حول هذا السجل

يحتوي الملف على مراسلات بخصوص عقار في الكويت كان يملكه الشيخ الراحل خر عل بن جابر الكعبي حاكم المحمرة [خرمشهر]. بالإضافة إلى العقار ذاته، يتناول الملف أيضًا ما يحتويه العقار من ممتلكات، والتي تتضمن عدًّا كبيرًّا من البنادق والذخائر.

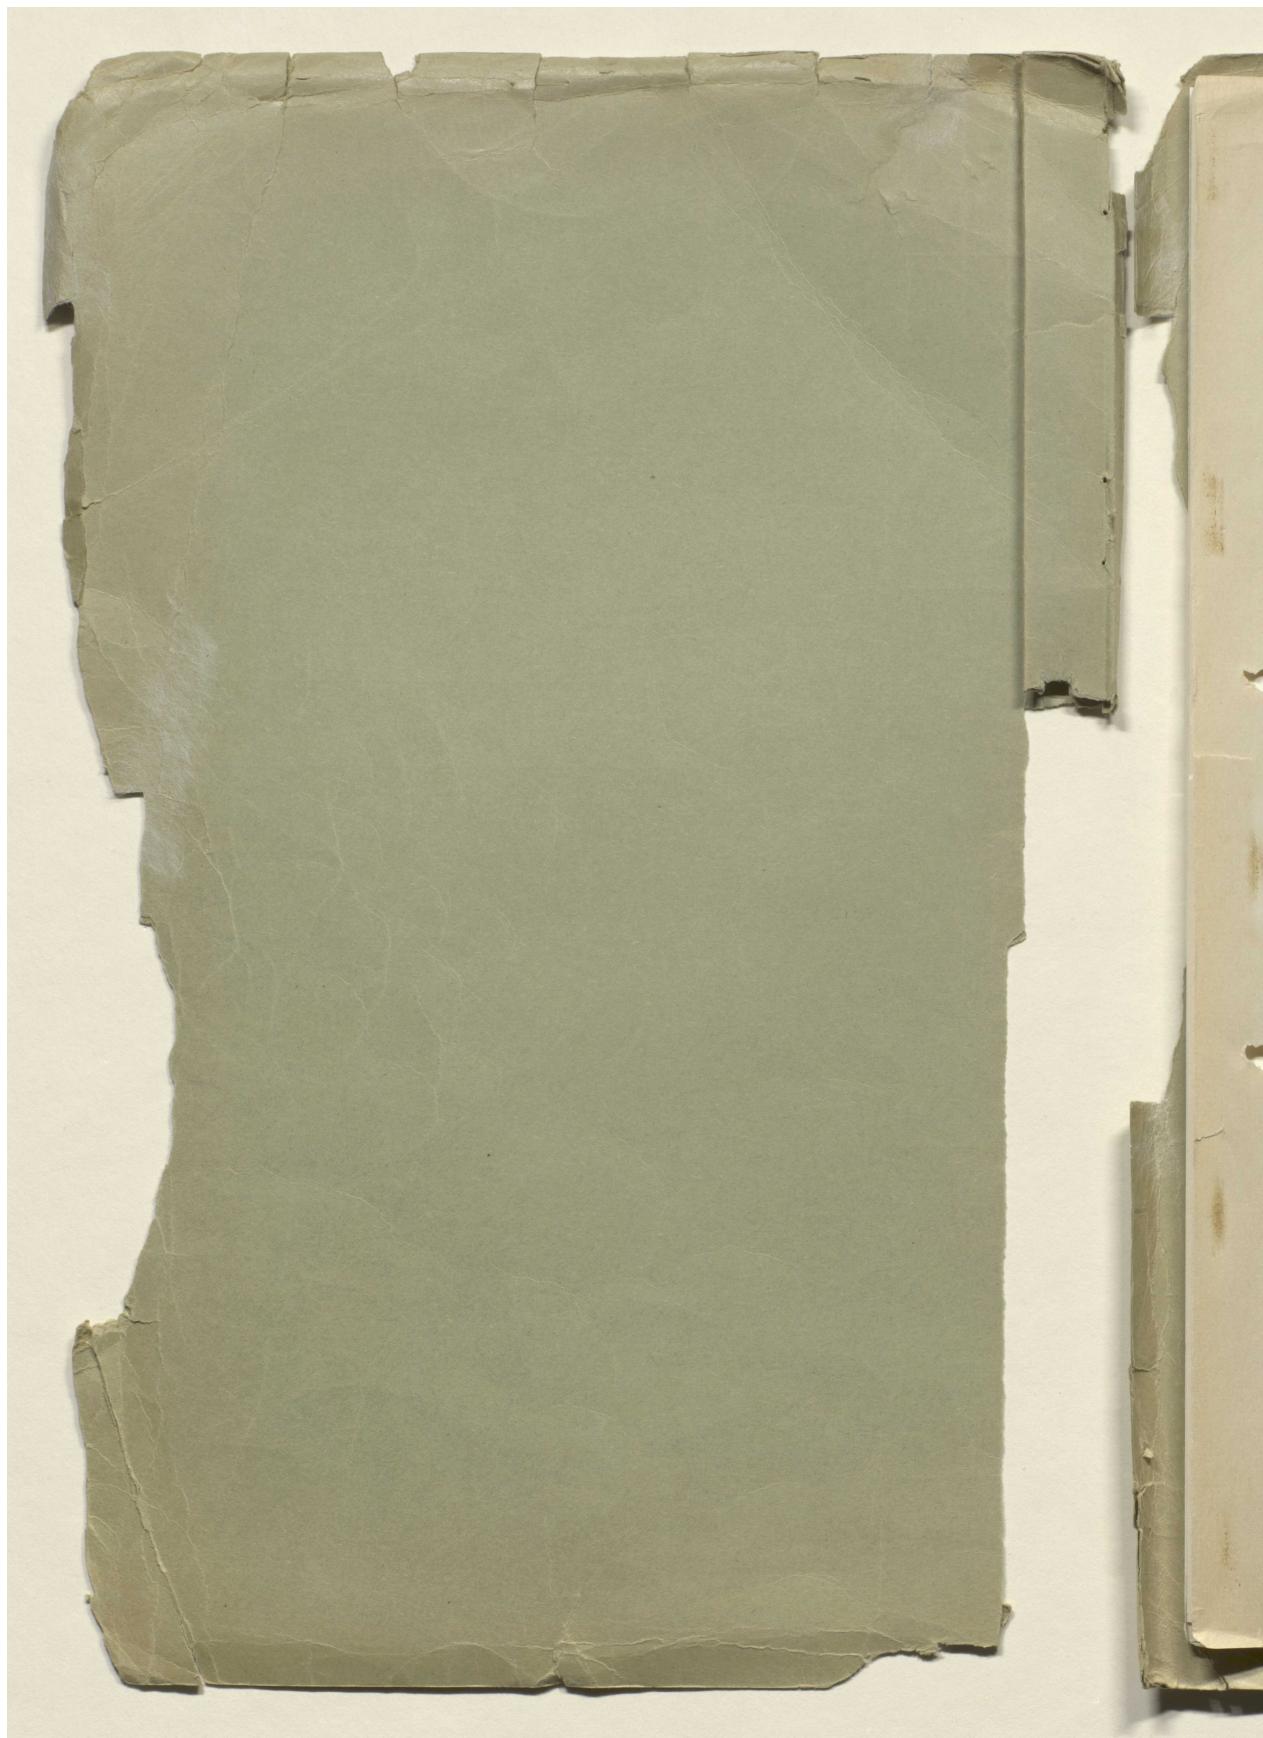

تدور المراسلات الواردة في الملف بشكل رئيسي بين مسؤولين بريطانيين، أغلبهم من الوكالة السياسية في الكويت والمقيمة السياسية في بوشهر. إلا أن الملف يحتوي أيضًا على كم محدود من المراسلات مع حاكم الكويت، الشيخ أحمد الجابر الصباح، ومع محام في البصرة اسمه محمد محمد يمثل ورثة الشيخ خر عل، ومع الورثة أنفسهم. ترد الكثير من هذه المراسلات باللغة العربية، تصاحبها ترجمات باللغة الإنجليزية.

يحتوي الملف، في الورقة ٨٨، على طبعة زرقاء لخريطة عقار (أو "قصر") الشيخ خزعل في الكويت.

No 44 Date 19.7.36.

From British Embassy, Baghdad.

To Political Resident, Bushire, No.24.

Foreign Office, No.175.

Kuwait, No.15.

Dated and received the 14th July 1936.

My immediately preceding telegram to Foreign Office.

Prime Minister said that two sons of Shaikh of Mohammerah had called upon him recently and alleged that their father had before his death expressed a wish presenting some rifles to Iraq Government. There is nothing in writing.

The rifles are said to number some 2000 to be partly British and partly Turkish and to be at present in a house in Kuwait probably in a cellar? which formerly belonged to Shaikh of Mohammerah.

S Shaikh's two sons wish to proceed Kuwait to collect them but Prime Minister is not anxious for them to go unless Shaikh of Kuwait would be willing to release rifles if they exist and unless His Majesty's Government have no objection.

