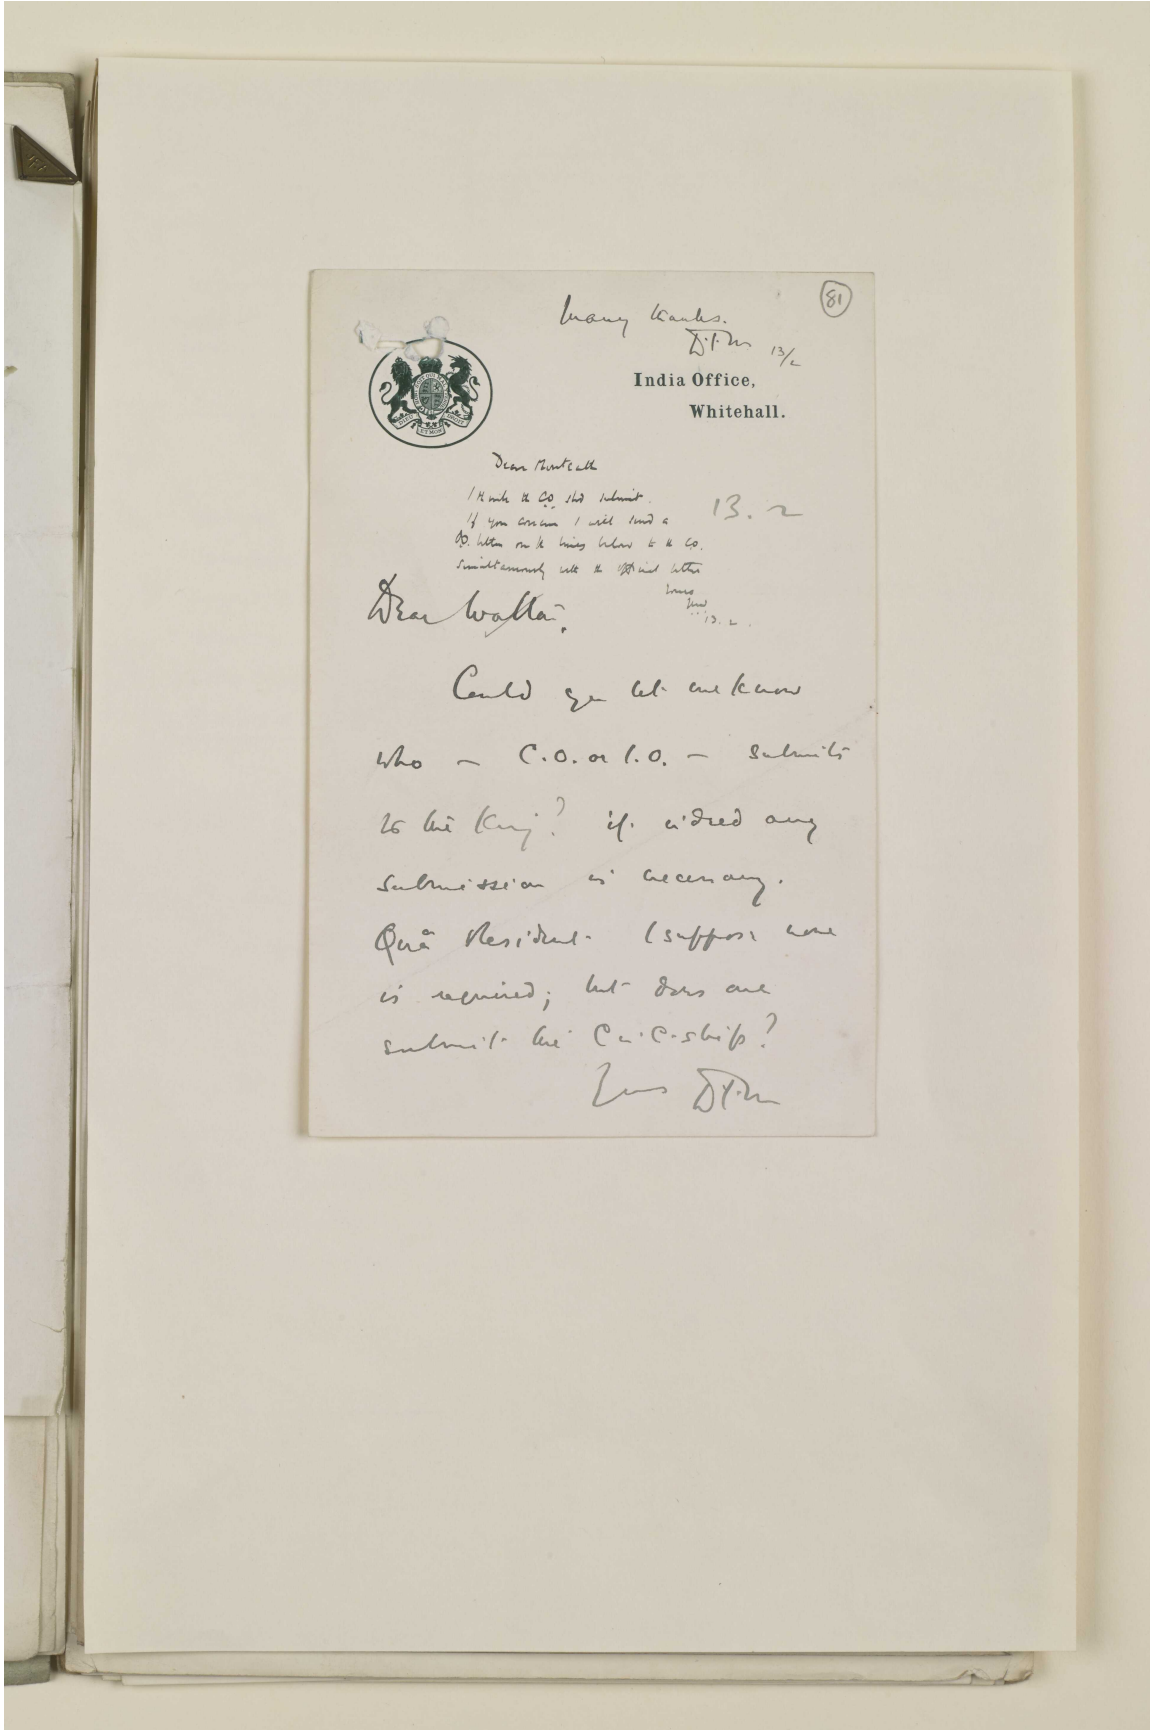

58. Captain Crooks asked the Secretary of State for Foreign Affairs whether the Governor General of the Sudan had resigned his post; and whether he can make a statement on this subject.

The Under Secretary of State for Foreign Affairs (Mr Godfrey Locker-Lampson),
Yes, Sir. Sir Geoffrey Archer, Governor General of the Sudan, has been medically advised that it is essential for him to have at least a year in a temperate climate after some 25 years continuous service in tropical Africa, and as it is impossible to leave the Sudan without a Governor General for so long a period, His Majesty's Government have been regretfully compelled to accept his resignation. It is hoped that after a sufficient period of rest his health may be sufficiently restored to enable him to continue his career of public service under less trying climatic conditions.

The G. of S., with the concurrence of the Gov. of
Bombay, recommend the appt. of Lt. Col. S.R. Keilly,
C.I.E.; O.B.E. as Resident at Aden in succession to
Sir Stewart Symes, who has been appointed Gov. of
Tanganyika. Col. Keilly stands 25th in the graduation
list of the Indian Political Dept., & has served at
Aden continuously since 1912, except for a short
tenure of another appt. in 1928. He has held the
appt. of Lt. Asst. since 1925 & has acted as Resident
on more than one occasion. So far as Indian Service
Officers are concerned (& it was agreed - C.O. letter
d/3/4/28: P. 1649/28 - that the post should normally be
filled by the election of Officers from the Colonial & Indian
Services in alternation) he seems an obvious choice, & it
is submitted that we may support the G. of S.'s recommendation
to the C.O. (the appt. is made by the King - see C.O. letter
d/6/5/27: P. 2392/27 - ^{+ 10. letter of 27 Nov. 27 P. 504/27} by the King on the recommendation of
the S. of S. for the Colonies, with the concurrence of the G. of S.
& the Gov. of Bombay.) Draft letter to the C.O. accordingly.

COPY OF TELEGRAM.

(COPIES CIRCULATED) From Government of India, Foreign and Political Department, to Secretary of State for India.

377-S. Foreign and Political Department.

Your telegram of the 28th ultimo. Appointment of Cavalry (sic, another) British Service Resident at this juncture might have tended to strengthen suspicion that separation of Aden Settlement from India is contemplated, and we welcome the suggestion that the new Resident should be from the Indian Service, in accordance with the accepted normal procedure.

