About this record

Copy of a letter from HM Ambassador Extraordinary to Persia [Iran], Sir Gore Ouseley, in Tabriz, to the President of the Board of Control, the Earl of Buckinghamshire, of 19 July 1813, which was received on 24 January 1814. The letter advises against the planned dispatch of British officers to Persia, on the basis of the imminent peace between Persia and Russia, following which the subsidy paid to Persia by the East India Company will cease and therefore leave Persia unable to maintain a standing army.

Copy 4/PS/9/68/142 Tabriz July 19th 1813. ①

My Lord,

In reference to my despatch
of the 20 of the 9th of July 1812, I beg
leave to suggest to your Lordship
that should the Officers of Royal
Artillery and Engineers mentioned
therein, not have embarked for this
Country before the receipt of this letter,
it would be every way advisable to
suspend their appointment and
embarkation; as the prospect of an
approaching peace with Russia,
which will deprive Persia of the
Subsidy, will at the same time
incapacitate her from maintaining
a standing Army of such extent as
to require the presence of those
additional Officers.

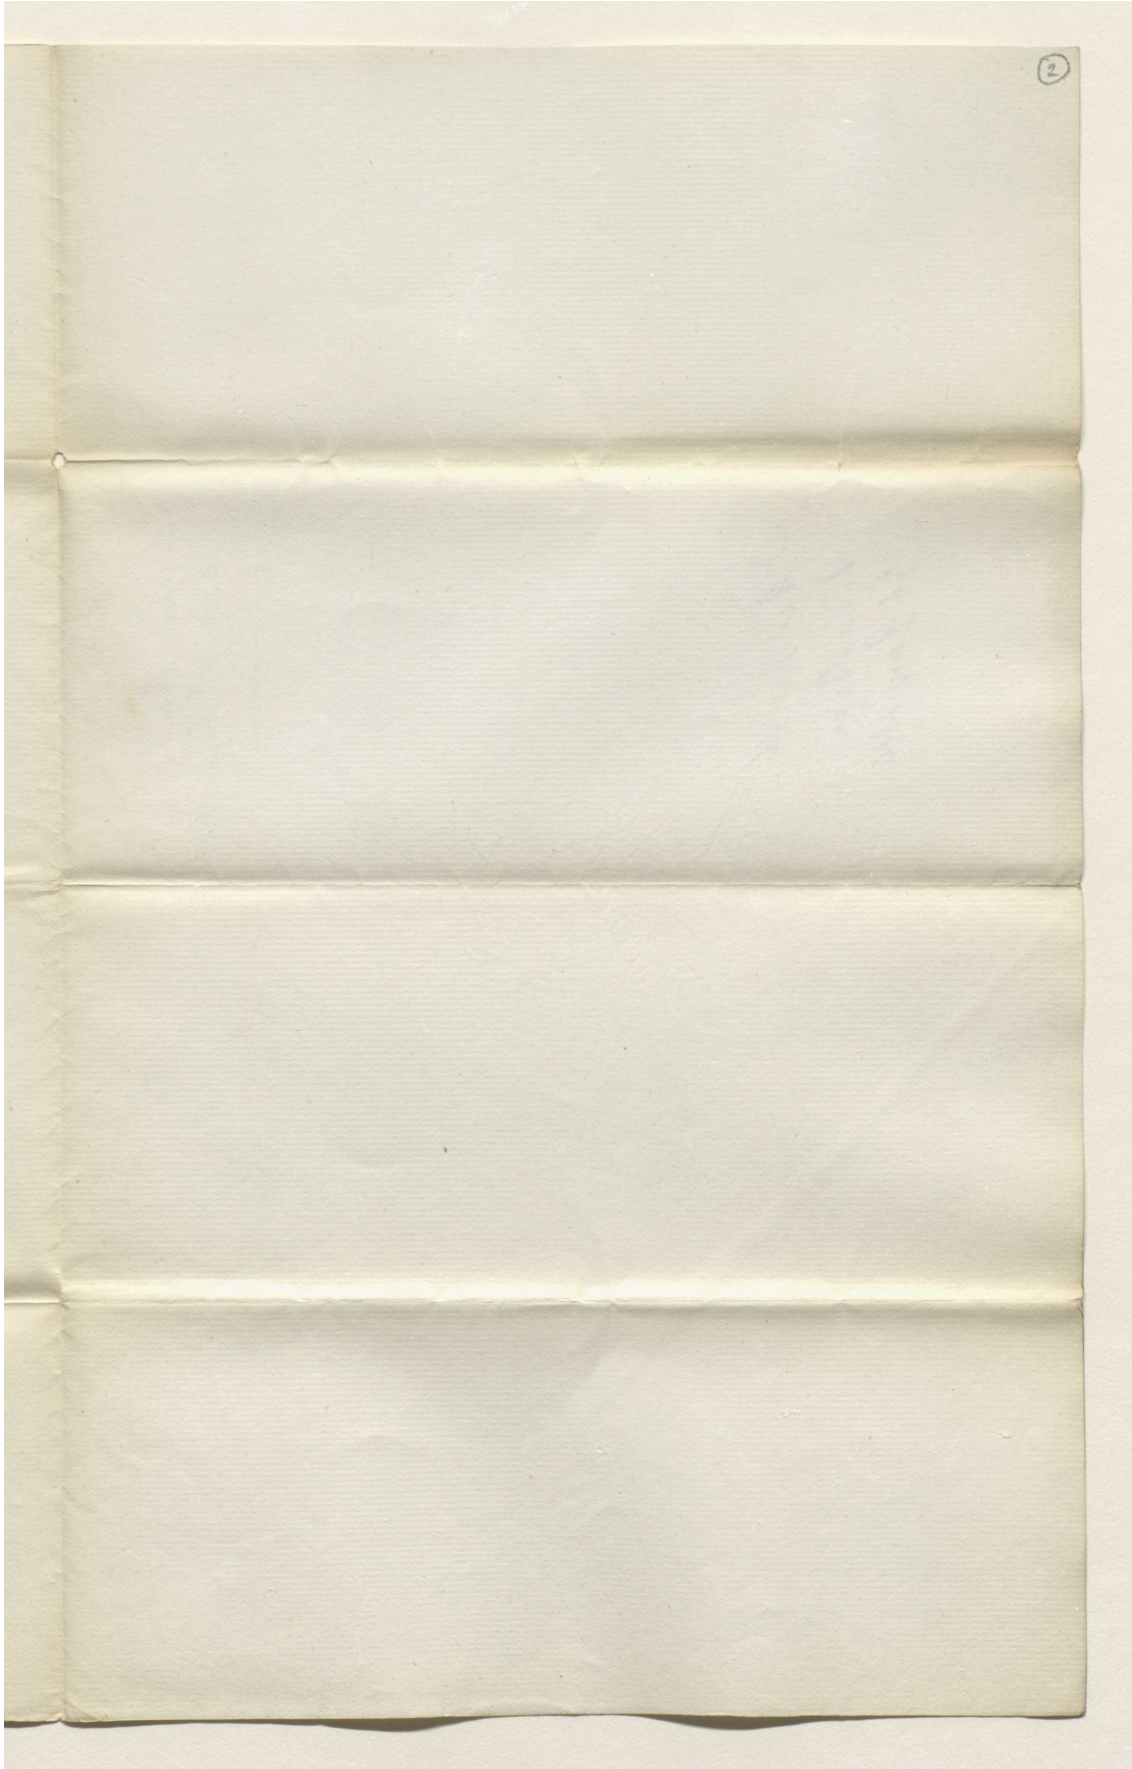

I have the honor to be &c.

(Signed) Gore Ouseley
The Visc. Castlereagh