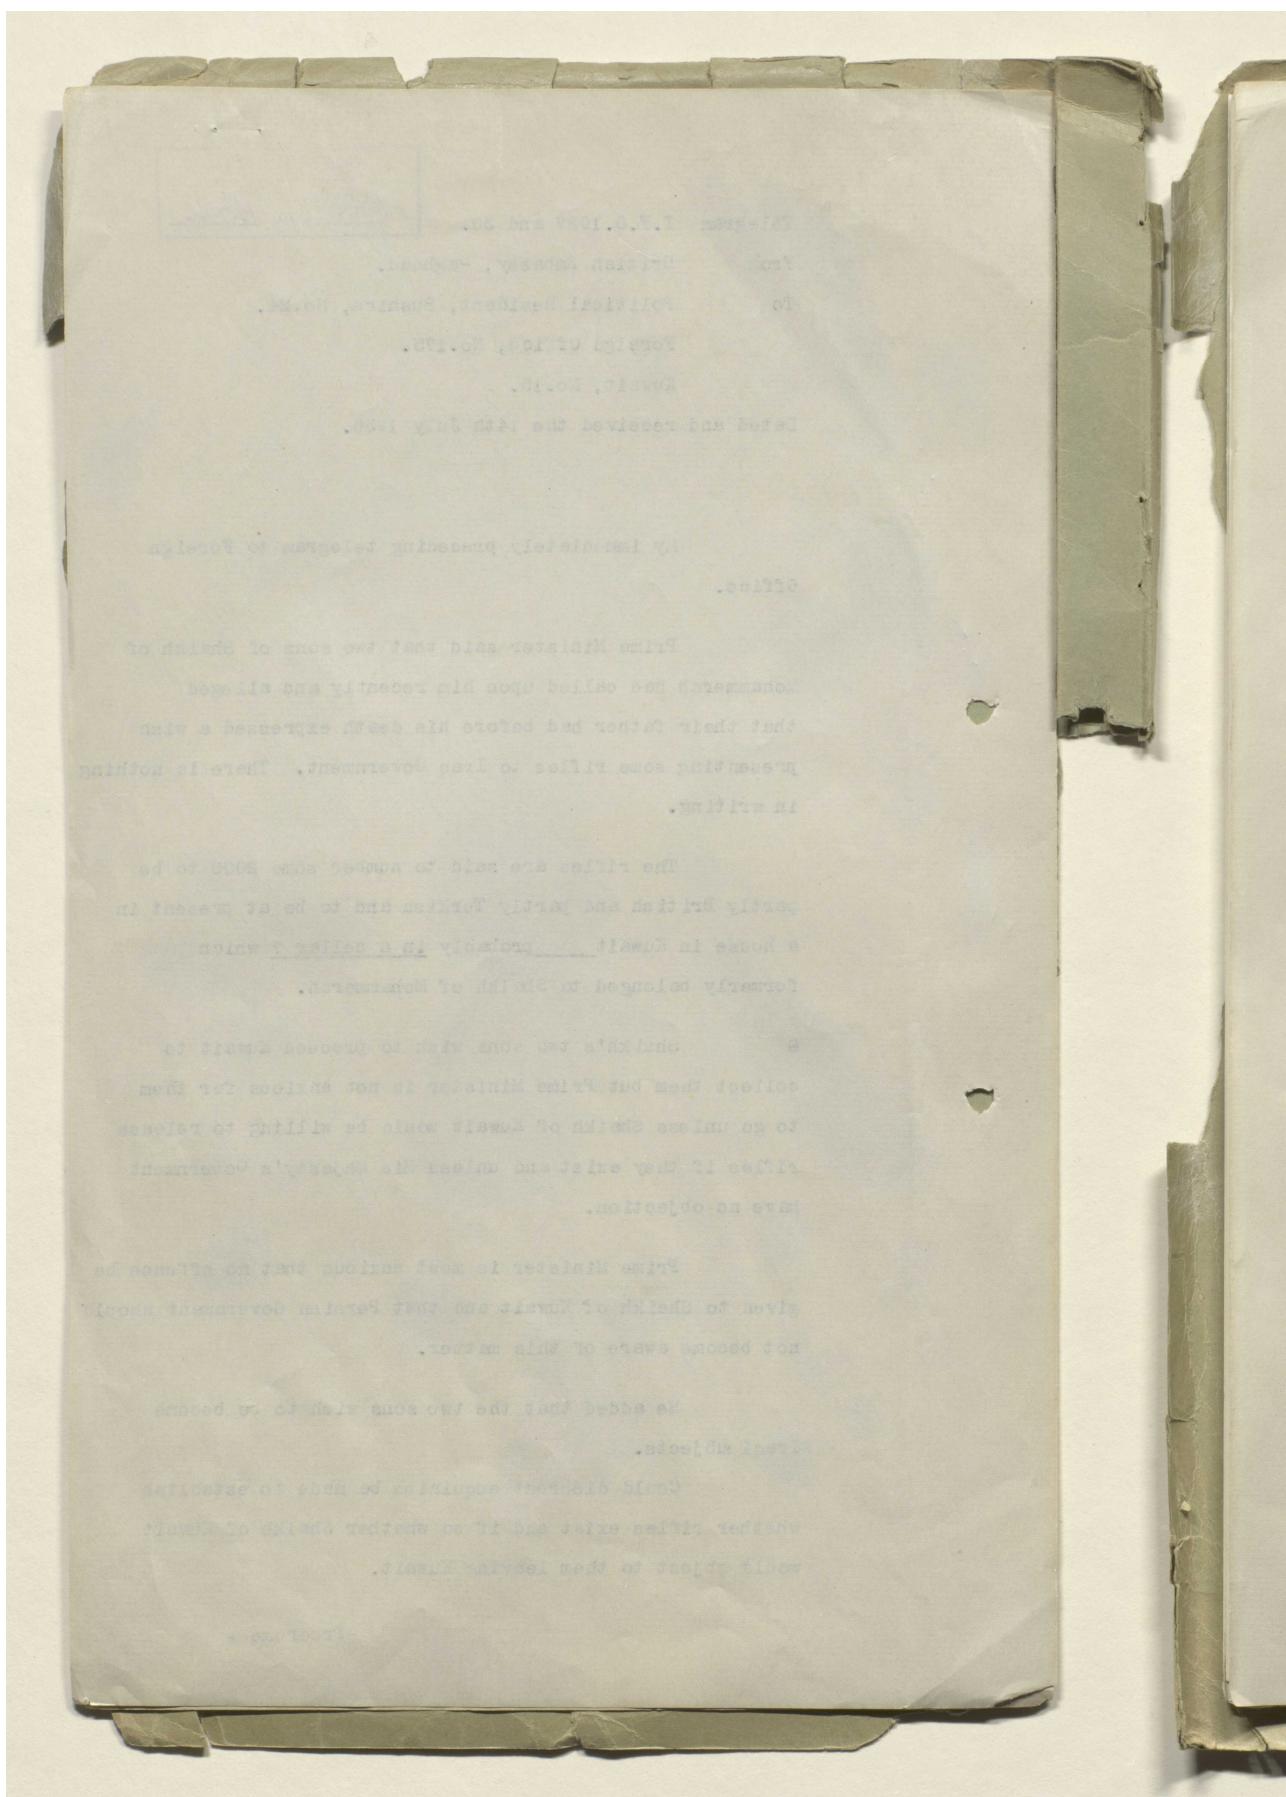

Prime Minister is most anxious that no offence be given to Shaikh of Kuwait and that Persian Government should not become aware of this matter.

He added that the two sons wish to be become Iraqi subjects.

Could discreet enquiries be made to establish whether rifles exist and if so whether Shaikh of Kuwait would object to them leaving Kuwait.

EXPRESS LETTER

[N. B.—This is an ORIGINAL MESSAGE, sent by post to save telegraphic expense and undue use of the wires, but intended to be treated, on receipt, with the same expedition as if it had been telegraphed. To save time and formalities it is worded and signed as if it had been so despatched.]

FROM:- Political Agent, Kuwait.

To :- Political Resident, Bushire.

No.C-253.

KUWAIT Dated the 29th July 1936.

Late Shaikh of Mohammerah's property in Kuwait.

Reference your telegram No.553 of the 15th July and other relevant correspondence.

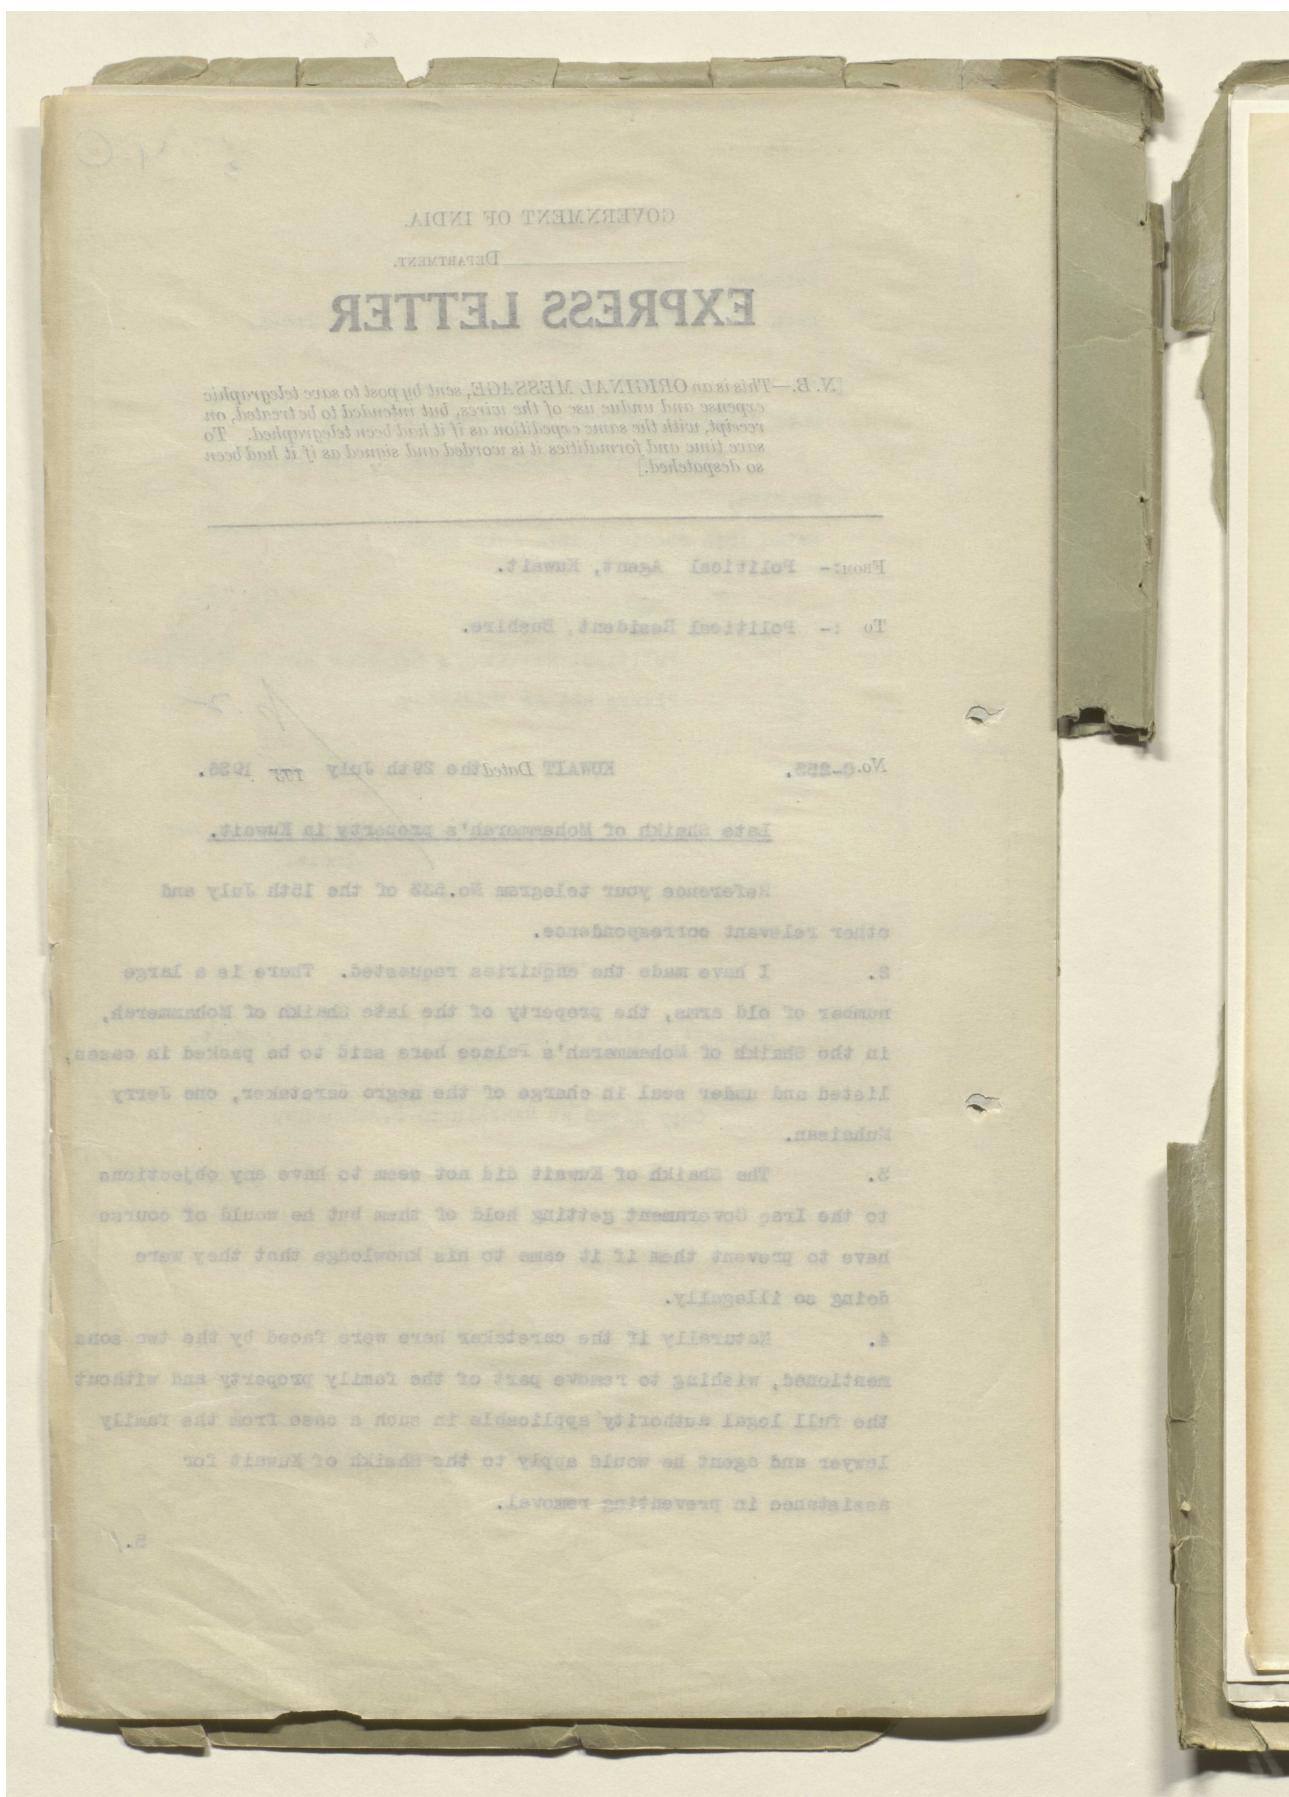

2. I have made the enquiries requested. There is a large number of old arms, the property of the late Shaikh of Mohammerah, in the Shaikh of Mohammerah's Palace here said to be packed in cases, listed and under seal in charge of the negro caretaker, one Jerry Muhsain.