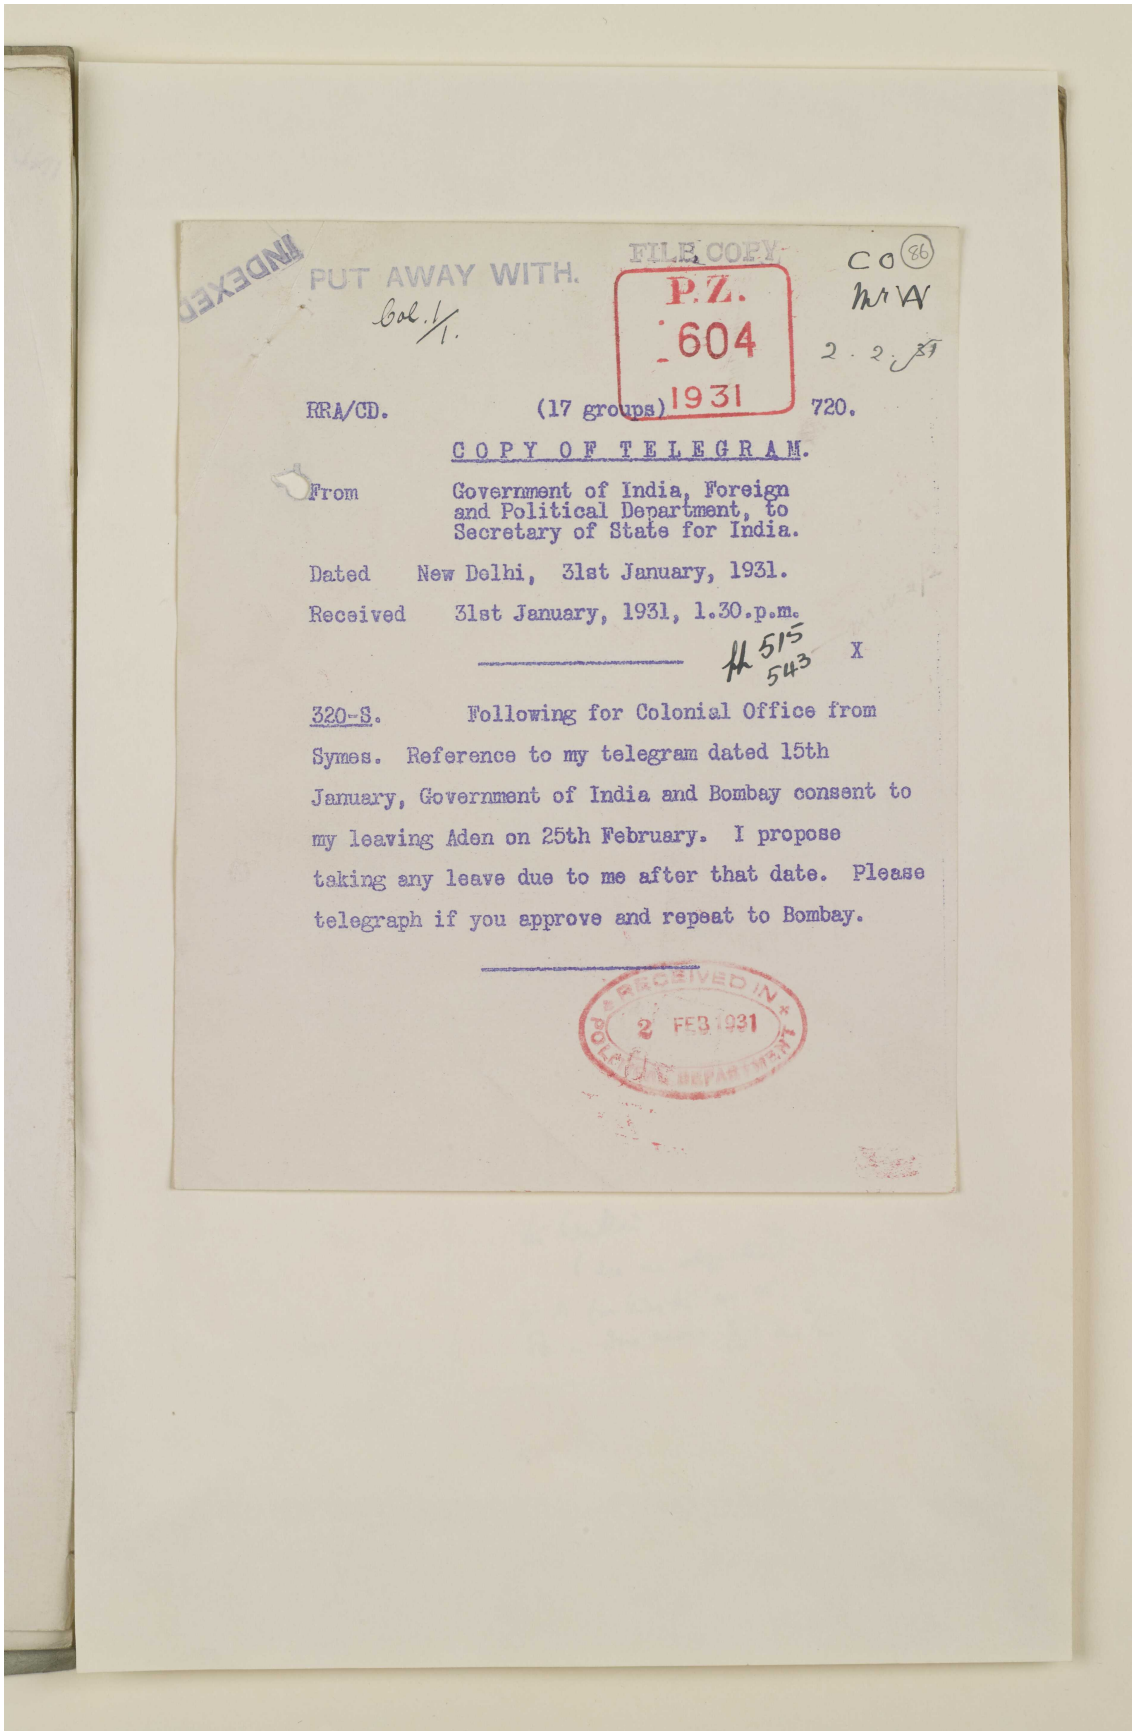

We propose that appointment should be given to Reilly, present First Assistant at Aden. He is strongly recommended by Symes, with the concurrence of His Excellency the Governor of Bombay, and has very strong qualifications for the appointment, including fourteen years excellent service at Aden. His appointment, too, would secure continuity of policy, which is very desirable at this stage. No other officer of the Political Department has equal claims, nor has any asked to be considered.

Reilly is 49 and has, therefore, only six years to go and, owing to the length of his Aden experience, is scarcely suited for any other selection appointment.

The C.O. has to be squared, or if they had not

In W. A. C. M. might telegraph as suggested? Sir J. Scott called on me today & spoke very highly of Col Reilly. If you see no objection we might put this in the let. S.S.S. 12/1

There are one or two further points about the Aden appointment. When it was agreed that the post of Resident of Aden was to be filled normally by alternation from the Colonel & Indian Services, it was also understood that the S.S.S. responsible for the Service which has the priority claim would be ready to consider on its merits the name of any officer who might be suggested by the other S.S.S.

It is not likely that the C.O. would be able to find any officers whose qualifications could outweigh those of Col. Reilly or Col. Bennett. We need not therefore anticipate that they will suggest a departure from the agreed practice.

As regards Indian Service officers, there can be little doubt that the appointment ought to be filled from the Indian Political Dept. (as this is entrusted especially to the importance of the Political side of the work (as this is entrusted by the C.O., we should want the officer selected by us to make a good show in it). In the old days the appointment was held by a soldier because the Post. Resident was also C.O. Now the Resident is only Colonel & the responsibility for Defence rests with the Air Gen.

