About this record

This file relates to Sayyid Hamoud bin Faisal [Sayyid Hamūd bin Fayṣal Āl Bū Saʿīd], an uncle of the Sultan of Muscat and Oman [Saʿīd bin Taymūr Āl Bū Saʿīd], and a resident of Zanzibar.

The correspondence concerns a request from Hamoud bin Faisal for the renewal of his monthly allowance (also referred to as his pension), which was reportedly discontinued by the Muscat Government in 1935 when, having left Muscat for six months' leave in Zanzibar, Hamoud bin Faisal 'overstayed' his leave by choosing to remain there.

The principal correspondents are the following: the Political Agent and Consul, Muscat; the Political Resident in the Persian Gulf, Bushire; the Chief Secretary to the Government, Zanzibar; the Sultan of Muscat and Oman; Hamoud bin Faisal.

Kokoni, Malindi,
Zanzibar, 18th July, 1942. (2) (3)

Your Excellency,

I venture most respectfully to lay before Your Excellency my humble petition, hoping that it will be graced with Your Excellency's sympathetic consideration.

1. That in company with my son, the marriage of whom had been decreed to take place in Zanzibar, I came here in 1935.

2. My pension of Rupees 600 from His Highness's Govt. at Muscat, had been paid to me here for six months in succession, after which period I decided to adopt Zanzibar as my temporary new Home. Without hesitation, I informed His Highness the Sultan of Muscat that I could not return there on purely medical grounds.

3. In Muscat, I had been a victim of various maladies which lamentably rendered me physically weak. A short stay of less than six months in Zanzibar blessed me with miracle. I restored my health and vigour which are being kept on improving admirably. In brief, I feel myself quite a new man with a new life in a new land. My disappointment had been indescribable when I had learnt that my temporary stay here had inspired His Highness's Government to curtail my pension.

4. I had communicated with your predecessor on the subject, imploring his representation on my behalf, to His Highness the Sultan. In one of my letters to the Political Agent at Muscat, I had attached a medical certificate with a view to justifying my case. Though the reply to me had, to a considerable degree, nursed by heart with hope of success, yet hitherto no step had been taken to comply with my application.

5. I am sure that it will be amiss to mention here a few names of the members of my family who, notwithstanding the fact that they have their permanent abodes abroad, are still favoured with their pensions from His Highness's Government at Muscat. Namely:-

Seyyid Dhiyab bin Fehad .. Paris
Seyyid Taymor bin Feisal .. Poona
Seyyid Turkiy bin Feisal .. Istambul

6. I have neither disburdened myself of onerous responsibility from His Highness's service nor have I exhibited disloyalty to His Government. On the contrary, my devotion and allegiance to His Throne are very strong and unchangeable. Therefore to what ground my exclusion from the category of the three names mentioned above is attributed ?

7. Being a Britisher with sense of justice and a strong desire to see the lamp of Right aflame every where, I place my case in Your Excellency's hands with confidence that your intervention and assistance in the matter will not only be blessed with His Highness's approval but will also justify the triumph of justice.

8. His Highness the Sultan may rest assured that the love of my native land has an important place in my heart. My financial status has become rather abnormal through sudden discontinuation of my lawful pension which I enjoyed for a long period while at Muscat and within six months in Zanzibar. In view of this embarrassment, I have determined to return home after the war.

9. I earnestly pray Your Excellency to view the case with sympathy it deserves for I shall ever remain very much grateful.

I beg to remain,
Your Excellency,
Your obedient servant,

If the Government of Muscat find that the granting of pension to Seyyid Thiyab is justifiable, then I feel that my case is equally, if not more, justifiable. I should therefore be highly grateful if you can assist me in this matter.

Sir,

I have the honour to acknowledge receipt of your letter dated 11th December 1943 bearing reference No. 2068 (13250.5) and state as follows:-

1. I am uncle of His Highness the Sultan of Muscat and so a member of the Royal Family. As such I have been paid what is called in Arabic "Fariza" for the last 22½ years, since the death of my father Syyed Faisal bin Turkey, except for the last 7½ years. The said Fariza has never been paid to me as salary for services rendered.

So far I recollect, I had been given temporary jobs on 3 occasions for which I was paid salary over and above the said Fariza as under

- (a) I served His Highness' Government in 1914 as Governor of Javador temporarily for a period of about 1½ year. I was paid Rs. 500/- per month as salary over and above my Fariza of Rs. 600/- per month.
- (b) I served temporarily for about 8 months in 1916, as Governor of Barka. I was paid as salary Rs. 400/- per month over and above my Fariza of Rs. 600/- per month.
- (c) In 1923, as a matter of grace, I took the charge of Matrah as Governor thereof for one month only.

2. Except the aforesaid temporary services for which I received separate salary over and above my Fariza, I have not done any service, and for all the past 22½ years I received regularly my Fariza every month.

3. Since I came to Zanzibar in 1935 I have found that Zanzibar climate suits me and I have improved my health. I therefore do not want to return for the time being to Muscat as its climate does not suit my health.

4. I therefore pray the Government to help me in getting my past Fariza for the last 7½ years which has been withheld without any reason whatsoever. I am entitled to Fariza during my life time according to my legal right as a member of the Royal Family.

Thanking you in anticipation,

It seems that P.R. has given no reply to the British Resident, Zanzibar, but it is not clear whether we are supposed to take action as desired in para 2 of the letter at page 1. Since such petitions have been ^{driving} ~~driving~~ since 1935, & no action has been taken, it would seem proper to file papers for the present & explain position if we receive a reminder.

The Chief Secretary's letter at least deserves a reply - even if one inevitably delayed. The first step seems to be ask ^{by memo} for a copy of the P.L. referred to in the P.W.C. - 1/25/43

Memo. No. 591-S, d. 24/6/43, from P. R. 3. — P. 6

We are grateful for this assistance; but in the absence of an inward register for the period of the references, the compilation cannot be traced, nor is anything traceable on the ^{relative} relevant files. May file?

Please make this case for P. R. as return, because he wants to reply to Page 1, vice nothing proposed.

Letter No. 1092 (T. 13250), d. 1/7/43, from the Chief Secy. to the Govt., Zanzibar. 4.

Ref. T.O.'s noting above. May keep this for P.A. to deal with on his return? — when he may perhaps like to discuss the case with the Sultan, who would probably be here at the same time.

It appears from Page 4 that no action is advisable + P.A. may not like to discuss it with H.H. In any case P.A. requires a reply. The only reply that suggests to me is that no previous applications on the subject are traceable in this office, but if Sayyid Hamood applies to H.H. ^{to send his petition to us, we} may be able to pass on to H.H. for such action as he considers necessary, but P.A. perhaps may like to see this before we take any action.

This petition should be put up on return
of P.A. and in meanwhile send my

Discussed. Please reply that Hamood was
only given 6 months leave to go to Zanzibar &
that is why his pension (which really amounts
to salary for services rendered) was paid for
6 months only. As he overstayed his leave, his
pension was withheld & payments will not
be resumed until he returns to Muscat.

I think this subject is for H.H.'s personal
consideration & if P.A. agrees the spare copies
of the correspondence may be sent to Shoffan
with a D.O. asking as to what reply we
may give to Zanzibar. B.F.A.