3. The Shaikh of Kuwait did not seem to have any objections to the Iraq Government getting hold of them but he would of course have to prevent them if it came to his knowledge that they were doing so illegally.

4. Naturally if the caretaker here were faced by the two sons mentioned, wishing to remove part of the family property and without the full legal authority applicable in such a case from the family lawyer and agent he would apply to the Shaikh of Kuwait for assistance in preventing removal.

5. The family lawyer and agent is Khan Bahadur Mirza Muhammad of Basra who holds a power of attorney from the late Shaikh of Mohammerah and has all property, here and elsewhere, listed, as presumably the two sons mentioned must know.

6. There are, I understand, 13 sons of the late Shaikh in Iraq, 6 in Iran and 1, the eldest - Chasib, in Belgium, and it will presumably be a long time before the estate can be settled and divided according to the Shara' Law among these and the various other relations.

The Buick was driven here at break neck speed, as I well know since it passed me as I was entering Kuwait early on the morning of the 5th but only an hour or so later Chasib arrived at the Agency, having established a record for the Kuwait-Basra road and hastily presented to me his lawyer's letter, a copy of which I attach.

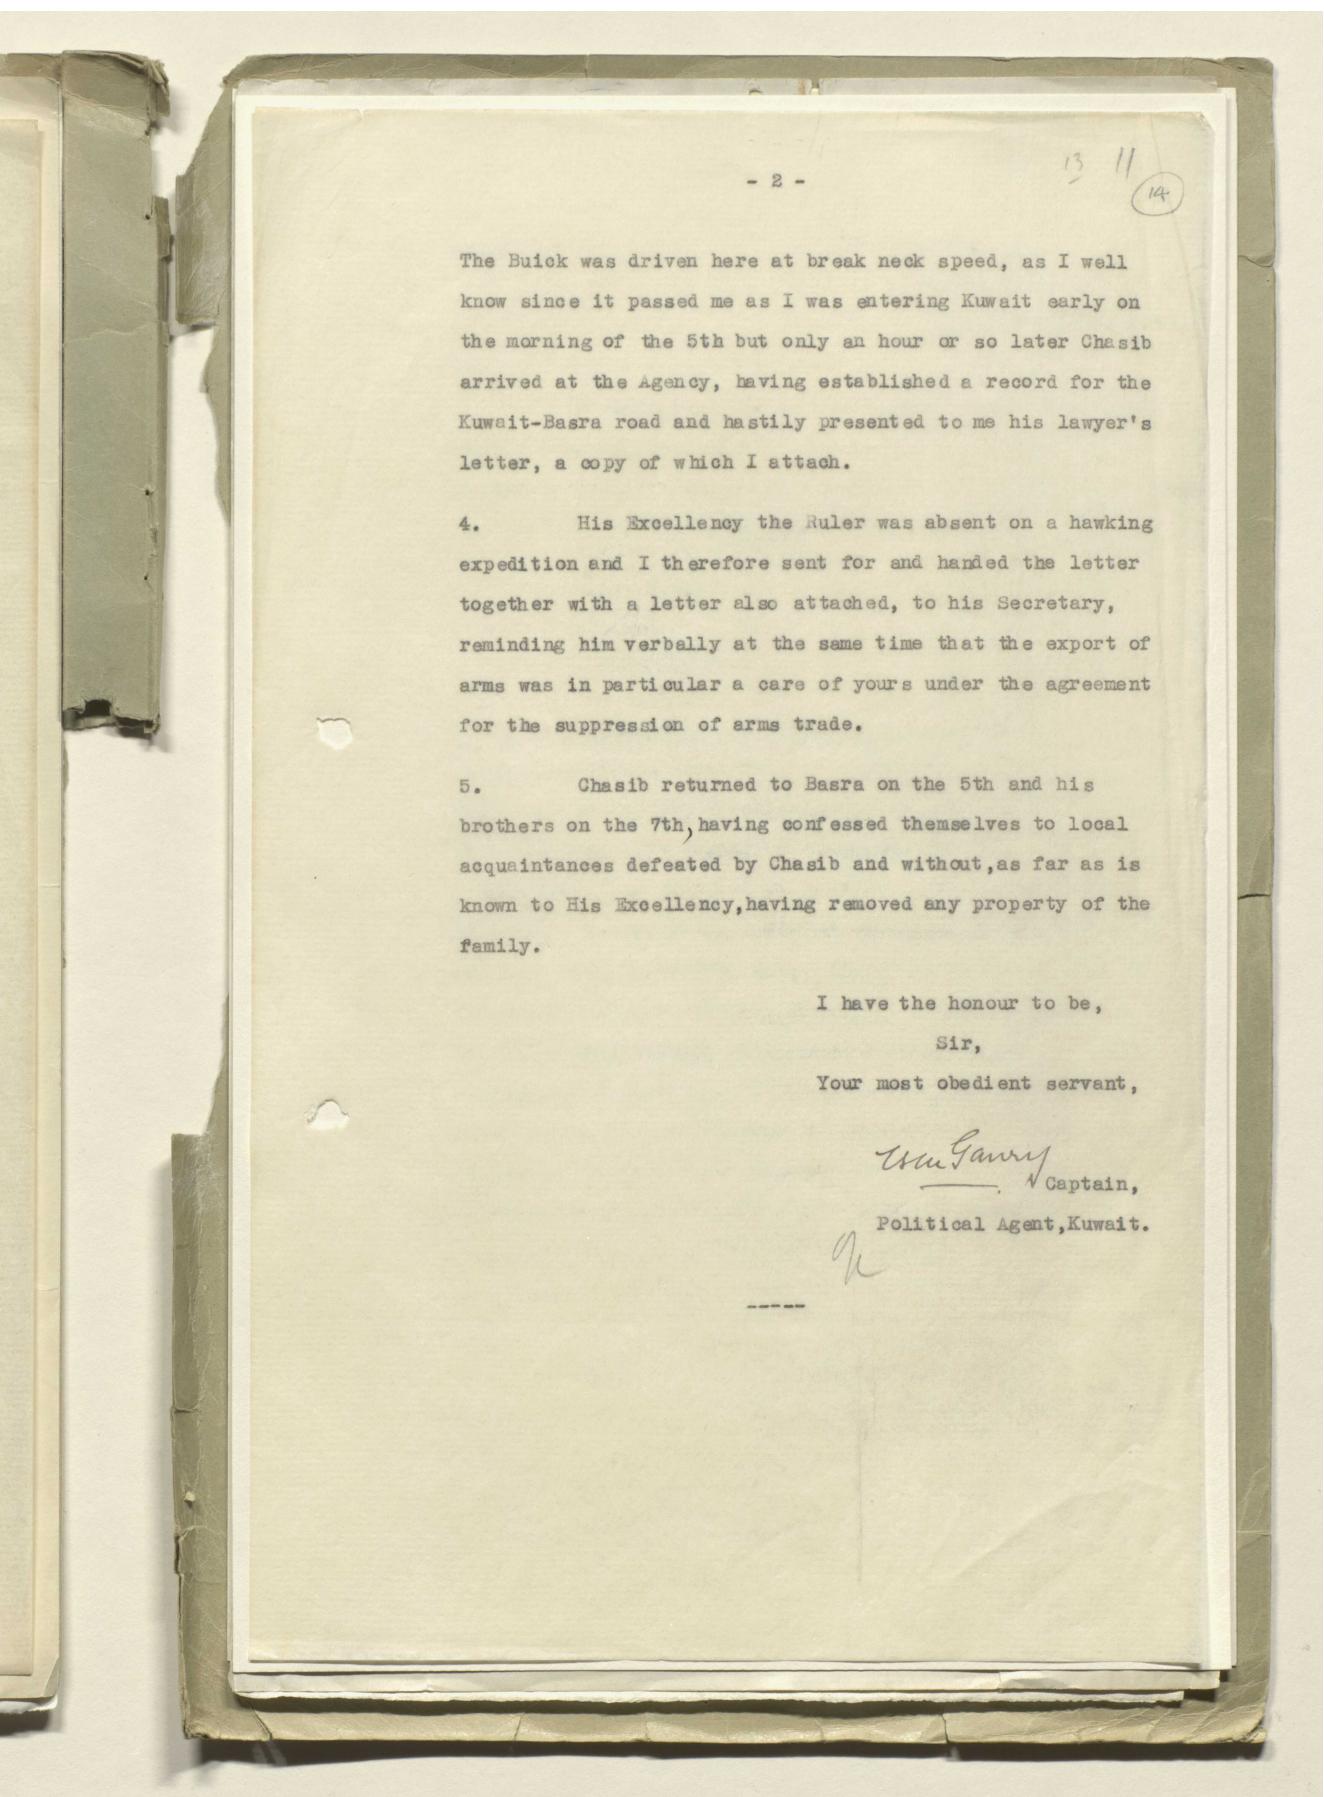

4. His Excellency the Ruler was absent on a hawking expedition and I therefore sent for and handed the letter together with a letter also attached, to his Secretary, reminding him verbally at the same time that the export of arms was in particular a care of yours under the agreement for the suppression of arms trade.

5. Chasib returned to Basra on the 5th and his brothers on the 7th, having confessed themselves to local acquaintances defeated by Chasib and without, as far as is known to His Excellency, having removed any property of the family.

MOHAMMAD AHMAD,

ADVOCATE,

Basra, 5th November '36.

Sir,

On behalf of the undermentioned heirs of the late Shaikh Khaza'l, from whom I hold powers of attorney in regard to their shares in the deceased's estate at Kuwait, viz:-

1. Shaikh Chasib, son of the late Shaikh Khaza'l,

I beg to state that Shaikh Abdul Majid and Shaikh Muhammad Said, sons of the late Shaikh Khaza'l, are said to have proceeded to Kuwait, ostensibly for the purpose of "seeing what has been left behind by their late father". As I am afraid lest they might cause trouble to Jeri al-Muhaisin, who is in charge of the articles belonging to the deceased, and to Shaikh Khaza'l's widow, who is in charge of the household effects available at Shaikh Khaza'l's house at Kuwait, I have thought it necessary to represent the fact to you and to request, on behalf of the aforesaid heirs, that you will be good enough to suggest to His Excellency the Ruler of Kuwait not to permit them to interfere with anything belonging to the estate of the deceased until such time as all the heirs of the deceased can be legally represented by duly authorized attorney or attorneys.