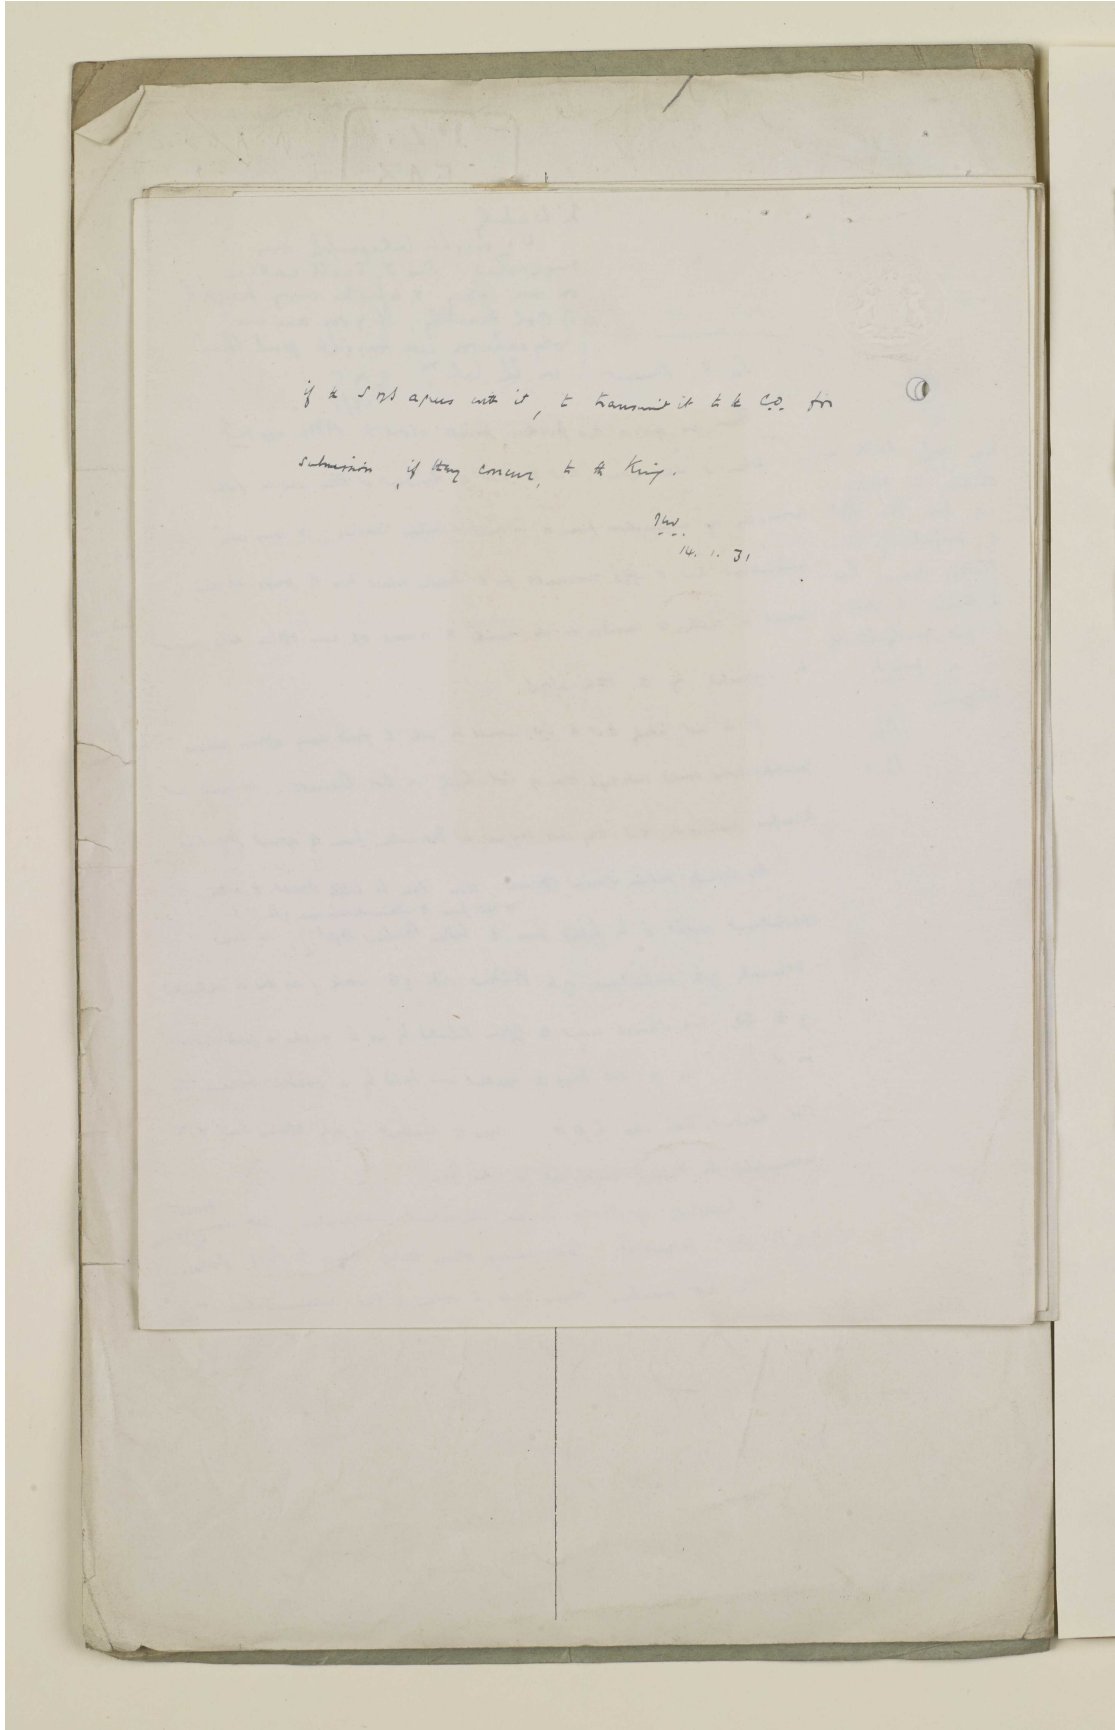

A knowledge of Arabic is an important qualification. Not many senior officers of the Pol. Dept. possess it; but among other things limits the field of choice.

The best procedure seems to be to obtain the S.S.S.'s recommendations & if

has only doubt is whether it might not have the effect of prejudicing Col. Reilly's claim. But I think it could be put unobjectionably in a private telegram.

Sir F. Stewart

The appointment of Resident at Aden is held alternately
by Officers of the Indian & Colonial Service. It is now the turn for
an Indian appointment.