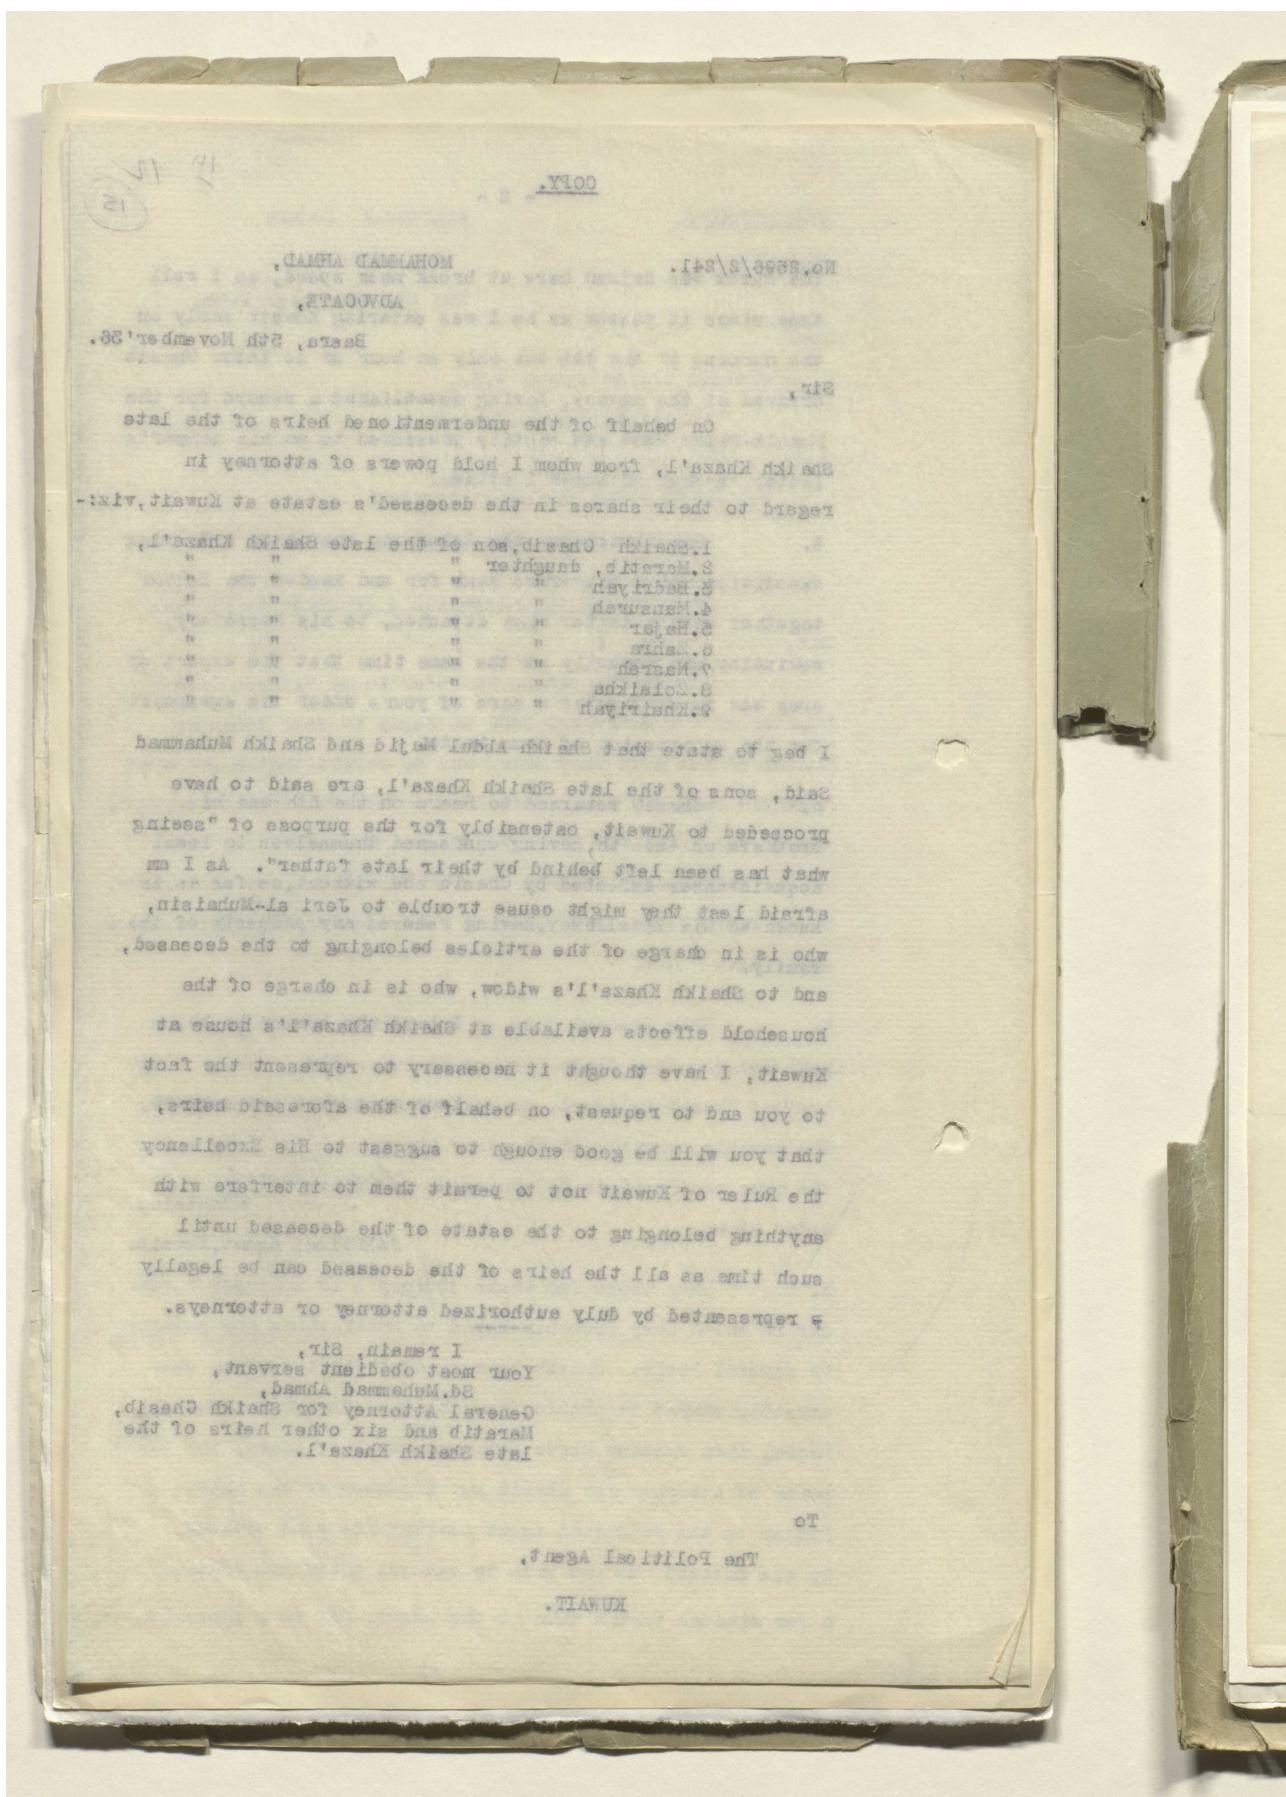

I remain, Sir,
Your most obedient servant,
Sd. Muhammad Ahmad,
General Attorney for Shaikh Chasib,
Maratib and six other heirs of the
late Shaikh Khaza'l.

3. The latter have been opened up and I inspected them this morning, and found that there are:-

Rifles.

Short Lee Enfield	227
Long " "	34
Turkish	138
Mansers	18
Martini Carbines	9
Long Martinis	7
	428

The weapons are in fair condition, as weapons go in this part of the world. They would be condemned by any British Service

SAA 303.

Turkish about 50,000

English about 100,000

The ammunition is much of it loose in sacks, and would take long to count. It appears to be mostly dated about 1917.

4. I have of course informed the Ruler and Agent of the heirs that the arms are not to be exported from Koweit without your wishes being first ascertained.

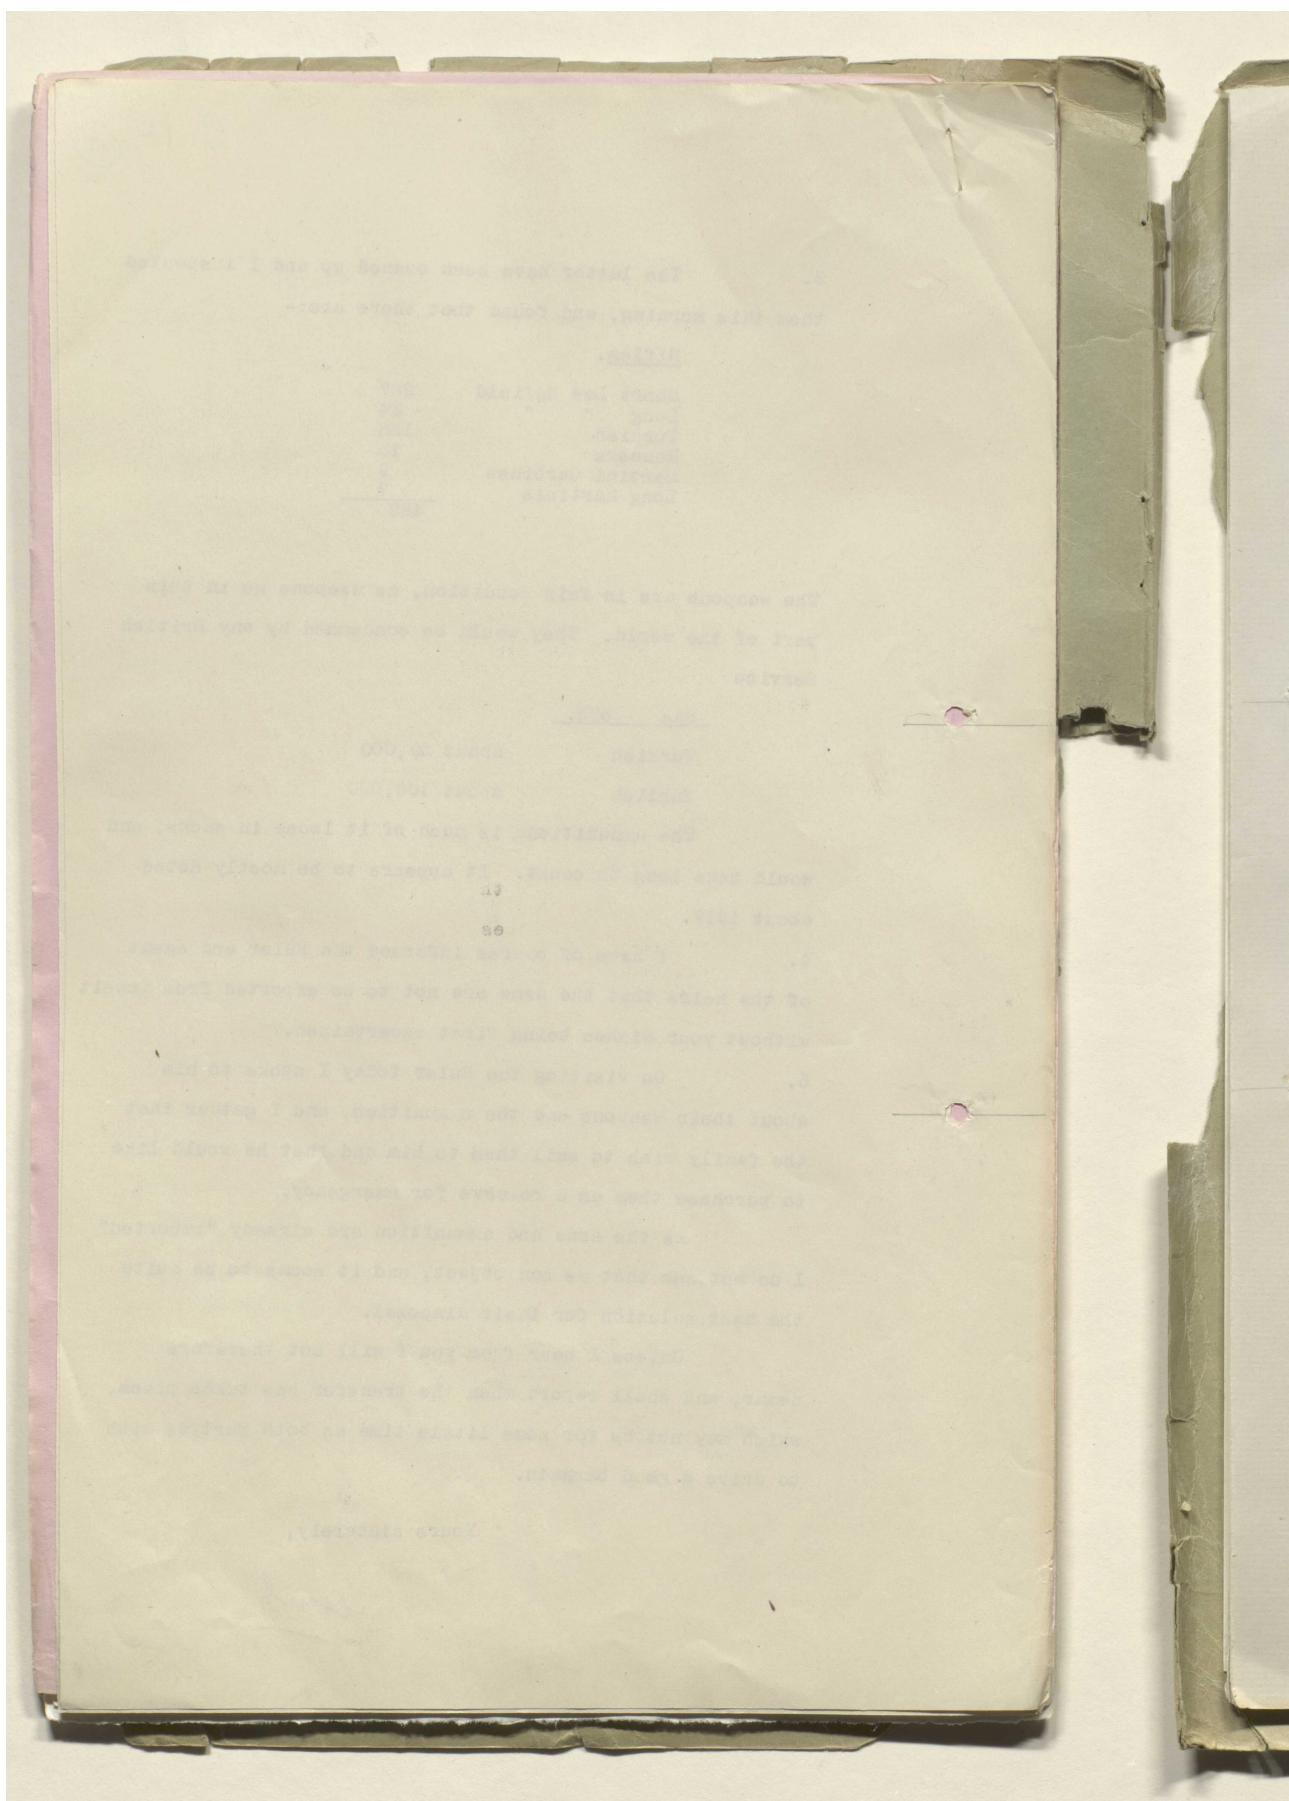

5. On visiting the Ruler today I spoke to him about their weapons and the ammunition, and I gather that the family wish to sell them to him and that he would like to purchase them as a reserve for emergency.

As the arms and ammunition are already "imported" I do not see that we can object, and it seems to be quite the best solution for their disposal.

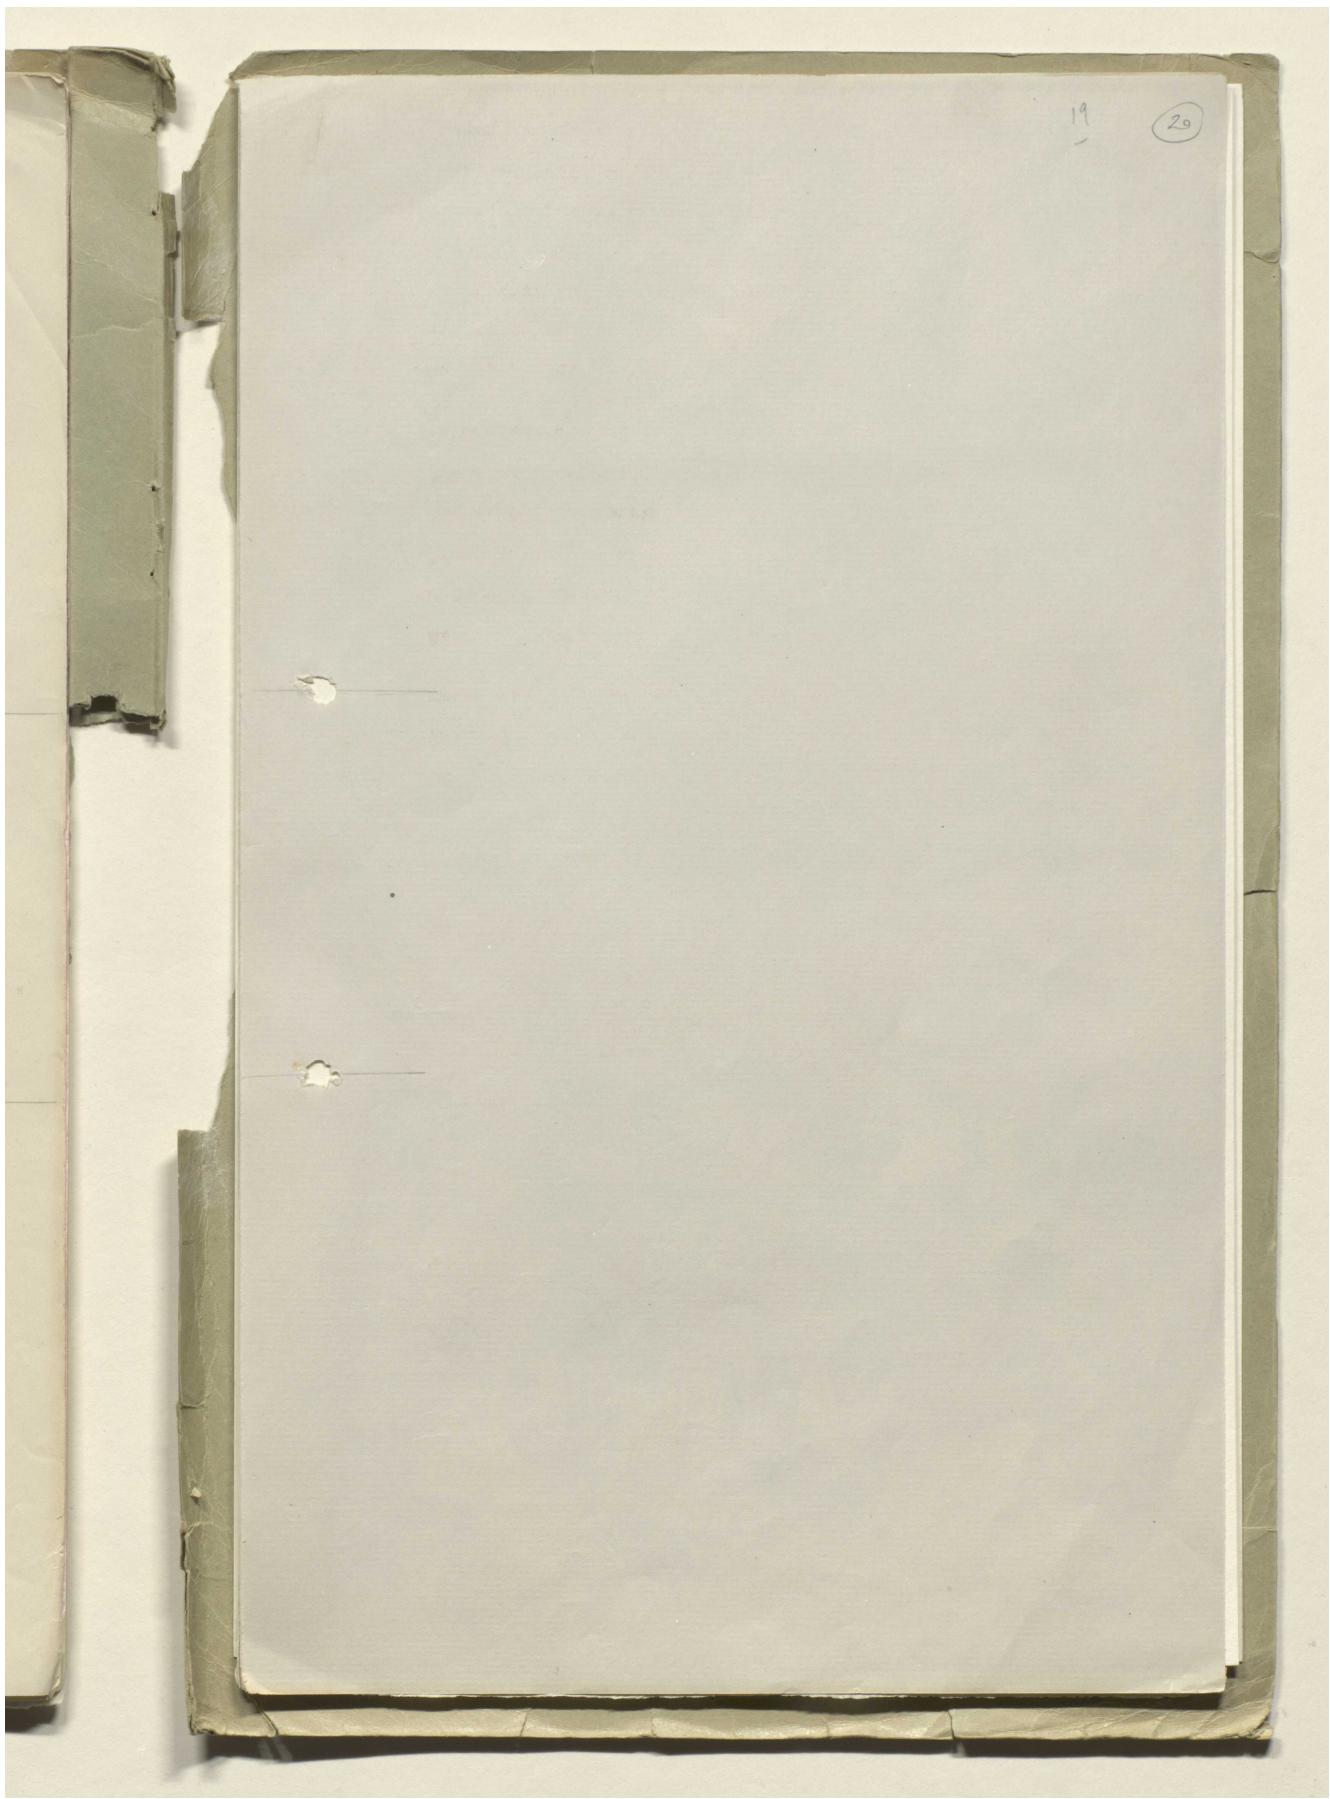

Unless I hear from you I will not therefore demur, and shall report when the transfer has taken place, which may not be for some little time as both parties wish to drive a good bargain.