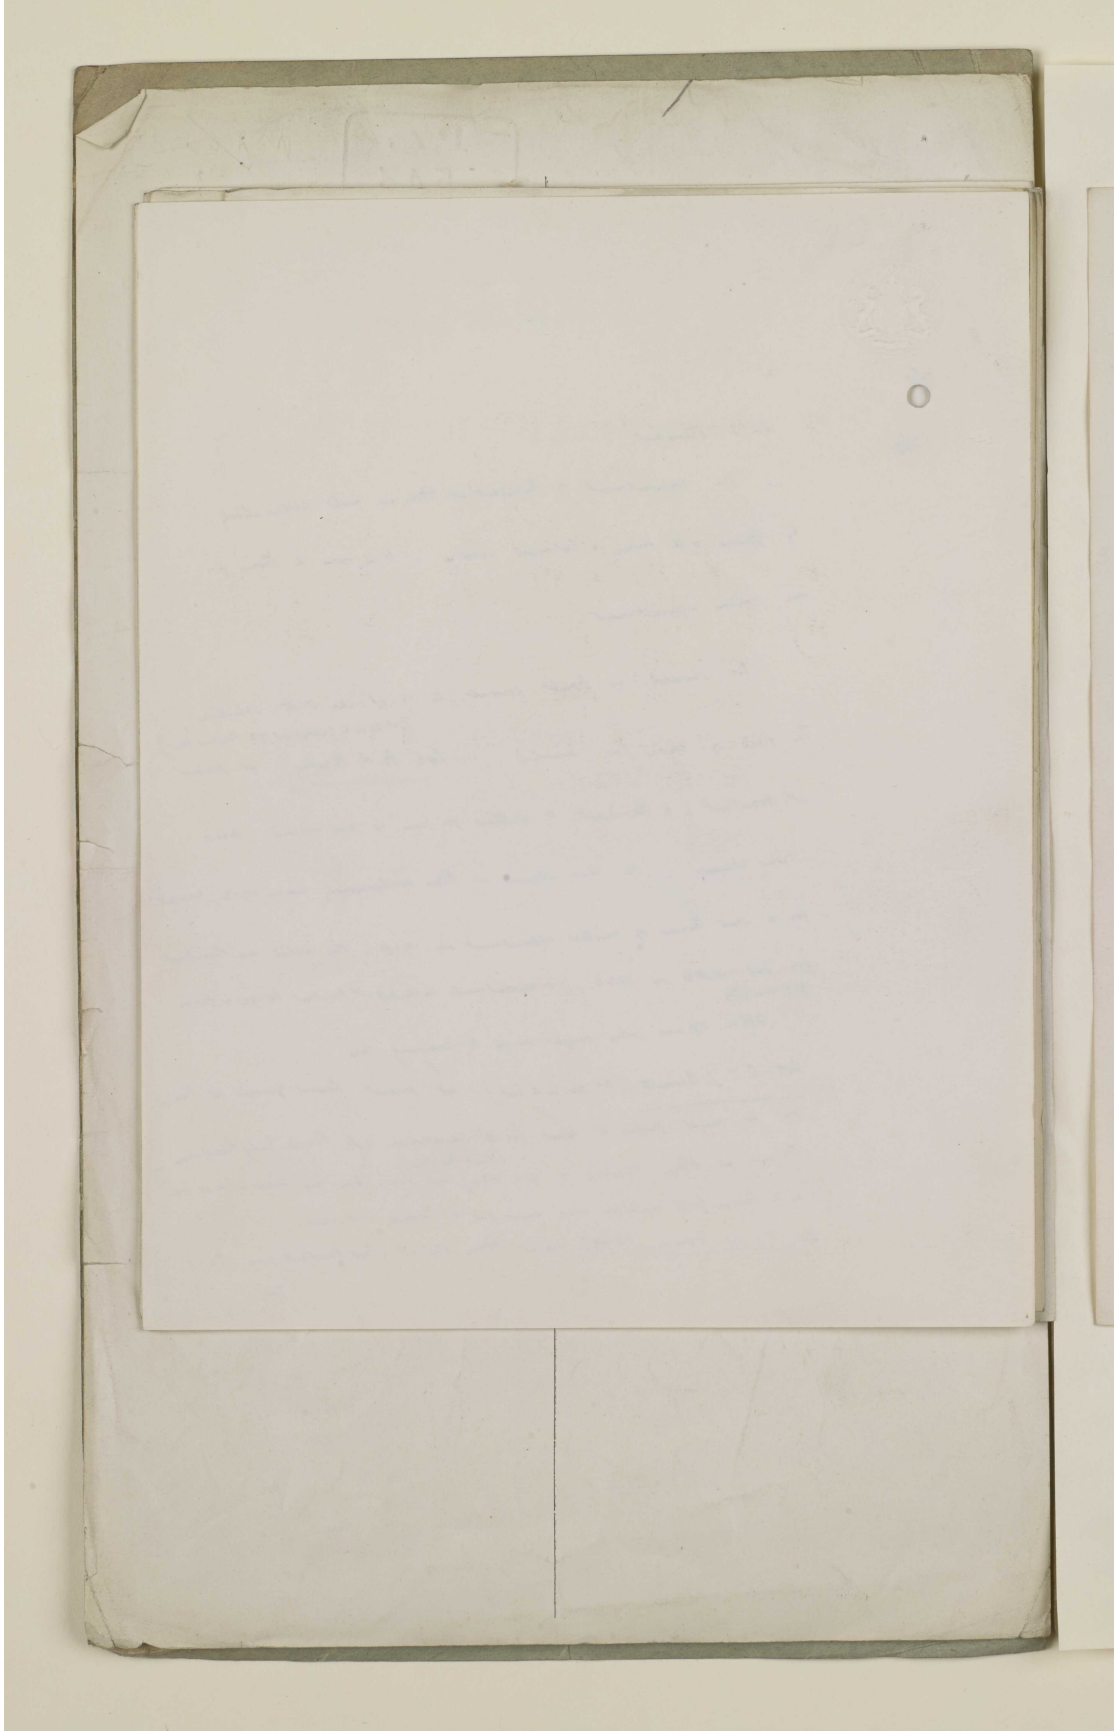

We should no doubt consult the G.O. as to the selection
(No. 25 in the grades list of the Indian Ser.)
The field of choice is limited. Col. B. R. Reilly, at present
1st Assistant to the Resident & acting for him in his absence has
strong claims. He has served at Aden continuously since 1912, except
for a short tenure of another appointment in 1928. He acted as Resident
for six months in 1926. His appointments included 1st Assistant in 1921 & from
1925 onwards.

Other officers who might be in the running are

Col. C. C. J. Bennett (No 20 in the list) at present Commandant at Bechuanaland,
but he might prefer to wait for the reversion of the Resident's Residency.
(1st Assistant)
He was at Aden 1910-13 & 1919-24, but since then his service has been
in the Peninsula fully until he was appointed at Bechuanaland last year.
Col. T. C. W. Fowler (No 49) was at Aden 1925-8 (1st Assistant from 1927)