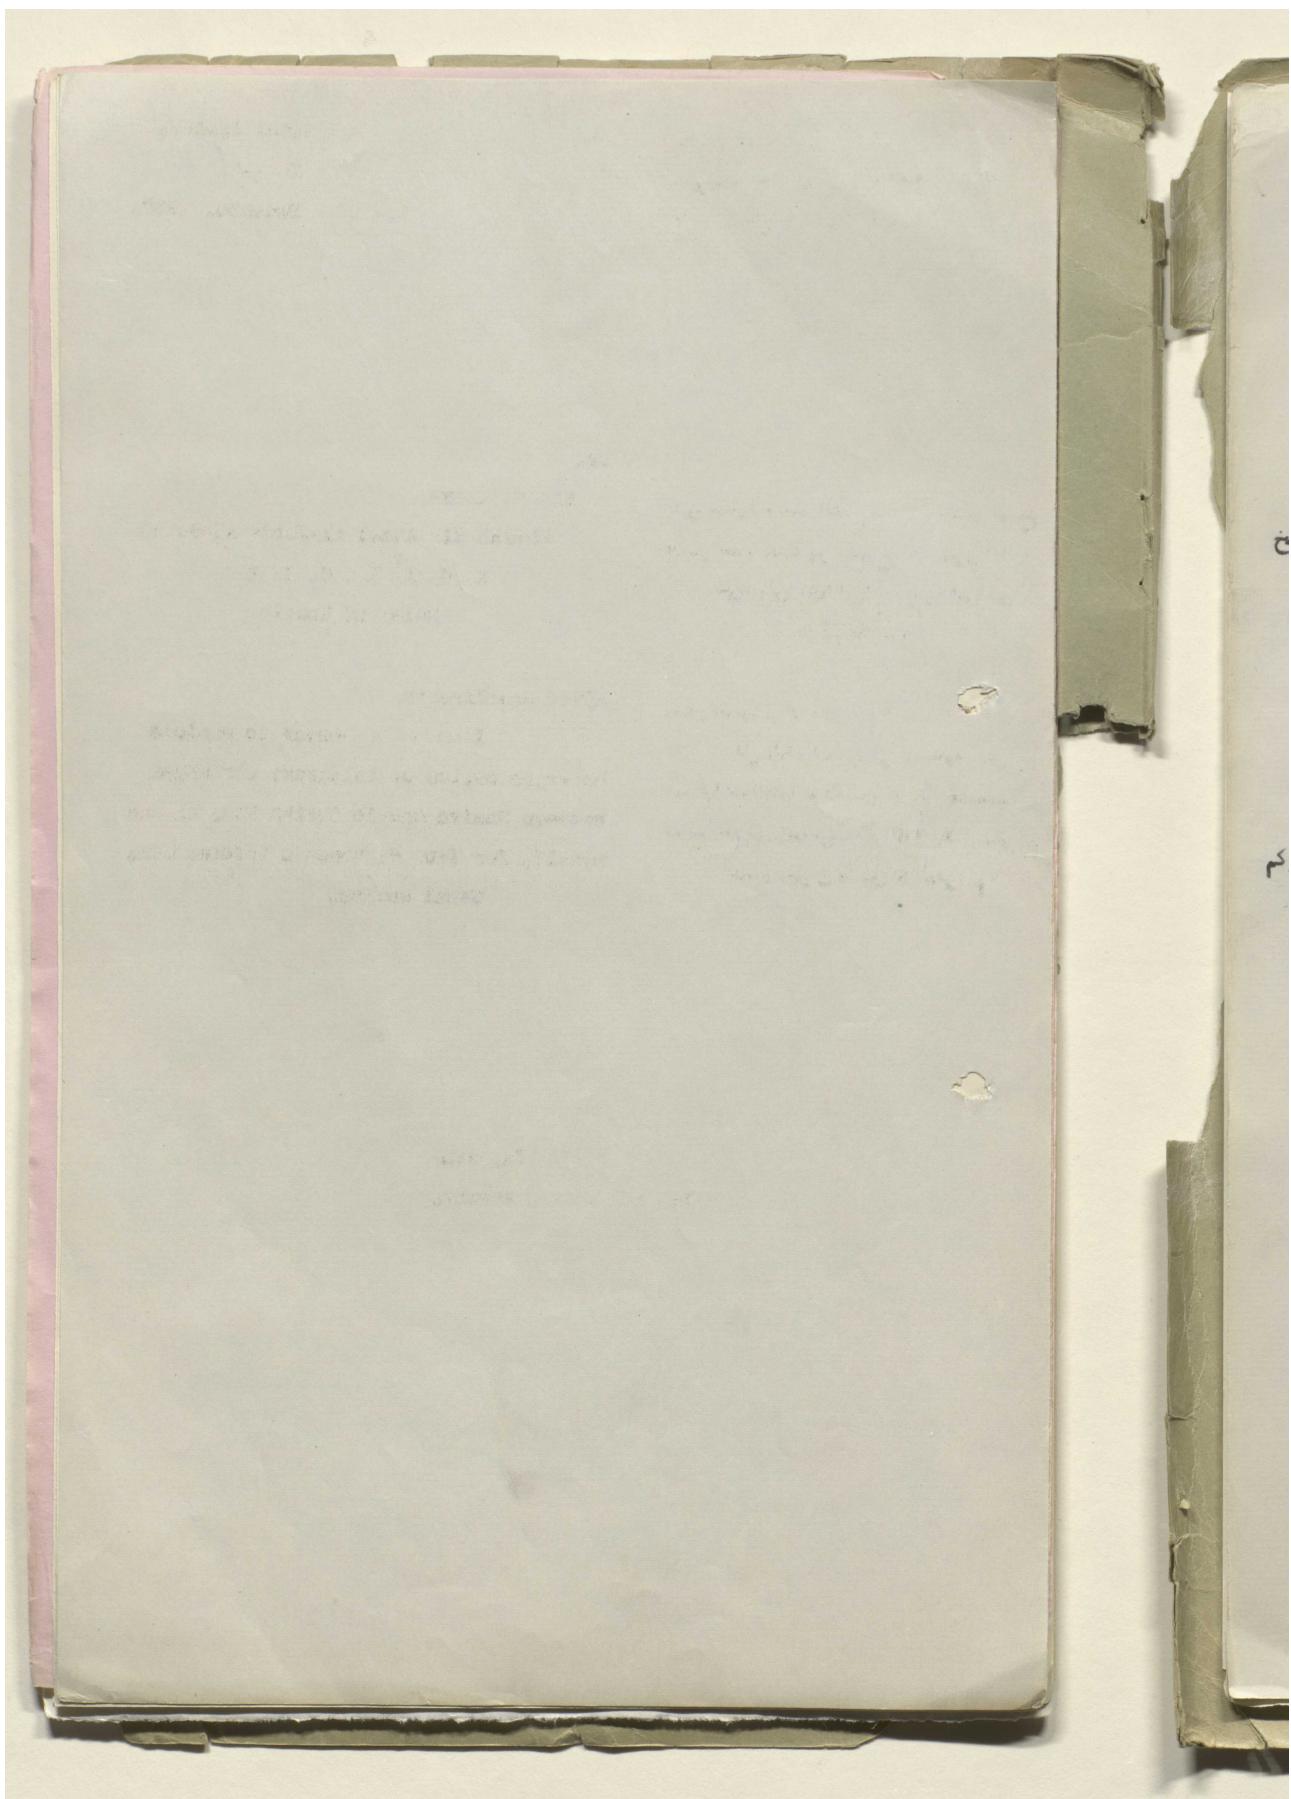

Yours sincerely,

John

I understand that he is not averse to purchasing

With regard to the statement signed by the heirs, which is attached to your letter to me of the 25th December for which I thank you, I should inform you for their information that export without permission is prohibited. They could ofcourse apply for permission giving destination and details.

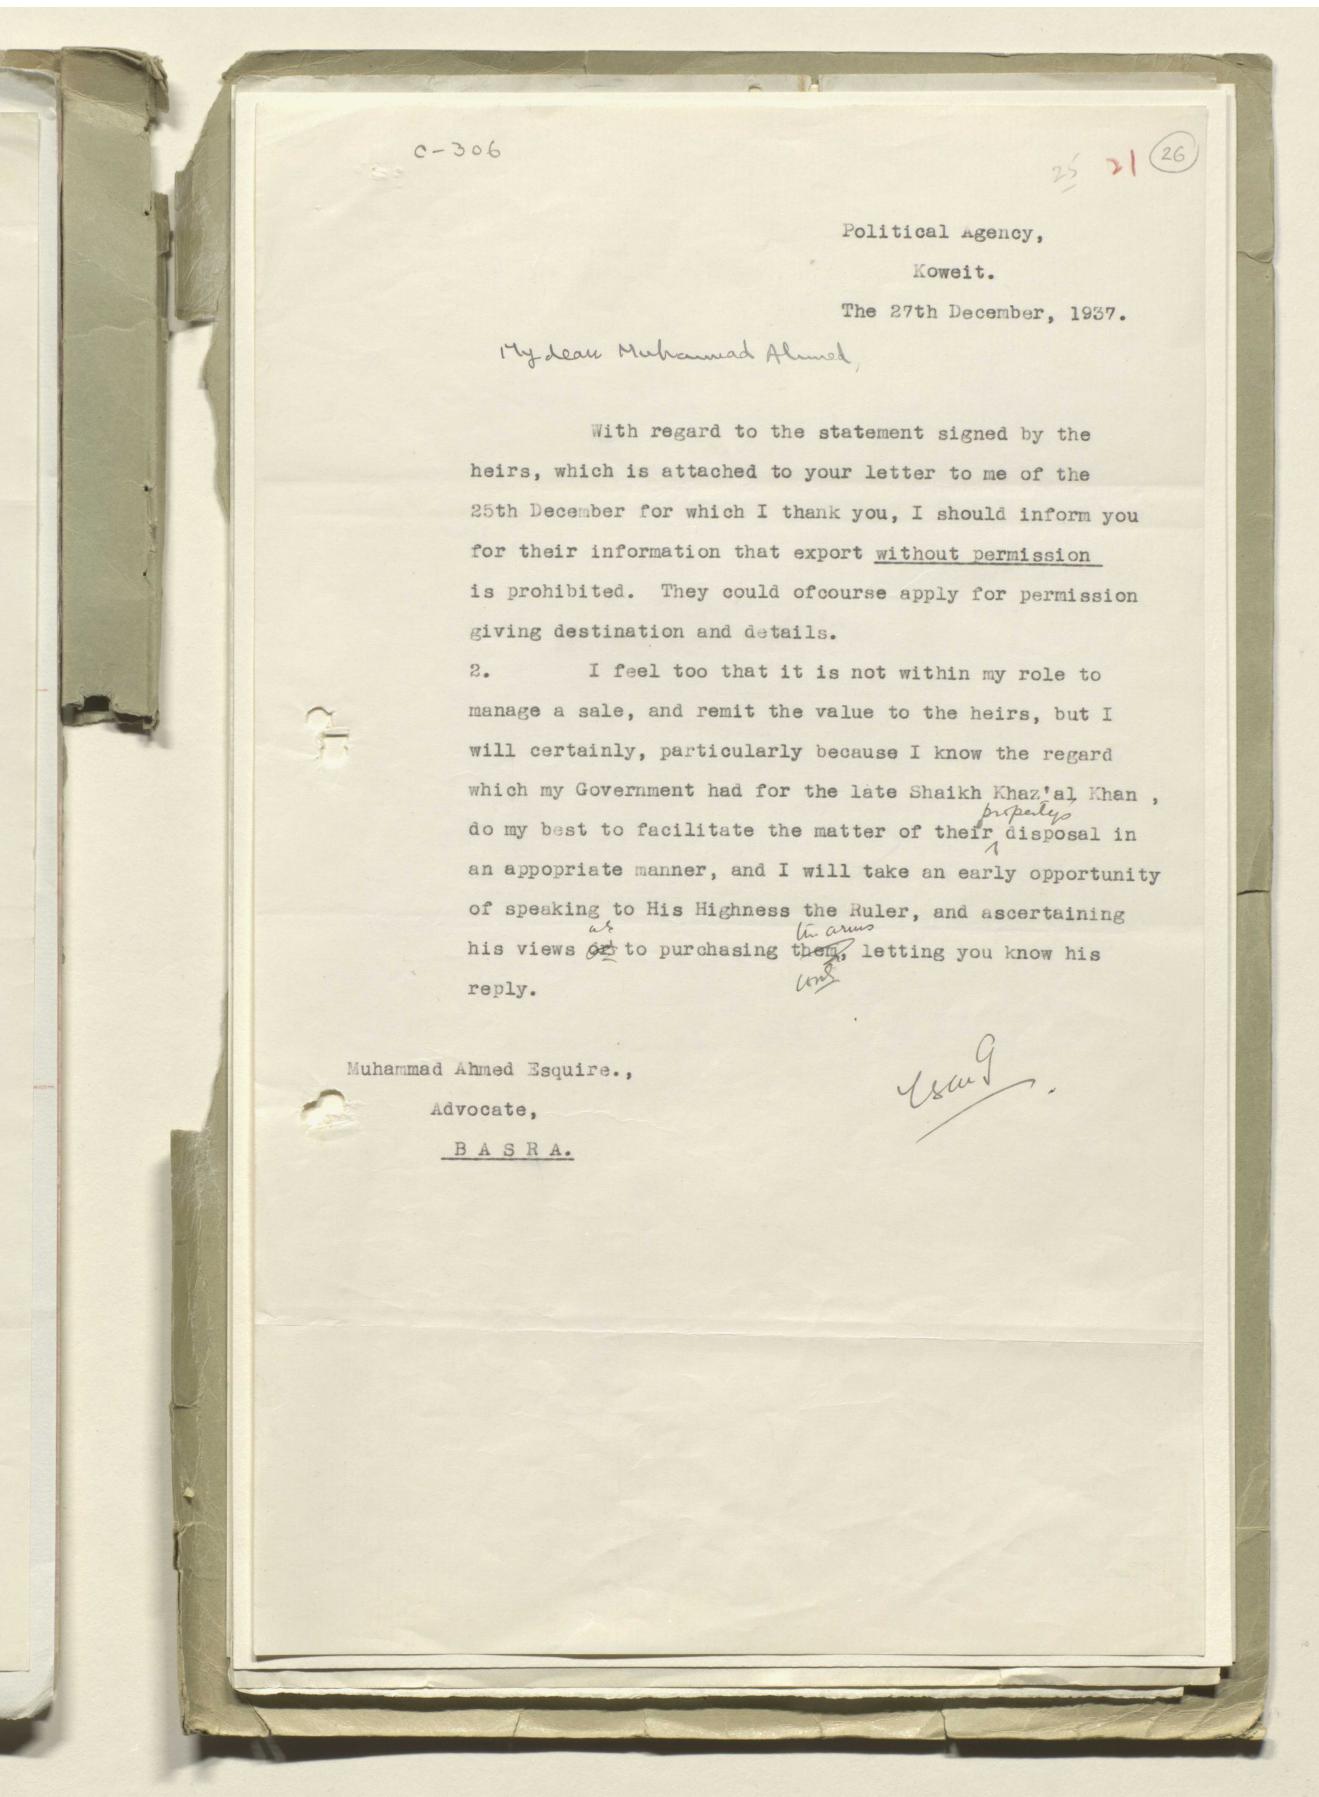

2. I feel too that it is not within my role to manage a sale, and remit the value to the heirs, but I will certainly, particularly because I know the regard which my Government had for the late Shaikh Khaz'al Khan, do my best to facilitate the matter of their ^{properly} disposal in an appopriate manner, and I will take an early opportunity of speaking to His Highness the Ruler, and ascertaining his views ^{as} to purchasing them ^{in arms}, letting you know his reply.

Basrah, 25th December 1937.

My dear Captain de Gauray.

I regret that I have been unable to write to you before in regard to the arms and ammunition available at the palace of the late Shaikh Khaz'al Khan at Kuwait; and I beg now to offer you the sincere thanks of his heirs for the great interest which you have been good enough to take in the matter.

Before we returned to Basrah, I obtained a document from the heirs who had assembled at Kuwait, agreeing that the arms and ammunition should be placed at your disposal and that the same should be sold to any party or body you consider desirable; and I beg to enclose for your information a copy of the document and its translation in triplicate.

I need hardly add that the heirs shall be extremely grateful if you will be pleased to accord them your good offices in effecting the sale to His Highness The Ruler of Kuwait at such a figure as you may consider fair and just with due consideration to the heirs.

I conclude with renewed thanks, and respectful compliments.

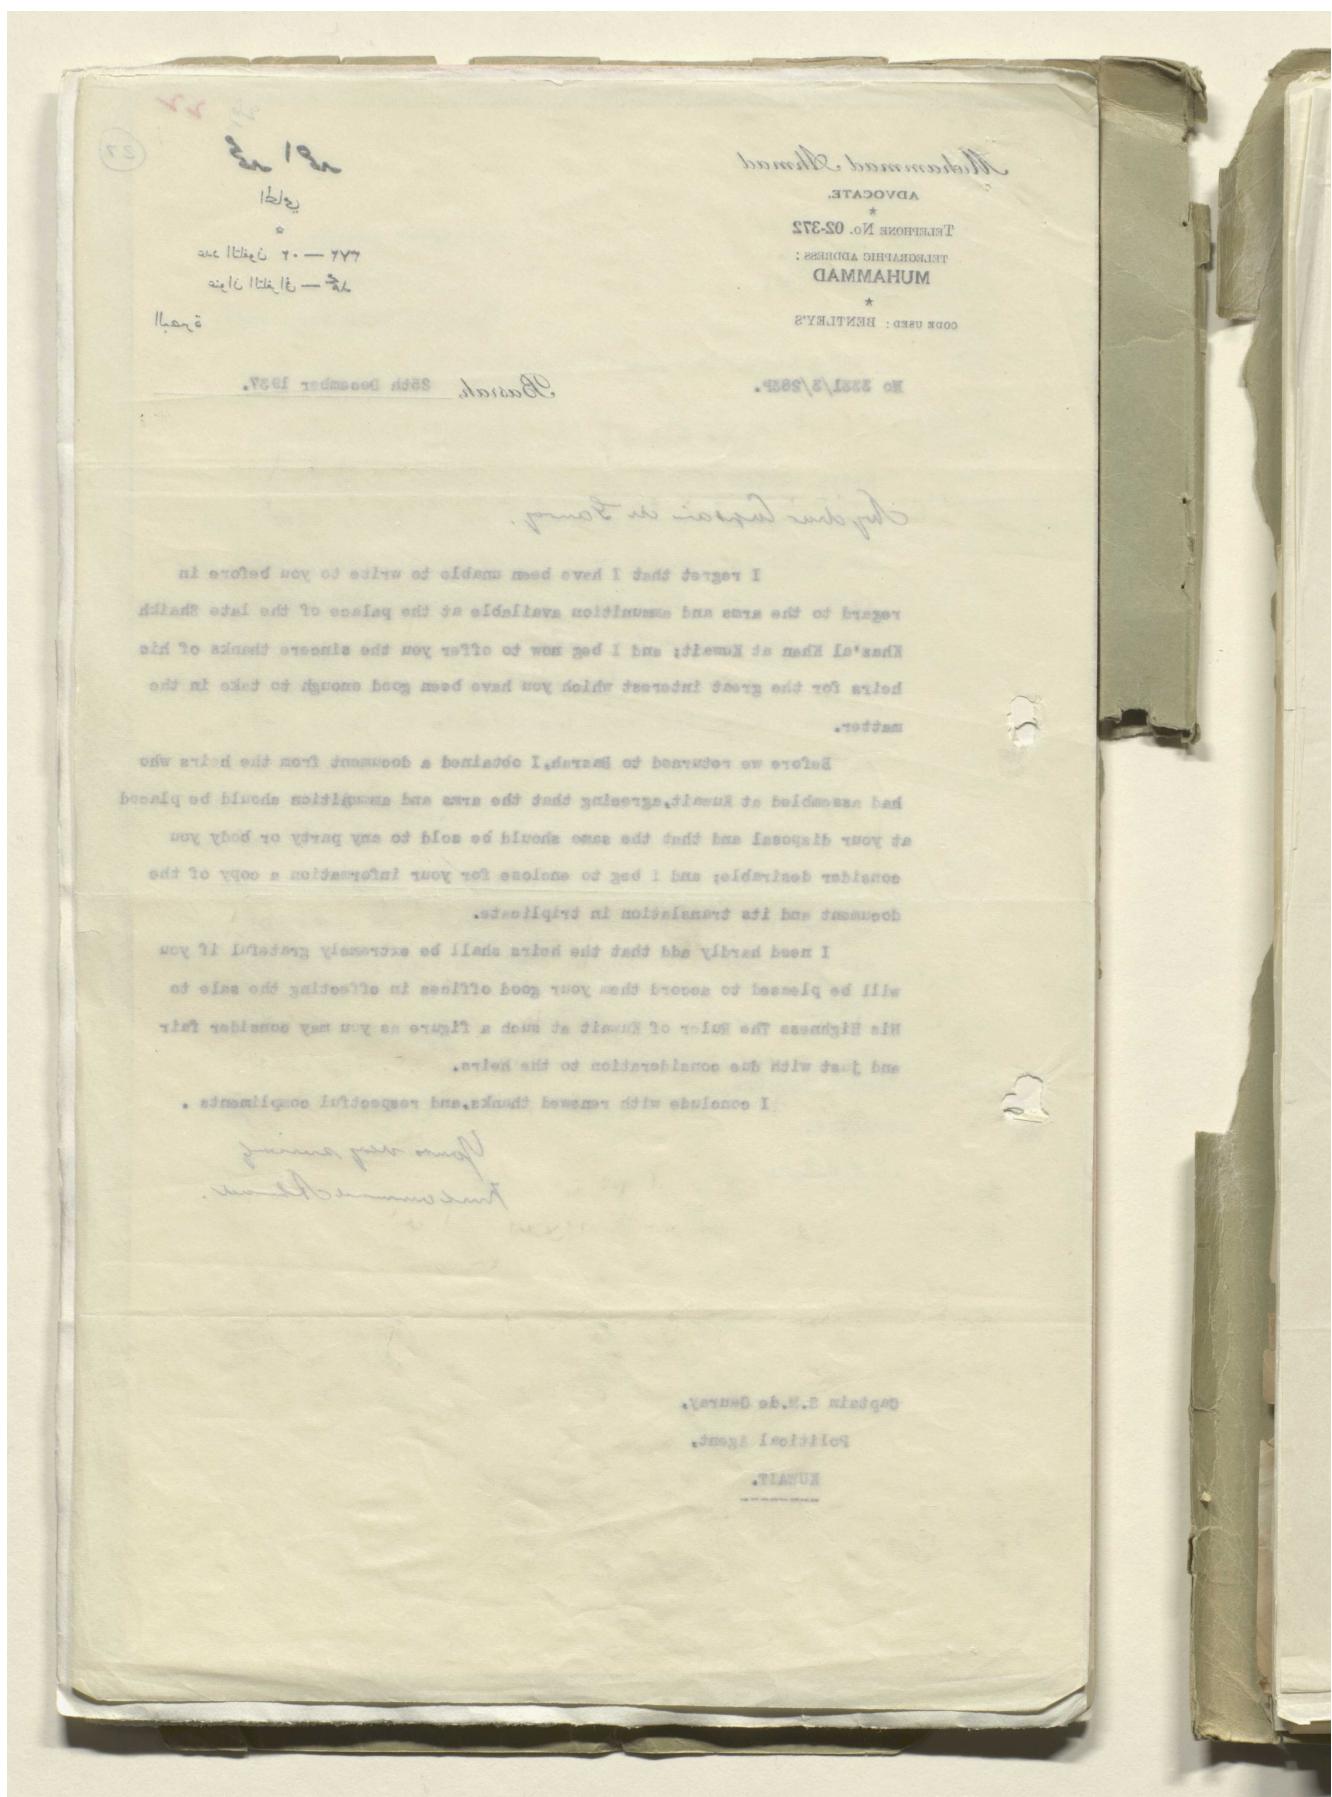

Yours very sincerely

CONFIDENTIAL

Routine Document

No 553 Dated 26.4.42.

Political Agent,
Kuwait.

(1) The above building is being taken over
for the accommodation of Survey Establishment.

2/ Will you please obtain estimate for and
have put in hand the following work as soon as possible:-

(a) Construct 1200 gallon timber storage
tank and fix on roof.

(b) Run services in galvanised iron piping from
tank to Helio-Room, Powder Room, Dark Room and to tap in
courtyard - about 350 ft. run of piping. 1" or ~~1½"~~ 1¼" piping
should be used. Please let me know whether Oil
Coy could supply piping and fittings. If not I will
arrange supply.

(c) Construct reinforced concrete tank at
ground level for 30,000 gallons. I suggest a tank
divided into 4 compartments each of 13'0" x 12'0" x 8'0"
deep. Arrangements for pumping from ground tank to
roof tank will be made by this office.

3/ Please signal this office if Army Funds
in hand are ~~not~~ sufficient to cover the cost of this work.

4/ The following work is also required but
it can be done after occupation. In the meantime will
you kindly obtain estimates.

i/ Partitions about 14 ft. high for darkrooms
etc., about 50 running feet required. Compressed reeds
would probably suffice.

ii/ Glazing of drawing verandahs. The three
outside verandahs are partially enclosed by arched open-
ings. These arched openings, in verandahs required for
drawing, would have to be closed by windows with parti-
tion walling above and below. About 90 running feet of
window 3'6" high would be required.

iii/ First floor room windows are mostly glazed
but about 200 sq. feet of glazing to replace broken panes
would be required.

iv/ 3 sinks 4' x 3' x 6" approx. to be fitted
where shown with water supply and drains. Wood sinks
with caulked joints would suffice.

v/ Two earth platforms, with brick or concrete
floor, for helio frames to be built as shown.

vi/ Pent house for room camera to be built.
Details to follow if you have ~~not~~ already any details.
A drawing showing work is enclosed herewith.

5/ Electric lighting and power. Please let
me know if Oil Coy could carry out this installation and
if any materials are available locally.

I. I have had the visit of Mr. Gurchi representing himself as the agent of Ahmed Mohd al Ghanim of Kuwait, who informed me that Sheikh Khazal's Palace which had apparently been placed free at our disposal by his heir Sheikh Jassib - building at present occupied by the D.C.R.E. - had been bought two or three months ago by Ahmed Mohd el Ghanim.

The new owner is desirous of obtaining possession of his property and proposes to offer alternative accommodation.

As this property has been offered free of rent to the British Forces, the Area Commander is anxious that every effort should be made to give satisfaction to the owner.

Will you therefore kindly contact Ahmed Mohd al Ghanim and in conjunction with the D.C.R.E. inspect the alternative accommodation offered and report on the possibility of his move there.

II. There appears to be no record in this office of the occupation of this building.

It is essential that all hirings should be dealt with by this office and I would be grateful for information if any other property is occupied in Kuwait, either land or building, of which this office has at present no knowledge.

The term "hiring" comprises all W.D. holdings whether rent is paid or not, including Government Property, and the Army Hirings office acts for the three services and Allied nations.

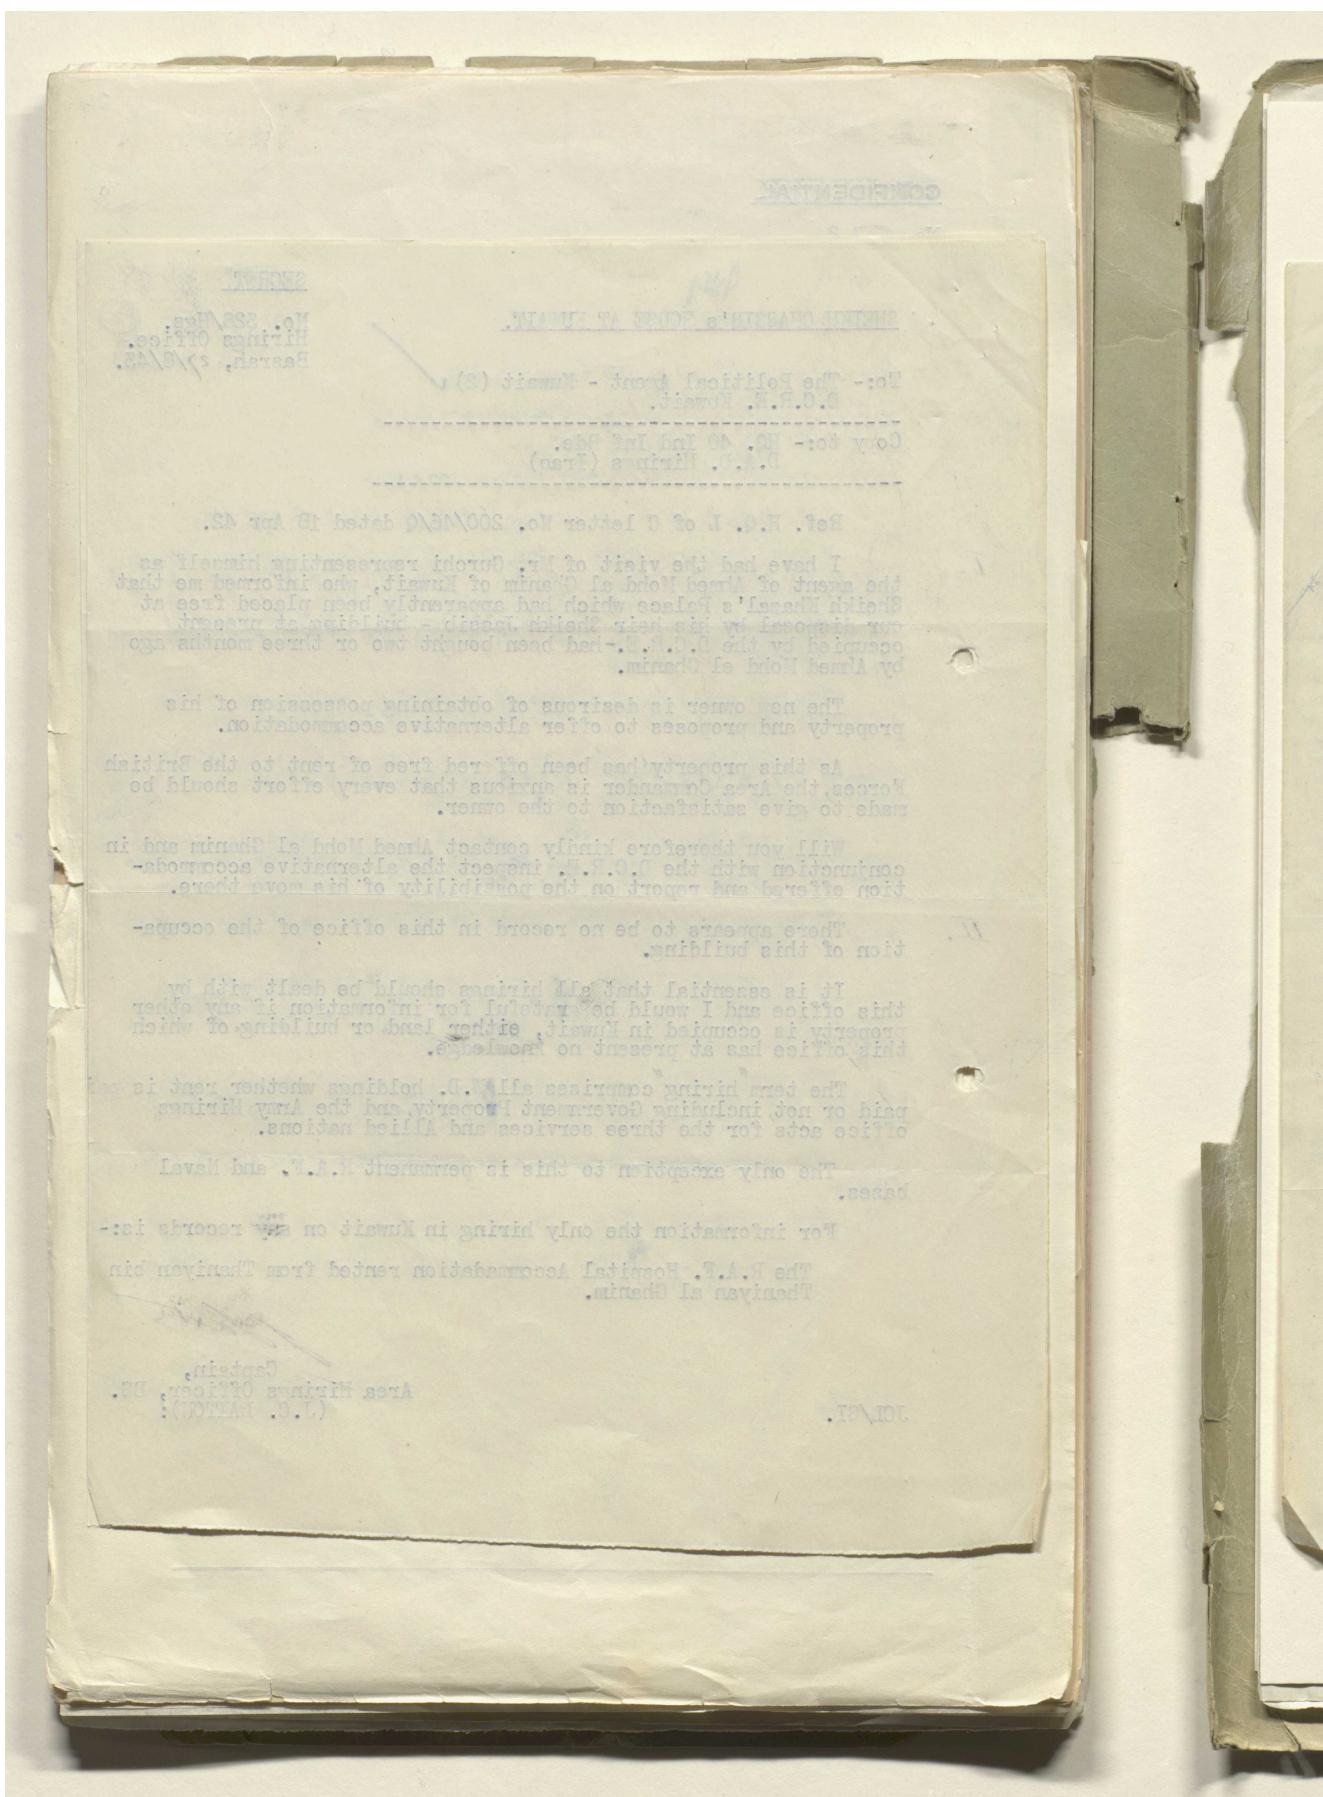

The only exception to this is permanent R.A.F. and Naval bases.

For information the only hiring in Kuwait on ~~my~~ records is:-
The R.A.F. Hospital Accommodation rented from Thaniyan bin Thaniyan al Ghanim.

What is the position about the Beit Khazal? Are we in fact still in charge? If so we had better get the key back from the Al Ghanims.

P.A.

I have spoken with Yusuf Al Ghanim about the key of the Beit Khazal. He says that repairs are being carried out and it will take at least one month more to complete the work. Progress of work is very slow due to difficulty in getting building materials i.e. gutch etc.,

2. He has ~~also~~ raised the question of ownership of the house and said that he bought the house from Shaikh Chassib. He has also informed me that Shaikh Chassib gave the house to Military without any rent and no lease exists. *16/8/43*

H.C.

As you are now concerned the house is still leased to the military and shall consider it to until you receive an intimation from them concerning this 20/9/46/19. Adequate time has been given for the repairs to be carried out. Please ask Al Ghanim

Shaikh 4th 11/11/46.

As instructed I have informed Yusuf al-Sheini
that they may have the keys of the house during
the day & to hand to the Farash in the evening
so that we may keep the keys during the night.
He asked me to express his thanks to you & that
he appreciates this arrangement, especially that they
are expecting a large consignment of bricks.
Thus far repairing the house.
